Once again; just before Christmas the developers of the Great Haddon site put in a planning application. Chaired by County Councillor Mac McGuire, the Norman Cross Action Group (NXAG) met and formulated their response. Huntingdonshire District Council have also reiterated their concerns aired in February 2013.

NXAG has objected to the current planning application on the following points:-

- The Yaxley A15 Loop Road is inadequate as a means of taking traffic from the present A15; there are too many junctions and it seems inadvisable to site several schools, a commercial/retail centre and residential areas close to this major road.

- A15/Old Great North road junction will affect the junction 16 of the A1(M) A15 junction to the Great Haddon Boulevard will cause even worse tailbacks on the A15 than at present. Also mature trees will be felled.

- Proposed access to the Old Great North Road will affect the prestigious National Cycleway. Also it goes against previous decisions that only 120 vehicles a day would be allowed.

- Surface water management is also a fresh concern.

To see the full objection go to www.stilton.org.

**Changes to Bus Services**

**FROM JANUARY 4th 2015**

There are minor changes to the timings of Busway B Monday-Saturday (no changes on Sundays) The changes involve peak hour departure times from Huntingdon, Cambridge and St. Ives and journeys starting at Huntingdon after 7pm and Cambridge after 9pm. As far as can be seen, the times from Peterborough and Norman Cross are unchanged. If you need further details contact Stagecoach on 01223 433250.

**Keep it Green!**

Had a real tree this Christmas? You can recycle it along with any garden or kitchen waste. Stand it next to your garden waste bin, or chop it in half and put the bits inside the bin.

Christmas cards can be cut in half to make useful shopping lists out of the fronts and the rest can go in the dry recyclables bin.

Keep Safe

During the winter, when both the mornings and the evenings are dark, the Parish Council frequently gets comments from car drivers in particular that they have been unnerved by experiencing 'near misses' on the village roads. If you are likely to be walking, cycling or riding a horse in the dark please take the simple precautions of wearing reflective clothing and having the appropriate lights (working!). In particular, we would single out the newspaper delivery boys and dog walkers.

However, car drivers are not blameless. The whole village is covered by a 30mph speed limit, but there are times when that is too fast. Please drive with real care and match your speed to the conditions.

North Street (especially around the Memorial Hall), Church Street and Caldecote Road are the most dangerous areas with the most complaints.

Dear Editor

I can now send you and your readers the figures for the 2014 Poppy appeal - so far.

The total for Stilton, Folksworth and Caldecote came to £2075.33. This is slightly less than last year, but the good news is that the total for the District as a whole is more than £2000 up at £16,500!

On behalf of the Branch, my grateful thanks to all who helped and contributed. One curious thing was to discover that the total collected at the Post Office was almost the exact sum collected last year!

Apart from Peterborough Station, our two best collecting sites in the area are the Co-op in Yaxley and Dobbies Garden Centre. If anyone could help next year with manning these collecting points, please call me on 01733 241784.

Project Milestones
VILLAGE AMENITIES PROJECT PROGRESS

Our trip to France and Belgium was an outstanding success writes Pat Seaman.

People pitched in to help; the British Legion club at Yaxley, who allowed us to park there; drivers Tony and Ben of Decker Bus Co., everybody who helped to load and unload the coach, and Geraldine and Kim who kept us going with food and drink on the journey.

A raffle and donations raised the impressive sum of £77.16 for the Anglia Air Ambulance charity. Olive Main provided valuable information about the war graves in Belgium, for those wanting to trace lost relatives and Val Ward did sterling service with all the paperwork.

Thank you to everyone who sent a card or telephoned to express their appreciation of the trip.

Days to Remember
WHAT SHALL WE CELEBRATE TODAY THEN?

National Awareness Days have now become so prolific that you can celebrate something every day of the year; if you have the stamina! Our favourite is Nothing Day; it happens every January 16th and celebrates the ancient art of doing... nothing! It is a sort of non-event event.

January also features:

**January 3**
Festival of Sleep Day

Our second favourite! Take an unofficial day in bed to recover from the last fortnight.

**January 18**
Winnie the Pooh Day

The birthday of Pooh's creator A A Milne is marked with honey-filled parties and games of Poohsticks on the original bridge in Sussex.

