STREET LIGHTING PROJECT

Two representatives of Balfour Beatty attended the meeting. Members of the Parish Council have made site visits and spent time closely examining the plans to all the streets in the village. As a result, a few specific concerns have been sent to Balfour Beatty and a further meeting requested.

The contract means that 10% of present lights have to be removed but the first and last lights on a long road will be left, as will lights outside a school and around any complex of housing for the elderly. We know now that there will be some disruption and mess, but every effort is made to keep it to a minimum. Each house will be contacted by letter.

Still to be sorted out - the millennium lights in the village centre have yet to be structurally tested. As they are relatively new it is hoped they can be renovated and the lamps upgraded. However, even if they are currently in good shape they must be reported sound for the 25 years of the contract.

Nothing will be done without full consultations with Stilton Parish Council.

ANTI-SOCIAL BEHAVIOUR

The police are aware of the damage caused to the surface of the playing field by horse riders. There has also been illegal riding of mini-motorbikes round the edge of the field and in the area of the bridleway, fishing lake etc.

ENCROACHMENT ONTO PUBLICLY OWNED VERGES

In recent years the Parish Council has reported to both the County and the District Council that residents are fencing off areas of grass verge that are adjacent to their properties but do not belong to them. Also, car parking and damage to the green areas is more common. Neither council reacts very quickly to our reports, and changes in the law make it difficult to check the encroachment, but the Parish Council will continue to press for action.

PARISH WALK

On Sunday March 23 (weather permitting) the Parish Council will walk round the village to list needed repairs which will be posted to the relevant authorities.

DOGGIE BAGS

Please remember that these are available free of charge from Stilton Parish Office on the Wednesday following the Parish Council meeting from 10am to noon (In April - Wednesday 9th April). Otherwise contact the Parish Clerk, Mrs Croll, on 241042.

The Disappearing Bus
CAMBRIDGESHIRE FUTURE TRANSPORT PROJECT

Over the last 20 years or so bus services to and from Stilton have gradually declined. At one time it was possible to go all the way to Cambridge and back without changing in Huntingdon. Then evening services virtually disappeared, followed by Sunday and Bank Holiday services (remember the annual excitement of getting the bus through the Cheese Rolling crowds!) The final blow came in 2013 when our No. 46 service was truncated so that it was no longer possible to go South, except on the school service.

The times of the unacceptable alternative 'B' bus did not integrate, meaning a long wait at Norman Cross. As a temporary measure the County Council subsidise the 46A service to Huntingdon, but this is not entirely satisfactory, and it is underused.

The County Council faced reducing funding for transport and is conducting a consultation and fact-finding programme. Stilton Parish Council is represented on the project group. In January, residents were invited to a 'drop-in' session and a questionnaire was distributed through SCAN. 38 were returned, the highest number from any village in the Huntingdonshire area.

OUR SURVEY SAID...
18 respondents used the 46A; Huntingdon was the most desired destination.
- A bigger bus is needed as the minibus is often full on its return.
- The minibuses used are not designed to take buggies or mobility aids.
- The timetable should allow a longer time in Huntingdon.
- Sawtry should be more accessible during the day, for visits to the doctor, dentist etc.
- Need for occasional services via Folksworth.
- The B bus should pick up and put down in Stilton. This would end the need for the 46A to service Stilton and so save money.
- The timings mean people cannot use bus passes for the early bus.

Stilton Parish Council will continue to press hard on changing the B bus route, especially as the net cost of running the 46A service in 2012/13 was £33,600 and the cost per passenger was £3.91. The cost to bus subsidies across the County was over £1,683,000, at a cost per passenger of £2.73.

Desperately Seeking...

Elaine Haddelsey writes to seek help in researching her 3rd-great-grandmother, Elizabeth Cockerel, born in Stilton about 1778. Sadly, that's all the information Ms Haddelsey has at present, so if anybody can help her trace any records about her ancestor or any other relatives, please contact the Editor or respond using the contact form on www.stilton.org and we will pass the information on.

Do You Know Where Your Kids Are Hanging Out?

