As many readers will already know, we have had to cancel Cheese-Rolling for 2018. But we want to resume our village festival in 2019, so now’s your opportunity to help us plan a vibrant new event for the future. Read the full story on p4.

Wot ? No Cheese-Rolling ?
FROM OLIVE MAIN AND CAROL WARREN

After months of discussion Stilton Community Association regrets to announce that there will not be a Cheese-Rolling in 2018. There are many reasons:

Firstly, in recent years there has been a disappointing lack of enthusiasm for taking part in the Cheese-Rolling. In 2017 only two teams registered. Eventually enough teams emerged, but to make a real contest we need 12 to 16 men's teams and 8 to 12 ladies teams. We have not come anywhere near these targets for four years.

The young people are marginally more keen to join in, but it is no longer seen as ‘cool’.

The team who ran the Cheese Rolling races retired after 2017's event. No one has come forward to replace them.

The working party who construct the course, organise the street scene and clear up (mostly non-residents of Stilton) are depleted in numbers and the 2018 dates are difficult for them.

The costs of putting on the event escalate every year. In recent years the event has only just about broken even. Insurance is ever rising and we also now have to pay for waste disposal etc.

Waste disposal cost has been kept as low as possible thanks to street sweeping by volunteers and the village caretaker but it is now an extra cost as HDC has to charge to remove the sacks and a skip has to be hired.

There are serious security problems. There will only be a police presence if we pay a considerable fee. This means we have to employ professional security, both in the village centre and at the Pavilion.

Public order is now an issue to be dealt with. In the past, Cheese-Rolling had a reputation as a pleasant, family-friendly day out. In recent years the atmosphere has changed and the issue of under-age drinking has threatened our safety. It also threatens the livelihoods of the shop and pubs.

There is no solution to the parking problem, which causes congestion beyond Norman Cross.

The disruption to residents of North Street, High Street and Fen Street has become less acceptable to new residents of these roads. Volunteers who help have been subject to nasty verbal abuse which cannot be tolerated.

We are sorry to disappoint all who have taken part, some for many years. We regret the loss of revenue both to local businesses and village organisations, and we have the sad task of cancelling many attractions that come year after year. But times have changed. Perhaps some other people will come forward with new ideas.

We want to thank so many people who, over more than 30 years, have been generous with their time and assistance. We hope some will want to take up the challenge and that Cheese Rolling can be back in 2019.
We would like to stress it is only this year’s Cheese-Rolling that has been cancelled. Cheese-Rolling has become a victim of its own success and it’s felt that, by stopping for a year to take stock, it can hopefully resume in a fresh format, perhaps in the form of a big village fete up at the Pavilion.

The playing field has had a lot of money and effort spent on it to create a top-quality sports pitch and we felt that if Cheese-Rolling was simply to move up there ‘as-is’ then it would cause unacceptable damage to the field. Happily, the playing field committee have said they will look into it being used in future years.

The Pavilion project has proved what the Stilton community can achieve when we get our sleeves rolled up; this is a great opportunity to capitalise on this strong community spirit to create an exciting new format of village festival.

We are delighted that several people have already come forward with offers to help in future years. The committee would love to meet with people who would like to get involved with taking Cheese-Rolling forward for 2019 and beyond.

Interested? Just call Olive on 241206.

Ziga-ziga-zumba!
SHAKING IT ABOUT FOR CHARITY

On the evening of Wednesday 10th January, Rotarians and friends gathered for an enjoyable evening of lively dance - otherwise known as a Zumbathon - at the dance studio of the Nene Park Academy, writes Dave Pennell. The School had kindly provided the facilities and the Instructress also donated her time, so all the money raised will find its way to charities.

The event had been organised by the new Rotaract Club affiliated to the Rotary Club of The Ortons, to raise funds for charity. Rotaract is a unique international service organisation for people aged 18-30 which has the twin aims of developing the potential of the young people involved and offering them a means of helping their local communities and charities.

Say what you like about the A14, there’s no doubt that the upgrade project is delivering best practice in many areas. The latest example of this comes in the form of being selected as one of the five finalists for the BBC Countryfile Magazine’s Awards 2018 in the Conservation Success of the Year category.

Awards judge Sheena Harvey said: ‘This [project] is an example that needs to be out there for people to follow.’

To learn more about this, and to vote for the project, visit the Countryfile website: www.countryfile.com/bbc-countryfile-magazine-awards-2018. The winners will be announced in March, so watch this space!

