New Community Champion at Tesco Extra

Tesco supports a variety of local community projects. Their Community Champion Clair Sanderson visits neighbouring schools, groups and clubs to decide where the retailer’s charity budget can be used to support local causes. She is already thinking about which activities, competitions and prizes the supermarket can support in 2013.

Clair was Neighbourhood News Correspondent for the Evening Telegraph, and has held many fundraising events for local charities and groups. She is often found helping out at local school fetes, elderly coffee mornings and charity raffles.

For more information contact Clair Sanderson on mobile: 07885 285 423 or email: Peterborough@communityattesco.co.uk

Land off Gala Close

The area of land currently being offered for sale by auction does NOT belong to the Parish Council. Investigations are taking place to see if the Council has any claim to it due to past Planning Consents for the original development.

Shape Your Place

(northhuntingdonshire.shapeyourplace.org)

We no longer get written communications from County or District Councils so if you want to know what is going on you have to go online. Too bad if you don't have internet access. Currently there’s a move to call this area ‘Yaxley and local villages’. Quite what that means in geographic terms isn't too clear; practically we all know it would soon be abbreviated to ‘Yaxley’. Perhaps you don't mind, but if you do then please log on and say so. SCAN will try to keep you up to date on issues that affect Stilton, but if you see anything you think we have missed please tell us!

Stilton Memorial Hall

Charges from Sept 1st 2010

- Hourly charge £6 / hour (minimum 2 hours)
- Child’s party £35
- Adult party £60
- Commercial £12 / hour

To book the Hall, please contact the Booking Secretary:
Jade Smith  15 Woodward Close  (01733) 243691

If leaving a message, please provide a LANDLINE PHONE NUMBER and you will be contacted promptly.
(It’s very expensive having to reply to lots of mobiles!)
Parish Council News
FROM THE NOVEMBER MEETING

VACANCY ON THE PARISH COUNCIL
A change of staff at Huntingdonshire District Council delayed the process. Permission has now been given that allows the Parish Council to fill the vacancy. In view of the length of time since this was first advertised it was decided to re-advertise. Anyone who has already applied will be notified; anyone else who would like to be considered should write to the Council (the Clerk 10 Caldecote Road) giving details of their involvement in village life and stating what they would hope to contribute to the work of Stilton Parish Council.

LAND IN GALA CLOSE
Gala Close was built by Jelsons in the early 1970s as part of a larger scheme of 120 houses. The planning consent included a number of amenity areas that it was expected would be given to a local council. This was a time of chaos in local government, which was being re-organised. In our case Norman Cross Urban District Council would have given the planning permission, but Hunts District Council would have taken over in 1974. This has made it difficult to trace the original documents but, over the years, Stilton Parish Council has unsuccessfully tried to persuade Jelsons to hand over the piece of land off Gala Close designated as an amenity/play area.

On many occasions the area has been cleaned up at the expense of the Parish Council; Jelsons have never acknowledged any responsibility for its upkeep. The auctioneer has been told of the claim of Stilton Parish Council and Huntingdonshire District Council are now involved.

AMENITIES GROUP
Funding sources are being investigated, but most 'Community' grants are not available to us because we are not considered 'deprived'. Consequently we have to look for sports funding.

SPECIAL RUBBISH COLLECTION
This will be evaluated after the collection 16-18 November.

STILTON CEMETERY
Extensive ground works will be completed this month. After that, using a geophysical survey, a plan of potential grave plots will be drawn up.

Stilton Community Association

FIREWORKS CANCELLATION
This display, planned for November 4th was cancelled at the eleventh hour because the insurers of the fireworks company withdrew their cover. In 2011 a serious accident on the M5 was blamed on smoke from a Guy Fawkes event drifting onto the motorway. This case is still going through the courts so any display near a motorway had to be cancelled. We knew that the display this year would be outstanding, and we are hoping to put on an event some other time.

SCAN DISTRIBUTION
Apologies to readers in the Norman Drive area where distribution has been disrupted recently. We hope from now on it will be back to normal.
Both adult teams have made positive starts to the season. The 1st team are currently mid-table in the PDFL Premier Division after making the step up following promotion last season.