The bin storage area at the top of Stackyard Close is turning into a youths hideout. As you can imagine, it’s not the nicest experience for residents placing their bins in the storage area for collection being faced with a gang, usually lads. Wheelie bins are frequently damaged, not to mention the rubbish, cigarette ends, etc left in the area. Some residents have now even started having to clear the mess up! Is a bin store really the best place your kids can find to hang out?

Poo Corner - 2

A resident of Stackyard Close also writes to agree with the article in the March issue regarding dog fouling. Walking up Church Street to do the school run is unbelievable. This is not the pleasant walk it should be, dodging poo with your little ones! Why do people own dogs if they are not prepared to be responsible?

Cabbage Patch Corner
TIPS FROM STILTON GARDENING CLUB

WHAT TO DO WITH SPENT MULTI-PURPOSE COMPOST
The easiest thing is to spread it on the borders as a mulch, but it can also be reused. It is useful to fill the base of pots, and then fill up with new compost. It can be used to grow salad crops and carrot because they don't need much feed. (Don't plant the same crop two years running).

The latest edition of the Organic Way, the magazine of Garden Organic, suggests putting a layer about one foot deep in a plastic bag (the original package perhaps) adding a layer of fruit and vegetable waste and a handful of compost activator. Continue layering until the bag is full. Close the top and leave for six months, after which it will be ready to use as if new.

We are loving this Spring weather (at the time of writing, anyway!) The sunshine has inspired water play, outdoor play, creating chicks and frogs out of junk, and marble painting.

We are looking forward to planting beans inside old CD cases to watch them grow. We are going to learn all about the parts of a plant and will be able to see each bit so clearly, as shown below.

In late February, we had some special visitors - Zoolab. They brought with them some very interesting guests, including Brian the Giant Snail, Colin the Cornsnake, Pickles the Hedgehog and Princess Katie the Rat. We were very brave and meeting the animals was brilliant; plus, we then tried to move around like each of the animals. Slithering like a snake, crawling like a hedgehog - great fun!

An outbreak of chickenpox hit us recently but we are all recovering. It was great to hear parents sharing advice and suggestions for how to cope with the notoriously horrid virus - we were all in it together! It’s great when people form a network!

We are really excited to be having a visit from a dentist in early April. We will be hearing about how to look after our teeth and how to clean them properly. Maybe we can put this into practice in time for our Pre-School photo in May! Sparkling smiles all round!
Children across the school have recently taken part in a Maths Investigation Day, with each class solving a range of maths problems and puzzles. Children in Otter Class measured out quantities of different ingredients to make their own potions. In the afternoon, we invited grown-ups into school to play maths games.

We have also recently had 'Being a Detective Week' in school. Children in Badger Class became detectives in order to identify who had stolen some mini-eggs from the classroom. The children used fingerprints and footprints to eliminate suspects.

Hedgehog Class made their own pinhole cameras to investigate light. Our Key Stage 2 classes were visited by two Police Community Support Officers, who shared their detective skills and answered the children's questions. Children in Key Stage 1 investigated using different quantities of ingredients to find the tastiest pancakes!

Children in Owl Class discovered footprints in their classroom and used their detective skills to find out who it could be. The large footprints suggested it could have been a giant and the children made Wanted posters to find the culprit. Robin class also had an intruder in their classroom - the evidence was a broken chair and an empty porridge bowl. The children used this evidence to decide that it must have been Goldilocks!

The children had a wonderful week and have been applying their investigating and detective skills to the rest of their learning.
Did You Do Anything to Mark Lent?
A MESSAGE FROM THE MINISTRY

In western churches Lent begins on Ash Wednesday and marks the start of the 40 days that Jesus spent fasting in the wilderness.

Here's a thought-provoking story:

**FOUR WORMS AND A LESSON**

A minister decided that a visual demonstration would add emphasis to his Sunday sermon. Four worms were placed into four separate jars.

The first worm was put into alcohol. The second worm was put into a container of cigarette smoke. The third worm into chocolate syrup and the last worm into good clean soil.

