VANDALISM AND NUISANCE AGAIN

Street Lighting Project

The work to renew Stilton's street lights has now mostly been completed; ironically it is the light outside the Editor's house that is still not working! Because Stilton Parish Council insisted on refurbishment, not replacement, of the lights in the Conservation Area, the columns will remain and the heads will be replaced.

However, there are serious complaints about how the work was carried out from a safety angle and the lengthy disruption of the footpaths which the Parish Council will pursue.

Stilton-Oundle Bus Service

Elsewhere in SCAN you will find the timetable for a new bus service that will run from Holme to Oundle Co-operative Food free of charge every Thursday throughout the year. In Stilton the bus will use the regular bus stops but will stop if you hail it. Passengers will be dropped off at the Co-op and then will have 1½ hours in Oundle. Oundle is a pleasant place to visit; it has many local shops and services such as banks, N&P Building Society, Boots, a very good shoe shop, excellent bookshop and plenty of cafes and pubs. The Thursday market is also recommended.

101st Tour de France

THE GRAND DEPART

The world's most exciting cycle race starts in Yorkshire on Saturday July 5 and leaves that county on Sunday July 6 at the end of stage 2.

Next day, Monday July 7. Stage 3 is from Cambridge to London. Sadly, our part of Cambridgeshire will not see the peloton, but the vast entourage that accompanies the riders will pass through the area on its journey from Yorkshire to Cambridge, where the route starts on Parker's Piece at about 12:15pm.

Advice from Cambridgeshire Constabulary suggests that most of the traffic will travel overnight and should not cause congestion on the A1(M) but the A14 is best avoided all day. No road closures are planned in the area but there may be lane closures on the A14. Of course, there will be extensive road closures and diversions in the Cambridge area.

All information can be found on Cambridgeshire City Council's website where all the events connected with the Tour de France are announced. Cambridge's Big Weekend promises to be more than the elite riders, with three days of exciting events.

Gardening in July

Stilton Gardening Club does not meet in the summer months, but will be back in September. This allows us time to sit outside and enjoy our gardens.

However, all gardeners know that there are still many jobs to do; most importantly:

Watering
Tubs and new plants need watering well.

Dead heading
This ensures continuous and lengthy flowering of both some perennials and all annual bedding plants.

Summer feeding the lawn
- especially if it wasn't fed in spring. Use a soluble weed & feed product.

Weeding
Most weeds are best attacked in the summer when they are growing strongly. Large areas may need weed killer, but if possible, dig them out.

Watch for pests and diseases and treat. Good advice can be found on the RHS website.

Norman Cross

BICENTENARY CELEBRATIONS

In April 1814 Napoleon abdicated and was sent to exile on the island of Elba. Seemingly, the wars with France, which had lasted 21 years, were now over. On May 30 1814 the Treaty of Paris was signed which allowed for the release of all prisoners of war.

At that time more than 4600 men were imprisoned at Norman Cross and at once detachments of prisoners were marched out on their way to freedom. One hundred years later L'Entente Cordial Society erected a splendid column, topped by an eagle as a memorial to those who had died in captivity.

In 1990 the column was pulled down and the eagle stolen. Almost immediately, a local committee was formed and an appeal launched to restore the monument. As part of the A1(M) works the column was relocated to a site overlooking the camp and in 2005 the Duke of Wellington unveiled a new eagle.

In 2008 the Friends of Norman Cross were formed and now invite all local residents to mark the bicentenary and centenary on Sunday 27 July at 2pm at the eagle monument, at a service conducted by Rev Richard Longfoot.
Readers who fancy a change from food shopping at Tesco or Nisa may welcome a new shuttle bus service operated for the Co-op at Oundle.

Decker Bus will stop in Stilton every Thursday morning as follows:

09:45 Church Close bus stop
09:47 Colbrook Garage
09:50 Opposite Stilton Cheese
09:52 Mill Road bus stop

Apparently it will even stop if you hail it, so don’t run to the bus stop!