The village lads are also looking to retain the Hunts Scott Gatty Cup. A tough fixture against local rivals Sawtry awaits in the quarter final after a narrow 1-0 win over St Ives Rangers in the previous round. Matches against Sawtry are always hard-fought encounters, but there is added spice this time around after Sawtry persuaded long-serving Stilton legend Nick 'Figo' Lee to join the Division One title chasers. A club representative commented, 'Stilton United owe a massive debt of gratitude to Nick after 14 years of loyal service. He is still a great mate but it will be sweet if we can knock him out of the cup he helped us to win last season'. The game will take place on Saturday 1st December at 1:30pm at Greenfields Sawtry.

The reserve team are now making steady progress under new management. After a shaky start the local lads are showing some form, notably dishing out a 5-2 thrashing to Parkway in their last fixture.

The club are always on the lookout for new players, so if you want to get involved please contact Tom Douse - 07545 864844 or Garry Beaver - 07445 313604.

The Stilton Amenities Steering Group held an open meeting for all village residents on 7th November in the School Hall. The purpose of the meeting was to inform everyone on progress so far and to receive comments on the plans for the new village hall and pavilion, and the upgrade of the field playing surface.

The event began at the close of school with a display of the plans at the school gate and a representative of the group there to answer questions. These plans were then on display in the school hall followed by a presentation by Mark Angus, Chair of the Steering Group.

Mark covered activities to date, including:

- ongoing consultations with all village organizations,
- analysis of group needs,
- engaging an architect and specialist consultants,
- developing the building design,
- arranging advice on the upgrading of the field playing surface,
- commencing fund raising,
- completing the business plan.

COSTS AND FUNDING

The project is estimated to cost £600k. The Parish Council are proposing a loan of £300k over 25 years. The loan would be match-funded by grants such as the Lottery, Sports England, and other sources. For example, the loan would mean an increase in the parish precept from 2013 of about £18 per year (35p/week) for a Band D Property.

NEXT STEPS

There is a huge amount of work to be done, including planning permission, applications for funding grants, engaging village groups in local fundraising, developing a fully costed proposal, issuing competitive tenders. It is intended that construction will start in the autumn of 2013.

QUESTIONS AND COMMENTS

The proposals were welcomed by those attending the consultation, including four young people, and the group were thanked for their efforts. The plans for the hall/pavilion have been published in SCAN and are posted on the village website.
**Village Trees**

In the light of the recent report in the Evening Telegraph regarding the tragic accident involving the trees owned by Yaxley Parish Council, Stilton Parish Council wishes to advise residents that all trees for which it is responsible are regularly inspected by qualified arboriculturists for the Council.

Should anyone have concerns relating to any tree please contact the Clerk, Mrs. Mary Croll, on 01733 241042 in the first instance. Not all trees are the responsibility of the Parish Council and some of these in private ownership may have a tree protection order on them requiring the District Council’s approval for any work undertaken.

**Flooding in Stilton**

The exceptional rainfall onto already saturated fields, drains blocked by leaves and silt, and an antiquated drainage system all came together on the afternoon of November 21, when the village saw some of the worst flooding for some years. Members of the Parish Council, David and Penny Hicks and residents with spades and brooms were able to prevent serious damage (with a little help from HDC.) To prevent a recurrence (or worse) the Parish Council is pressing all the relevant authorities to investigate what went wrong and to take appropriate measures.

**Merry Christmas from SCAN!**

Once again we wish all our readers and advertisers a happy Christmas holiday and a healthy and prosperous New Year.

---

**IT’S YOUR PROJECT - PLEASE HELP**

The Steering Group is made up of a small number of willing and hard-working volunteers and is very much in need of help and support from people with skills and experience in building planning, design and construction, and in fund raising. **CAN YOU HELP?** If so, please contact Mark Angus. Tel: 244006

---

**James Whaley**

Brenda Whaley would like to thank all her friends in the village for their cards and kind words on the death of her husband Jim, and for their support at the church on the day of the funeral.