At the conclusion of the sermon, the Minister reported the following results:

The first worm in alcohol - Dead.

The second worm in cigarette smoke - Dead

Third worm in chocolate syrup - Dead

Fourth worm in good clean soil - Alive.

The Minister asked the congregation - What can you learn from this demonstration?

Maxine, sitting at the back, quickly raised her hand and said, ‘As long as you drink, smoke and eat chocolate, you won't have worms!’

So what was our focus for Lent? Was our main consideration what to 'give up' for our health or waistline? Noble ends in themselves. However, the main purpose of Lent is to sacrificially give time to consider our relationship with God, the Father and to think about and mirror the prayer, penance, fasting and self-denial of Jesus Christ, God's Son during the Lent period.

During Lent we may have attended church, read the bible or set time aside to pray and focus on the sacrifice that Jesus Christ made on Good Friday when He gave up His life for us by dying on the cross. Lent also provides us with an opportunity to come before God afresh, to seek His forgiveness for the things that are wrong in our lives.

The end of Lent is Easter Sunday; Christians meet together to celebrate the day when Jesus was raised from the dead. Jesus’ resurrection meant that he had conquered death, opening the door to eternal life. We too can rejoice, that we can live, in the hope of eternal resurrection. This is the good news of Easter.

Like the worm alive in the good soil, or the seed planted in the good soil, we can be alive and grow in our relationship with God the Father through His Son. By allowing ourselves to be alive to His Holy Spirit we can grow in our Christian faith and bear fruit.

Matthew 13: 23 ‘for what was sown on good soil, this is the one who hears the word and understands it, who indeed bears fruit and yields.’

For services being held in the group during Easter week, please look at Link or visit the church website, www.stiltonchurches.com

We wish you all a reflective, blessed Easter.

Lock Up Your Sheds!
DON’T BE A VICTIM OF CRIME

Police are again seeing burglaries across Huntingdonshire being committed by offenders gaining entry via an insecure door or window, writes Dave Griffin, Crime Reduction Officer. Please check and lock all doors and windows, even when you are at home. Here are a few things to consider to reduce the chance of becoming a victim:

- Fit 5 lever mortise locks on external doors
- Deadlock front and rear uPVC doors by raising the handle before locking
- Fit and use secure locks on windows
- Make your property look occupied at all times - use timers on lamps
- Consider installing an alarm
- Consider fitting external security lighting - PIR or dusk to dawn
- When leaving the property remove keys from locks and place them out of sight

Please ensure that keys are accessible while you are at home to ensure you can leave the property safely in an emergency.

Do not leave keys - particularly car keys - where they can be seen from the outside; burglars often target car keys.

Apologies for repeating this message but it is clear that some people are still leaving their houses insecure. Please pass this information to your family, friends and neighbours who may not read SCAN.

Youth Voice

Police in Huntingdonshire are looking for young people aged between 16 and 20 to form a voluntary Youth Advisory Group (YAG). Officers are looking for young people who are keen, committed and who have an interest in making a positive contribution to their community.

Keep this somewhere handy!
The group will meet in Huntingdon every other month to provide an opportunity for young people from various communities to come together to speak directly with police officers and to raise the profile of young people within the community. Group members will be expected to contribute their time, energy and commitment to the scheme and share their personal knowledge, awareness and experience of community issues with the group. They will also be expected to provide advice to officers to help monitor and improve the quality of policing they deliver and to help them understand the issues affecting young people.

PCSO Clare Darbyshire, YAG Leader, said: ‘We currently have three people aged between 17 and 21 on the committee but are looking to expand on this to enable us to improve what we do and reach a greater part of the community. ‘It is important to us that we increase confidence in the police among young people because their voice is often unheard. This will give them the opportunity to speak directly to police officers and partner agencies and express their views, challenge the views of other people in a constructive way and engage with members of the community. It will also allow them to raise the profile of young people.

‘We provide training to group members to help them understand how policing works so that they can contribute to the policing debate. We also train them on committee skills such as minute taking and how to chair meetings.’