**January 25**
World Leprosy Day

Leprosy is easily and cheaply cured if treated at an early stage, but it still carries a heavy stigma, so many sufferers are reluctant to go for help until it is too late. Each year the Leprosy Mission organises a special day to raise awareness. This year money raised will go to a hospital in Nepal.

The Leprosy Mission is based in Peterborough and people in Stilton have been associated with it for many years. To find out how to help go to their award-winning website: leprosymission.org.uk

**January 27**
Holocaust Memorial Day

All over the world there are events remembering those who suffered under the Nazis, but also more recent acts of genocide.
We had an action-packed Children in Need day at Stilton! Children made a donation to come to school in non-uniform. All classes carried out lots of Maths investigations, including counting our 'Pennies for Pudsey'. Hedgehog Class organised several stalls at lunchtime to raise even more money for this worthy cause. We raised a whopping £402.60 in total!

Several of our Key Stage 2 children took part in 'Bikeability' workshops, where the children brought their bikes into school. They learnt how to improve their cycling skills and how to cycle safely on roads in the village. We are delighted that all our children who took part passed. Congratulations!

Across the whole school, we recently had an 'e-safety week'. We were thinking about how to stay safe when using the internet. Children in each class made their own e-safety posters, which highlighted the key messages that they learnt during the week.

We had a very busy Christmas period at Stilton Primary School. In the last two weeks of term, our children took part in our annual Christmas Crafts day, nativity play, carol concert, singing for the Stilton Over 60s club, Christmas parties, Church Service and Christmas Karaoke.

We wish everybody a happy New Year!

The children of Stilton School visited the Church to take part in a learning event where they looked at each part of the Christmas story. All were entranced by the Nativity scene, which has become a traditional part of the Church's Christmas. In the stable, which was made in Stilton, is a large collection of santons. These are the traditional dolls which were given to us by our twinning village, St Christol in the South of France. This year our collection grew again with the gift of several more figures.

Later in the week the school Christmas service was held in Church and the crib was a central feature of the worship.
December was a busy and exciting time. The children made some lovely things to take home as well as to decorate the Playgroup with. We learnt lots of Christmas songs, and all about family customs at Christmas time. We had a fabulous Christmas party and even had a visit from Father Christmas who surprised all the children with gifts for being so good!

The children had so much fun they didn't even realise they were also learning numbers and shapes, how to join things together and make them balance, as well as continuing to learn the phonetic alphabet!

We would like to take this opportunity to thank everyone who came along to tour Stilton with Santa. It was a cold night but we had lots of fun. A BIG thank you to everyone who donated; you were all very generous. We would also like to thank those who came along to support our Christmas Fete. We hope everyone had lots of fun - we did! Final takings are still being confirmed but in future SCANs we will let you know how we did, and how we plan to spend the money.

**...ANOTHER APPEAL TO IRRESPONSIBLE DOG OWNERS**

We received the following heartfelt plea from a well-known village resident to ask you to clear up after your dog.

*It has become increasingly difficult to enjoy a walk round any part of Stilton because of the amount of dog mess on the pavements. We all have to walk with our eyes cast down in order to escape the menace.*

*I was out the other day and saw a young mum desperately trying to clean the shoes of the young child who had stepped into some. It was not a pleasant task.*

*All you need is a plastic bag in your pocket (free from the Parish Council). Tie it up and put it in one of the bins provided. Even if it is dark and you don't think anyone will see, those who are behind you will not see the mess on the pavement either. So please CLEAR IT UP.*

*A responsible dog owner (with a pocket full of POO BAGS)*
Get Tanked Up
JOIN ACRE’S OIL-BUYING SYNDICATE AND SAVE MONEY

A few issues ago we ran a feature about the Cambridgeshire ACRE group-buying initiative for getting keener prices on heating oil. Through its partnership with AF Affinity Limited, a subsidiary of Anglia Farmers Limited, the UK’s leading agricultural purchasing co-operative, the scheme makes the most of collective purchasing power.

The average saving is usually 2p per litre against online prices. In November and December, scheme members paid 46.99 and 42.49 pence per litre respectively (exclusive of VAT at 5%).

While the middle of winter isn’t the best time to stock up your tank, if you need to this is probably the cheapest way.