New Year - Good News!
PLAYING FIELD DRAINS COMPLETED

After 400 hours of toil on the field drain lines the field has been deemed ‘satisfactory and safe for use’!

Thank you so much for everybody’s help, particularly the parents of the Colts teams and other volunteers, and John Baldaro who got people together. Brilliant job. We hope the seven teams using the field grow from strength to strength with huge success.

The field surface will have to be carefully monitored as seasonal weather conditions vary and affect the field surfaces.

School News
GETTING OFF TO A GREAT START IN 2018

2018 looks to be an eventful and positive New Year for Stilton Primary School!

Just before Christmas the children enjoyed watching a pantomime in school as well as having a very busy end to the term performing Christmas carols to parents, carers and the Over 60's Club, and gathering together for a wonderful Christingle Service.

Despite the winter weather drawing in, the children had the opportunity to meet BMX World Champion Mike Mullen and enjoyed time with him learning BMX skills and developing a positive mindset.

Stilton School also held a Christmas Jumper Day and raised £75.59 for Save the Children UK, as well as a Pyjama Day raising £167 for the Winter Night Shelter. This last event was organised by the School Council.

MANY THANKS TO:

Mr and Mrs Smith at the Talbot Inn for donating such a beautiful Christmas tree for us all to decorate and enjoy throughout our festivities. Their generosity is greatly appreciated.

Argos, who have worked wonders on our outside area. A team arrived and worked so hard painting and mending the area, it looks amazing! As well as providing storage boxes for our new Library.

Ikea Peterborough, who have donated a wonderful bright sofa for the Library area!

And to BGL, who have given us a whopping £400 to buy books for our new Library! The money will enable us to really extend our range of books for the children to enjoy. Thank you so much!

Our Christmas concert went very well, writes Tony Oliver, with Matthew Bason at his best, despite suffering from a cold, with his one-man variety show. The audience were amused and entertained by his talents as a singer, pianist, electronic organist and accordianist; definitely a one-man show! With festive interval treats, kindly supplied by Tesco’s, this rounded off our 2017 series of live keyboard events with gusto!

With Christmas and New Year well past we now look forward to Spring’s better weather! So if you want to put an early spring into your step why not come along to see some great musicians play live at our monthly keyboard events? It won’t cost you the earth and you can be guaranteed a sociable, friendly and musical afternoon amongst like-minded people.

Our artist for this month is the extremely talented Ian Griffin from South Wales whose years of experience have made him the expert keyboard player you will hear. One of his superb skills is to play a whole hour of continuous music arranged from written requests made by the audience up to the interval. I never fail to be amazed at the way he does this. For the best in live musical entertainment come along on Sunday 11th February Doors open at 2pm for 2:30pm star and the cost is just £7.50 including refreshments.

Our events and dates for 2018 have been finalised (see dates on page 3) and top keyboard artistes from home and abroad have been booked to entertain you. We look forward to your support for ‘Stilton in Tune’ and, ultimately, for the Pavilion.

Mum, I’m Bored!
THINGS TO DO AT FEBRUARY HALF-TERM

The weather may be dreary and the flu and colds lingering, but a week off school does mean finding entertainment. Fortunately, we have some great places to visit, which we sometimes under-rate just because they’re on our doorstep.

**Ferry Meadows**

This has parking charges, but also has play areas (some refurbished), walking trails, a duck feeding area and a good café. There are organised activities; 50p buys a trail sheet. There may be a prize at the end.

**Peterborough Museum**

For a free amenity, this has several amazing permanent displays including dinosaurs and a reconstruction of our own Norman Cross Napoleonic Prisoner of War Camp, together with a world-class collection of artefacts made by the prisoners.

Secret Agents@Peterborough Museum is also great fun. Look for clues, decode messages, and spy on the enemy. Children £3, Adults £4, Family £12.

**Peterborough Cathedral**

Celebrates its 900th anniversary this year. Explorer backpacks, to assist on a tour of this magnificent building, are free to borrow. (A small deposit is required.)

**Sacrewell Farm**

This has much to do and see. From 10th Feb admission is £7 for adults, under-13s £7, under-2s free. See www.sacrewell.org.uk.

---

**Nene Valley Railway**

Has Thomas and other steam engines pulling trains over the holidays. www.nvr.org.uk/

**Flag Fen**

Is open for half-term to run an Archaeology Club; £22 per day, £90 per week. Call Peterborough Museum on 01733 864663.