The donations made in Jim’s memory at the church totalled £320, which has been divided between Yaxley Group Practice and Hospital at Home.

GOING BACK IN TIME
Children in Key Stage Two recently enjoyed a trip to Stibbington, as part of this term's topic 'Britain Since 1930'. They took the roles of evacuees, dressing as 1940s children and carrying gas masks. The children shared their rations, played games such as stilts and quoits; spent time in a wartime classroom and experienced an air raid.

LEARNING FROM THE BEST
During October, the children were treated to a visit from Harriet Lee, the bronze medal winner in the 100m breaststroke in the London 2012 Paralympic Games. She showed us her bronze medal and answered the children's questions.

FUN-RAISING FUND-RAISING
The whole school recently took part in raising money for Children in Need, with the children making a donation to come to school in non-uniform. We also ran our 'Pennies for Pudsey' event, which involved each class collecting pennies and using them to cover Pudsey and Blush.

Children in Hedgehog class organised lots of fund-raising activities at lunchtime for the rest of the school. This included a raffle, lucky dip, face painting, performing music, selling cakes that they had made earlier in the week, and a penalty shoot-out competition.

MERRY CHRISTMAS FROM DOWNUNDER
TO NANNY & GRANDAD HUNTER

WITH ALL THE LOVE IN THE WORLD
ISABELLA. xxxxx.
This Christmas, many of us are likely to be watching the pennies, so the opportunity to score some cheap booze may be very tempting. With this in mind, Trading Standards are warning readers about the pitfalls of buying alcohol from unusual sources such as car boot sales, strangers at the pub, workplace colleagues or people selling from the back of a vehicle.

There has recently been an increase in the amount of counterfeit alcohol found in the county. Counterfeit alcohol, like any other counterfeit product, tries to pass itself off as the genuine product. Often the counterfeit is very convincing and most consumers wouldn't notice any difference in the packaging.

As well as counterfeit brands of alcohol there are drinks designed to look like new and appealing brands. - either having too little or too much of certain required ingredients, or having ingredients that shouldn't be present at all! Often these ingredients can be harmful to health.

Counterfeit drinks should be avoided at all costs. Usually they do not meet legal standards of composition, with either much more or much less alcohol than stated on the label. But worse, they often contain seriously harmful chemicals, such as methanol, acetone or even chloroform, that are normally used in products such as household cleaners, antifreeze and screen wash.

Needless to say, these products can be dangerous if consumed. People have been known to be sick, suffer dizziness, breathing difficulties, kidney damage or blindness, or even die after consuming fake alcohol.

Nobody can tell what's in a bottle of fake drink and so the risks are unpredictable. The simple message is to not buy or consume any drink of questionable source.

So be sure to buy your Christmas drink from reputable suppliers such as supermarkets or off-licences. If you see any alcohol that you suspect to be counterfeit, please contact the Citizens Advice Consumer Service on 08454 040506. For business advice and support contact 0345 0455206.

Have a safe and enjoyable Christmas!

'O Come, O come, Emmanuel'

What makes Christianity special among religions is our belief that God came to earth as a person. At Christmas we celebrate the birth of Jesus, Emmanuel - God as man. But that isn't just something that happened long ago. God is with us now in our everyday lives. He is not far away; he is alongside us, if we look for him. Of course if we are too busy getting ready for the celebration of Christmas we will not notice him.

We all find our own ways of coming close to God: through individual prayer; through relationships with those around us; through reading the Bible; through joining groups for prayer and study. During Advent (the season of preparation for the coming of Jesus) and Christmas, Stilton Church has organised opportunities for everyone to join in our worship of God and to experience his love: these services are listed below. In addition your local church is open most days for spiritual sustenance. If you want to take in the stillness of the Church at any time when it is not open, phone Doug or me.

During December until January 6th we will again be collecting non-perishable food for the Peterborough Foodbank to be distributed to those families who are in crisis. Please leave your donations in the boxes in the Church or in the Nisa shop.

Motorists are being urged not to hand over cash to scammers, following several incidents across the county.