For more information about the group please contact PCSO Darbyshire via email at clare.darbyshire@cambs.pnn.police.uk

Stilton & District Twinning Association

Group Visit to St Christol

27 - 31 May 2014

The St Christol Twinning Association has kindly invited a group of up to 25 from Stilton and District to visit St Christol. The group will be a mix of adults and young people.

Whilst there we will enjoy a great programme. The main feature will be to experience the Alès Fèria, an annual fête and festival unique to this area of France. You will be wonderfully hosted including, of course, excellent wine and food.

If you are interested contact, asap, Chris and Linda on 241376 or email: clstilton@btinternet.com

St Christol les Alès is in the department of Gard on the edge of the beautiful hills of the Cevennes. It is situated 30 km NE of the Roman town of Nîmes and 4km from Alès, the capital of the Cevennes region.

FRIENDS OF NORMAN CROSS

The Friends exist to ‘promote interest in all things connected to the history of Norman Cross’ and its settings, particularly the Prisoner of War depot that held prisoners from the French and Napoleonic Wars between 1797 and 1814. This was the first ever purpose-built camp and is of international importance; so much so that Time Team carried out an excavation here.

The camp was closed two hundred years ago this year. Its centenary was marked in 1914 by the erection of the eagle monument in memory of the prisoners who had died in captivity. FONC is to commemorate these two anniversaries on 27th July. Full details will be in SCAN.

If you would like to join FONC please go to their website to find the application form or send your details, with a cheque for £10 payable to Friends of Norman Cross, to Norma Nichols, 91 Barnstock Bretton Peterborough PE3 8EJ.

Accessing Adult Social Care

Social care is provided to people who have been assessed as having substantial or critical support needs with personal care, getting meals, managing medication and staying safe.

Social care is personal and practical support to help people live their lives by supporting them to maintain their independence and dignity and ensuring they have choice and control over the support they receive. Many people don't think about social care until they or someone they know need support, and then find they are unsure about where to find information or how to access the services they need.

Adult social care customer services are the initial point of contact for all social care enquiries. The trained staff know about the services available and can offer advice on who else may be able to help. Call them on 0345 045 5202. You can also find out more about adult social care in Cambridgeshire on the website below.

If you think you may need help with mental health issues you should contact your GP in the first instance.

Since Christmas 2013, focus has moved from consultation with sports activity providers to investigating youth activities. Meetings with the leaders of the Guides and the Cubs have confirmed interest in developing a scout troop in Stilton again. Whilst a few boys go on to Scouts at Yaxley, most are lost to Scouting after Cubs. The new pavilion could help a new Scout Troop be formed.

We have also spoken to the leaders at the Junction and have run a consultation exercise with 14 youngsters from the village. Seven of them were 11 or 12 years old and the others were from the 13-16 age group. Whilst the numbers were small, we were able to discuss various issues in depth and get personal insight from the questionnaire each completed. Conclusions from the exercise have given the SASG plenty to think about. The main findings are as follows:

12 out of the 14 young people currently go to the village playing field regularly. Attractions include using the skate park, playing or watching football, meeting friends, walking the dog or getting some 'space'. If provision is made in the pavilion, they felt that their parents would prefer to know where they are rather than them 'being out somewhere in the village' as it is now.

Nine out of the 14 travel to the site by walking, bike or scooter. Five go, or would go, by car because of distance, etc. From discussion it was clear that safety considerations would affect travel. It's currently very dark getting up there at night and this is a barrier.

The young people mainly asked for provision of facilities that would enable them to 'chill out' with friends. These included comfortable furniture, music, tv & games console, pool table, etc. Whilst their priority was provision of informal activities, formal activities like sports, arts & crafts and cooking were also requested.

Nearly 60% asked for mixed sessions. Additionally, half rejected the idea of girls-only sessions. However, girls asked for areas in sessions that could be for 'girls only'. It was clear that the older age group wanted session to be split by age; up to 12 years old and 13 to 16 years old.

The young people seemed unaware of how many of the village's youth would want to access sessions at the pavilion. However, the youth worker indicated that anecdotal evidence from other places indicates that between 25 to 35 young people might want to attend any given session.