**Hamerton Zoo**

Has over 100 species of animals; some rare and near extinction. £14 adults, £9 3-12 year olds. There is a basic café, and an exciting playground, but check their website www.hamertonzoopark.com/ for opening times and a 10% discount voucher.

**Old Warden**

The Shuttleworth Collection not has the world’s finest collection of airworthy vintage aircraft, but also some great half-term activities for kids. For details, see: www.shuttleworth.org/whats-on/

A useful local blog, The Mum Diaries (themumdiaries.co.uk), will give you lots more ideas!

Folksworth School News

FOLKSWORTH TAKES OFF!

We firmly believe in encouraging our children to 'aim high' and our recent trip certainly did that! What could be more 'out-of-this-world' than a visit to the National Space Centre?

The children were wonderfully inspired - they saw a rocket in the rocket tower, got a chance to give a weather report in the weather pod, and thoroughly explored all of the exhibits.

However, for any budding astronauts amongst the party, the best was yet to come. Not only did we learn all about what it takes to become an astronaut, but we could have our photo taken with Tim Peake (albeit the cardboard one!)

One short trip; one giant quest for keen minds.

FROM THE PTA

School is now back in full swing and the PTA are busy planning the Folksworth C of E School Summer Fair, which will be held in May so watch this space for the date and details in upcoming issues of Folklore.

As a direct result of the Christmas Fair we were able to make an immediate impact by purchasing much-needed playground toys. The children were welcomed back to school with new playground and soft balls, skipping ropes, frisbees, quoits and hula hoops, with more equipment on the way.

Don't forget you can keep those New Year good intentions going by coming and joining the Zumba classes at the school on Apreece Road in Folksworth PE7 3TY. Join us on a Monday night 7-8pm. It's great fun and all profits go to the school, so you are benefiting yourself and the school children. It's only £5.00 per class and you can get a discounted rate if you buy a pre-paid class pass. Come along and try it. You're sure to have a good time.

Folksworth Ladies Circle

The first meeting of 2018 was an enjoyable fish & chip supper. The AGM takes place on February 27th followed by a talk about the Stilton Night Shelter. We meet in Folksworth Village Hall on the 4th Tuesday of the month at 7:30pm. All ladies are welcome. Why not bring a neighbour?

Village Hall

By the time you read this, we will have held our Burns Night Quiz and Supper. A big thank you to everyone who supported our event and the many who played a part in the organisation. Peeling potatoes is a good example of many hands make light work!

The proceeds all go towards the Village Hall
Improvement Project - Phase 2. We will shortly be submitting planning permission.

POTHOLES

The recent bad weather has left many roads and pavements across the county needing attention. I am constantly reporting these faults but as these problems are county wide they are being dealt with based on urgency/danger. A sign that they are being attended to is often that a painted mark is drawn around them. If you see anything that needs attention please let me know.

HGV PROBLEMS

Residents have started to send me photos of instances, but I need as many different ones as possible. Any information / documentation would be appreciated.

WORKS TO TREES

Urgent works will soon be carried out to some of the trees adjacent to the pond in Elm Road. Once these works are finished the area will need to be cleared of weeds, brambles and ivy. Volunteers are needed! If you wish to become involved in this project please contact me.

MEETINGS

The Parish Council meets on the third Tuesday of the month (except August) at 7:20 in the Village Hall, Manor Road. Agendas and Minutes can be found on the noticeboards and on Council's website. All meetings are open to the public and there is an opportunity at the start of each meeting for members of the public to speak.

Clinical Team

As many of you will already be aware, Dr Morrison left the practice in December to return to Scotland. Unfortunately, the GP we had expected to replace Dr Morrison was unable to take up the position due to last minute personal reasons. We are continuing to advertise for a new GP to join the practice and hope that we will be able to announce a new arrival in due course. In the meantime, our current GP team (supplemented by locum GPs where necessary) are available on the following days:

Mon: Drs Smith, Uszycka, and Jarosz
Tue: Drs Archer and Smith
Wed: Drs Smith, Richardson and Jarosz
Thur: Drs Uszycka and Jarosz
Fri: Drs Archer, Smith and Richardson

We have recently expanded our clinical team to include Jon, our Advanced Practitioner, whom many of you will have met by now. In the coming weeks one of our nursing team, Carrie Corney, will start to provide a minor illness service to our patients to further widen the range of practitioners able to deal with your immediate minor health concerns.

In order to ensure our patients are given an appointment with the most appropriate clinician we recently introduced a change to our booking process, whereby our reception team ask for some brief information about the medical problem. We would like to thank our patients for understanding the need to introduce this, and for embracing the change, which allows us to ensure we can continue to provide a high level of care to all of our patients.