Offenders have been flagging down vehicles near petrol stations and supermarket car parks, claiming that they need money for fuel. They either offer jewellery to secure a quick loan or try to persuade the victim to hand over money. However, the jewellery offered is worthless fake and the scammers make off with the cash.

On Wednesday October 24, outside Tesco in Milton, Cambridge, an 84-year-old man handed over £20 to a man who claimed he needed the money for fuel. The following day a 67-year-old woman handed over £80 to a man claiming to have run out of petrol in Wisbech Road, Littleport. Both victims were given jewellery which turned out to be worthless. There have also been incidents reported in south Cambridgeshire.

Detective Constable Mark Beaven said: ‘We would urge people to be on their guard against this type of fraud and to never hand over cash in such circumstances. If you are approached by someone asking for money, report the matter to police on 101.’

Anyone with information about these particular crimes, or any others, should call police on 101 or Crimestoppers, anonymously, on 0800 555111.

Stay Secure

Now that long winter nights are with us again and we start to pile the Christmas presents around the tree, Cambs police remind readers of a few simple steps to help keep our homes and possessions more secure.

Installing good lighting not only makes you feel less vulnerable when returning home in the dark, it is also an excellent way to deter...
a would-be thief. Consider fitting exterior lights with either motion-activated (PIR) or ‘dawn-to-dusk’ sensors. These are light sensitive and switch on automatically when it gets dark. Inside the property, use inexpensive timer switches to control lighting or even a radio. These will give the impression that someone is at home and makes the house more welcoming when you return.

Always close your blinds or curtains at night to prevent people from looking into your home. If your children are home first from school, encourage them to close curtains and blinds before turning the lights on.

Keep windows and doors secure, even if you are at home. Most burglaries happen because someone has left a window or door open.

Lock side gates. Potential burglars are less likely to try and break in from the front where they can be seen.

Fit an alarm. Around 75% of attempted burglaries on homes fitted with alarms are unsuccessful.

Do not leave spare keys hidden outside for children; a burglar will always look for these first. (If you do need an emergency key, there are keypad operated key holders, but be sure to fit these correctly, and preferably somewhere inconspicuous.)

Mark your valuables. Expensive electrical equipment can be marked with your post code and house number; garden and shed equipment can be marked with a spare can of paint or even nail varnish.

Do not leave car or spare house keys near the front door, or anywhere easy to find. Burglars are adept at ferreting out keys left near a letterbox.

Ensure all gates, external doors (including cars) are locked and secure in the evening.

As always, be specially on the alert for suspicious behaviour in your area and report anything suspicious to the police on 101, or 999 if you believe there is a real and immediate threat to life or property.

According to Wikipedia, mince pies were popularised by Crusaders returning from the Middle East, with recipes that combined meat, fruit and spices. The mixture was baked as a large pie, with the pastry given to the servants. Gradually over the centuries mince pies became associated with Christmas, lost the meat, and became the small round pies we eat today.

**Authentic mince pies:**

- Contain three spices (cinnamon, cloves and nutmeg), symbolizing the gifts of the Three Kings;
- Have a star-shaped top to represent the Christmas star;
- Are eaten in silence;
- When eating the first mince pie of the season, you make a wish;
- Eat one a day for the 12 days of Christmas to ensure good luck next year.

**HOME MADE MINCEMEAT**

(makes 3lbs)

- 225gms Bramley apples, peeled, cored and grated
- 110gms shredded suet (or vegetarian suet)
- 175gms each raisins and soft brown sugar
- 110gms each sultanas, currants, candied peel
- grated zest and juice of one lemon and one orange
- 2 level teaspoons mixed spice

A pinch of cinnamon and grated nutmeg can also be added.

Mix together the ingredients in a large bowl, cover with a clean cloth and leave for 12 hours or overnight. Cover the bowl with foil and cook in a low oven (120C, gas mark ¼) for 3 hours. Leave until cold, but stir well occasionally. Add 3 tablespoons brandy and put into sterilized jars. Cover with waxed discs and lids or jam pot covers.