There will be other users of the pavilion using the main hall at the same time that youth provision might be in session. Discussion on this point was objective, clarifying that the young people perceive plenty of potential for conflict. Issues included 'their' space being too small; noise from one session encroaching on the other, smoking and use of bad language by young people. There were some solutions offered. However this aspect of the proposal will need careful consideration.

60% of the respondents indicated they would want to use facilities in the pavilion more than twice a week. Additionally, weekend access was requested; when they have more time to deal with schoolwork and because they might want to get out of the house for a while.
Easter Treats
A SEASONAL TAKE ON BREAD & BUTTER PUDDING

April is associated with spring and the rapid growth of trees and plants. This year Easter occurs in April. This festival has many food traditions associated with it; often bread based, such as British hot cross buns, Italian Colomba di Pasque (very like panettone), Greek Tsoureki (a brioche type of bread), but also the German tradition of eating green-coloured foods on Maundy Thursday.

Of course, Easter is also the season for giving eggs, nowadays usually chocolate, but traditionally dyed and painted chicken eggs. It is easy to colour eggs; boil them with onion skins for a brown colour, beetroot for pink.

Hard boiled eggs can be coloured with food colouring, so why not try a colourful egg salad?

NICE BUNS!
Use four hot cross buns, (one per person) halved and spread with butter. If liked, also spread with marmalade or jam. Cover with custard made with 300ml milk, 250ml double cream, 3 eggs and 4 tablespoons sugar.

Leave to soak for 30 minutes then bake for 30-45 minutes until brown at gas mark 3 or 160°C.

The facility needs to be maintained and such a provision would have to be run by a professional youth worker. Most youngsters felt that £1 - £1.50 per hour would be a reasonable charge per head; some would pay more. It was felt that affordability would be an issue to a minority of people.

Project Fund Donation
A very generous cheque for £800 has been presented to the project fund by Tiere Nickolay; this was raised at the Mike Nickolay Memorial dance arranged by the Bell.

This addition to the fund was welcome, but it was also a sad reminder of the loss of Mike who worked hard over many years to improve the sporting facilities in the village and would undoubtedly have been involved in the present project. Our thanks go to his family for their support.

Outside The Talbot
Route M24
In previous years the run retraced the original route, which was mainly along the quiet country lanes, taken to deliver cheeses from Quenby Hall at Hungarton in Leicestershire, where it is was produced, to the Bell Inn at Stilton in Cambridgshire from where it gets its name.

The original route of 39 miles, 300 years ago, was by horse drawn carriage stopping off to make deliveries of cheeses at the various villages and towns along the route including Uppingham, Seaton, Harrington and Bulwick (where they changed horses at New Lodge Farm) and then onto Southwick, Oundle, Polebrook and Lutton before arriving at Stilton. This was one of the longest commercial carriage rides until the new fangled internal combustion engined vans and lorries took over as the main mode of commercial road transport.

The Run:

- Arrive at The Falcon Inn at Uppingham to book in and receive your certificate between 09:30am and 11:30am. East Street and the Market Square will be closed off to allow parking for the classic vehicles. Toilets, refreshments and other activities will be taking place during the morning throughout the town.
- Leave and follow the suggested route in your own time and pace. You can, if you wish, take your own route the choice is yours.
- Admire the magnificent views of the Seaton/Harringworth Railway Viaduct from the Welland Valley
- Call in for a snack, or have a picnic, and relax at New Lodge Farm Shop in Bulwick where Simon and Sarah will be laying on a Hog Roast, refreshments and fresh farm produce, as well as cheese tasting and sales
- Continue along the rest of the route and enjoy the remaining towns, villages, places of historic interest and the scenery
- Arrive at The Bell in Stilton (PE7 3RA) by 5:30pm
- Enjoy the refreshments supplied or meals that are available throughout the day at the Bell Inn. Stilton Cheese will also be on sale here.
- Please drive carefully, respect other road users and villagers and do not "bunch up".
- Obey the speed limits
- Last but not least, have a good day, enjoy the run, the company and the nostalgia

Open to all classic cars, commercial vehicles, motorcycles and kit cars, however in order to avoid congestion we may have to limit the number of vehicles to 350 so entry will be on a "first come first served" basis. All entries must be received by the end of March 2014.