NHS Services
MAKING THE RIGHT CHOICE

Choosing which service is right for you at a given time may not always be easy; often you have more than one option. Use the checklist below to guide you if you're not sure where to start:

Call NHS 111 if you urgently need medical help or advice but it's not a life-threatening situation. You can also call NHS 111 if you're not sure which NHS service you need.

Call 999 if someone is seriously ill or injured and their life is at risk.

Visit a walk-in centre, minor injuries unit or urgent care centre if you have a minor illness or injury (cuts, sprains or rashes) and it can't wait until your GP surgery is open.

Ask your local pharmacist for advice - your pharmacist can give you advice for many common minor illnesses, such as diarrhoea, minor infections, headache, travel advice or sore throats.
Make an appointment with your GP if you are feeling unwell and it is not an emergency.

**Flu Vaccinations**

We still have a few flu vaccinations available to patients falling within the following at-risk categories who are entitled to the vaccination:

- Aged 65 or above
- Chronic respiratory disease, such as severe asthma, COPD or bronchitis
- Chronic heart disease
- Chronic renal disease at stage 3, 4 or 5
- Chronic liver disease
- Chronic neurological disease
- Diabetes
- Patients who are immunosuppressed
- Patients who have a splenic dysfunction
- Patients who are at any stage of pregnancy
- Patients living in long-stay residential care homes
- If you receive a carer's allowance, or if you are the main carer for an elderly or disabled person whose welfare would be at risk if you were taken ill.

If you've still not had yours yet please call our Reception Team on 01487 830340 to make an appointment with one of our Practice Nurses,

*Best regards,
Mrs Claire Wright, Practice Manager*

Excavations at Must Farm

A talk by Dr Mark Knight, Archaeologist of the Year, 2017

Friday 16th March at 7:30pm
Queen Victoria Hall, Oundle PE8 4EJ

These archaeologically important excavations near Whittlesey have revealed a deeply buried Bronze Age settlement, that had been destroyed by fire and collapsed into a river channel, resulting in an extraordinary level of preservation.

Nearby, archaeologists had previously found eight well-preserved log boats, some of which were virtually intact. They have been dated to around 1500 BC.

Admission £10
Includes glass of wine

Tickets available from Olive Main (241206), or you can pay at the door.

Your Community Needs You!
If you own a car, enjoy driving and helping people and have a few hours to spare a week then maybe you would consider becoming a volunteer driver for the North Hunts Community Car Scheme?

We would love you to join us, so call Dianne or Jennie on 07795 542084 to find out more.
Did you do the RSPB’s Big Garden Birdwatch count at the end of January? If so, you would be very aware that the garden birds have to work hard this time of year to find food and water; many are building their nests as well.

Go to the garden centre - or even the Pound Shop - and be surprised at the price of good bird food, but it is possible to make your own. This recipe comes with the approval of Gardener's World.

Melt some lard or suet, add twice as much dry mix from wild bird seed, currants, sultanas, oats, bread or cake crumbs, peanuts (but NOT salted) and grated cheese. After a good mix it should stick together. Form it into balls and allow to set. Place in a fat ball feeder or put out in the garden.

Don't forget to fill a shallow bowl with water and keep it topped up.

LET’S TRY SOMETHING DIFFERENT!

The Christian calendar observes the season of Lent from Ash Wednesday (February 14th this year) to Easter Sunday (April 1st).

Traditionally it was a season of fasting to remember Jesus's sacrifice. Many different ways grew up of giving up particular foods or habits, or eating sparingly. Some people keep Fridays meatless, others give up a particular habit such as chocolate.

We still eat pancakes just before Lent starts and hot cross buns at the end, but instead of pancakes this year, why not try…

Pretzels

Although we tend to think of pretzels as American delicacies, these special breads originated as Lenten food in the Middle Ages for much the same reason as pancakes did. Fat, eggs and milk were forbidden during Lent, so this special dough of flour, salt and water was useful.

It is only recently that they have become available all year round. Today, there are literally hundreds of recipes on the internet; many different doughs, flavourings and shapes, and many sources of ready-made pretzels, frozen and fresh.

Sainsburys and Tesco have 15 different kinds; Morrisons not so many. Waitrose sells a pretzel roll with salt beef. You get the picture: why make your own? But if you do want to have a go, just Google for 'pretzel' to find hundreds of recipes.