There are five easy steps to cheaper heating oil:

1. Join the Cambridgeshire ACRE Community Oil Buying Scheme. Complete a membership form or apply online and then set up a direct debit to pay for your future oil purchases.

2. Receive a reminder to check your oil levels. Each month, you’ll receive a reminder to check your tank and notify you of the deadline to place an order. The minimum order is 500 litres.

3. Place your order online. Use ACRE’s online portal to tell them how much oil you want to buy. Your order increases their negotiating power, so once submitted ACRE regard it as binding.

4. Sit back while AF Affinity Ltd negotiate the best price from a range of suppliers. They advise you who the supplier is, the price per litre (exclusive of VAT, currently at 5%) and the approximate date of delivery.

5. Take delivery of the oil and pay the company. The oil will be delivered as soon as possible and your bank account is debited with the amount you owe.

To find out more about the Cambridgeshire ACRE Community Oil Buying Scheme go to www.cambsacre.org.uk or contact Julie Weekes on 01353 860850, email oil@cambsacre.org.uk

Cambridgeshire and Peterborough Clinical Commissioning Group
After just two years, Rev’d Jamie Mackay has announced his intention to resign as the incumbent for the Stilton Group of Churches.

Jamie and his wife have overseen the enlargement of the Group with the inclusion of Elton, the deployment of a regular weekly service schedule with content and timings to suit each parish, and the provision of different service formats such as the popular Pet Services.

We will surely miss their support and high level of commitment to the Stilton Group.

Jamie’s last service will be at Elton on the 25th January at 6pm, to which everyone from the Stilton Group is invited. It is our intention at this time to make a presentation to them from the Group. Anyone wishing to make a donation should pass it to one of the Churchwardens by 19th January:

Elton - Chris Milton or David Tansley
Stilton - Doug Maltman or Stuart Reed
Haddon - George Martin
Morborne - Pam Dow
Folksworth - John Blackman or Peter Lloyd

Anyone interested in becoming a Community Champion should contact Rachael Brown at Cambridgeshire ACRE either on (01353) 865038; by email to rachael.brown@cambsacre.org.uk or visit www.cambsfire.gov.uk.

We gardeners have to take whatever the weather sends and react accordingly. Now is the time to check that stakes and ties on trees and bushes are not damaged. If it snows, brush it off the branches of conifers, climbers and shrubs.

But if the weather allows there are always plenty of jobs to do:-

- Prune apple and pear trees
- Reshape lawn edges
- Check all your equipment; service the mower!
- Have fun planning. Order seeds, particularly onions
- Keep the bird feeders well supplied, and with a shallow dish of clean water
- Begin forcing rhubarb by covering with a bucket or special forcing pot

New Year, New Recipes
LET’S CELEBRATE BRITAIN’S REGIONAL DISHES

Foreigners may think that there’s no such thing as British cuisine, but we all know about such delights as Yorkshire pudding, Cornish pasties, Welsh cakes etc. Not to mention the many regional specialities that don't get out of their own locality. We start with the wonderfully named…

Rumbledethumps

Said to be Gordon Brown's favourite recipe, so it's no surprise that it comes from Scotland and would be a great dish for Burns’ Night (January 25th).

- 450gms potatoes, boiled and mashed
- 350gms cabbage shredded and boiled for about two minutes
- One large onion, finely sliced and fried in butter, but not browned

Combine the potatoes, cabbage and onion

Add two tablespoons of strong cheddar and stir until melted. Season to taste.

Place in an ovenproof dish. Sprinkle another two tablespoons of cheese on the top and bake at 200°C or Gas Mark 6 until brown.

You may recognise this as being similar to the traditional English Bubble & Squeak, but almost every culture has its equivalent version; Ireland Colcannon, Orkney Islands Clapshot; Belgium Stoemp; Netherlands Stamppot.

It’s a very versatile dish for making the most of leftover vegetables. You can add other vegetables such as leeks or mashed swede, grate nutmeg on top, or add a spicy tang by including chopped up chorizo sausage.

Perfect for these cold winter evenings!

Accessing Adult Social Care

Social care is provided to people who have been assessed as having substantial or critical support needs with personal care, getting meals, managing medication and staying safe.

Social care is personal and practical support to help people live their lives by supporting them to maintain their independence and dignity and ensuring they have choice and control over the support they receive.