£2.00 per car and £2.50 per adult

Proceeds to the Air Ambulance Services covering Leicestershire, Rutland, Northamptonshire, Warwickshire and Cambridgshire. (Reg. charities 1098874 and 1083876)

Please support the largest community project for the village in a generation.
Business owners can take advantage of free workshops to help their company get to grips with fire safety and legislation.

Cambridgeshire Fire and Rescue Service’s Fire Protection team is running free sessions in Cambridge and Peterborough. The workshops take place on the second Tuesday of every month at Parkside Place Community Fire and Rescue Station, in Cambridge, and on the third Tuesday of the month at Dogsthorpe Fire Station, in Peterborough.

The general workshop aims to give a brief explanation of the Fire Safety Order and the requirements of a fire risk assessment. It lasts about four hours and is free of charge.

To attend a workshop, or for more information, call CFRS Fire Protection team on (01733) 353206 to reserve a place.

Make sure fire safety still stays at the forefront of your mind in April – and don’t forget to test your smoke alarm.

NHS Prescription Charges

From 1 April 2014, NHS prescription charge in England will increase by 20 pence from £7.85 to £8.05 for each quantity of a drug or appliance.

You could save money on your prescription charges!

If you know you'll have to pay for a lot of NHS prescriptions it may be cheaper to buy a Prescription Prepayment Certificate (PPC) - effectively a ‘prescription season ticket’. A PPC covers you for all of your own NHS prescriptions, including dental prescriptions, no matter how many items you need. However, this does not include other health costs, for example the provision of wigs and fabric supports, which are only provided through the hospital service.

There are two PPC options to choose from:

1. A three-month PPC costs £29.10 and will save you money if you need four or more items in the three months

2. A 12-month PPC costs £104.00 and will save you money if you need more than 14 items in a year

HOW TO APPLY FOR A PPC

Please check if you are entitled to free prescriptions before you apply for a PPC. You can get free NHS prescriptions if, at the time the prescription is dispensed, you:

- are under 16, or 60 or over
- are 16-18 and in full-time education
- are pregnant or have had a baby in the previous 12 months and have a valid Maternity Exemption Certificate (MatEx)
- have a specified medical condition and have a valid Medical Exemption Certificate (MedEx)
- have a continuing physical disability that prevents you from going out without help from another person and have a valid MedEx
- hold a valid war pension exemption certificate and the prescription is for your accepted disability
- are an NHS in-patient

It's quickest to buy your PPC online at https://apps.nhsbsa.nhs.uk/ppcwebsales or you can call the PPC order line on 0300 330 1341. Alternatively, you can pick up a PPC application form (FP95) from the surgery.

NHS LOW INCOME SCHEME

If you have a low income, you may be able to get help with NHS costs through the NHS Low Income Scheme. The scheme covers:

- prescription costs
- dental costs
- eye care costs
- healthcare travel costs
- wigs and fabric supports

You can apply for the scheme as long as your savings, investments or property (not counting the place where you live) don't exceed a certain limit. Any help you're entitled to is also available to your partner and any dependent young people. To find out if the NHS Low Income Scheme can help you, fill in an HC1 form. These are available from the surgery.
Chlamydia Screening FOR PEOPLE UNDER 25

Chlamydia is the most common sexually transmitted infection in the UK. It affects both men and women, but young women are more at risk. If you've had sex and not used a condom, you are at risk of having Chlamydia. If you are under 25 and sexually active, you could have a 1 in 5 chance of having Chlamydia.

Untreated Chlamydia in women can cause pelvic infection which can lead to infertility (inability to get pregnant) in later life. It also increases the risk of having an ectopic pregnancy (outside the womb) which can be life threatening. In men, untreated Chlamydia can cause testicular pain and infertility.

If you have Chlamydia, you may have no symptoms. You may be at risk of developing long term problems and you will pass the infection on to sexual partners. Chlamydia can be treated with a course of antibiotics.

We are offering self-taken Chlamydia screening tests for under 25 year olds as part of the national screening programme; this involves a swab for women, a urine sample for men. If you would like more information or a kit please talk to one of the nurses. If you are over 25 years and have any concerns please talk to a nurse or GP.

NHS 111 Service

NHS 111 - a new medical telephone service - is now available in Cambridgeshire and Peterborough.

NHS 111 has been introduced to help make it easier for residents to access local health services, advice and information. People living in Cambridgeshire and Peterborough can now call 111 when in need of medical help fast, but it isn't a 999 emergency. 111 is available 24 hours a day, 7 days a week, 365 days a year; calls from land lines and mobile phones are free. You can pick up a leaflet in surgery which will give you further details

Diary Dates

Easter Holidays

The surgery will be closed on Good Friday, 18th April and Easter Monday 21st April. We will be open Saturday morning 19th April.

Please ensure you have sufficient medication for that period. Orders for necessary repeat prescriptions should be made as early as possible in advance.

Carer Support Group Meeting

The next meeting of the Carer Support Group will be on Wednesday 2nd April between 2pm - 4pm in the Health Education Room.

Peter Wetherell from Disability Cambridgeshire will attend this meeting

We are always keen to welcome any carer to our small but friendly group. For more information please speak to Linda in the Patients’ Library. All carers are welcome to attend.

Patients' Association AGM

7pm Monday 28th April

Refreshments will be served from 6:30pm in the Health Education Room.

Our speaker will be Amy Kennedy

Topic: Dementia Friends

All Welcome
NHS 111 Service

NHS 111 - a new medical telephone service - is now available in Cambridgeshire and Peterborough.

NHS 111 has been introduced to help make it easier for residents to access local health services, advice and information. People living in Cambridgeshire and Peterborough can now call 111 when in need of medical help fast, but it isn't a 999 emergency. 111 is available 24 hours a day, 7 days a week, 365 days a year and calls from land lines and mobile phones are free.

WHEN TO USE IT

You should use the NHS 111 service if you urgently need medical help or advice but it's not a life-threatening situation.

You should call 111 if:
- it's not a 999 emergency
- they think they need to go to A&E or another NHS urgent care service;
- they don't think they can wait for an appointment with their GP; or
- they don't know who to call for medical help.

For immediate, life-threatening emergencies, people should continue to call 999.

If a health professional has given you a specific phone number to call when you are concerned about your condition, continue to use that number.

HOW DOES IT WORK?

111 will connect the caller to a team located in Peterborough of fully trained call advisers, who are supported by experienced nurses and paramedics. They will ask the caller questions to assess the symptoms, and give them the healthcare advice they need or direct the most appropriate and available local service.

Where possible, the NHS 111 team will book you an appointment or transfer you directly to the people you need to speak to. If NHS 111 advisers think you need an ambulance they will arrange for one to be sent to you.

You should continue to call your GP for non-urgent medical advice.

The 111 service is being provided by Herts Urgent Care, an organisation that has a proven track record in providing the 111 service elsewhere. Calls to 111 are recorded. All calls and the records created are maintained securely, and will only be shared with others directly involved with your care.

Continuity of Care

Where possible, it is always helpful if you can see the same doctor for the same problem. We realise that this will not always be possible, but if you are returning to be seen about a previous issue please let our reception team know when you are booking your appointment. Where possible, we will always book you an appointment to see the same GP.
Online Appointment Booking

We understand that it can be frustrating for patients when trying to call the surgery between 8-8:30am to book an appointment due to the high volume of calls we receive during this period. If you haven't already, please consider registering to use our online booking system. At 8am each morning online users have access to exactly the same appointments for that day as our reception team. In addition, our online appointment system can also be used to pre-book routine appointments with our GPs up to four weeks in advance, and blood tests with Alla, our Healthcare Assistant. If you would like to register for online booking please contact our reception team.