The bus arrives in Oundle for 10:45 and departs at 12:15pm. Plenty of time for some shopping at the Co-op or a browse around the Thursday Farmers’ Market!

Even better, the service is FREE!

If you have any queries, call (01733) 351694.

Stilton Flower Festival, July 5th & 6th

The theme for this year's flower festival is 'Courage and Remembrance' in memory of the beginning of the 1st World War and of those men from Stilton who fought in it, many of whom did not come home.

If you or your family have any 1st World War memorabilia and would be willing to have it on display (copies of documents, please - they are too precious!) Pat Maltman would be delighted to hear from you as soon as possible.

Light a Candle in Memory
JOIN THE MILLION CANDLES CANDLELIT VIGIL

4th August 2014 marks the centenary of the day Britain entered one of the deadliest conflicts in history - the First World War - which ended on 11 November 1918 after having directly or indirectly killed over 37 million people.

The UK lost around one million people, mostly servicemen and from almost every city, town and village in the country.

As the war began, the Foreign Secretary Sir Edward Grey said: ‘The lamps are going out all over Europe; we shall not see them lit again in our lifetime.’

A national commemorative event, the Million Candles Candelit Vigil, takes its inspiration from this prescient observation. It will take place in Westminster Abbey from 10-11pm on 4th August and be broadcast live on BBC television.

Everyone in the UK is encouraged to join together in this national moment of reflection by turning off all your lights between 10 and 11pm that night and leaving only a solitary light or candle burning in remembrance.

From 4th July, a limited-edition Centenary Candle will be available from Marks & Spencer for £4. All proceeds will go to the Royal British Legion.

Plans for Stilton’s vigil event will be announced shortly.

Almost every one of us will have an ancestor who was lost in the conflict, so if you find it hard to relate to a million dead fellow countrymen, light your candle in memory of great-uncle Charley.

And if you really want to understand the institutionalised insanity, stupidity and cruelty of this unnecessary war, SCAN recommends you read Max Hastings’ authoritative history, Catastrophe, (William Collins, ISBN 978-0-00-751974-3.)

Lighting a candle seems the very least we can do.
Aces High Again
DON’T MISS THE AEROBATICS CHAMPIONSHIPS!

Once again, our local flying club at Conington will be playing host to the British Aerobatics Championships.

The event starts early on Thursday 31st July and continues through Friday and Saturday, 1st & 2nd August. Most of Britain’s top-class aerobatics pilots will be competing, at different levels and in different types of sporting aircraft.

If you want to enjoy the best free day out in the area, the club invites you to turn up and watch the fun. Gates open at 9am, parking is free and there will be ample refreshments on hand, including ice creams, hot snacks, a barbecue and a licensed bar.

It is difficult to know where to start writing a brief report on a trip that was so successful and so enjoyable, writes Tim Alban.

From our arrival at Nimes airport (where they were waiting outside the terminal with coffee and croissants) to the moment they said goodbye to us four days later, the hospitality of our hosts, and their enthusiasm for our visit, was superb.

As well as spending time with the families we were staying with, our programme included a beach picnic, a reception at the Mairie (Town Hall), an open-air lunch in an historic market square and visits to the Roman Archaeological Museum in Arles, the Bambouseraie Bamboo Gardens at Anduze, the Feria (Festival) in Alès and the stunning village of Les Baux de Provence - including the impressive Carrières de Lumières multimedia display in the stone quarry.

On the final night, at the farewell dinner in a local restaurant, gifts were exchanged between St Christol and Stilton. Three new Santon nativity figures were presented by St Christol and these will join the display in Stilton Church next Christmas. Along with a whole Stilton Cheese, a pen set (in a presentation box hand crafted by Andy Dann) was presented to St Christol, which will be used in their Mairie Marriage Ceremony Room.

Two photos from the visit accompany this report and plenty more can be found on the Stilton & District Twinning Association page on Facebook. If you would like to become involved or would like to know more, please contact Chris Walford on (01733) 241376.

Here's looking forward to next year when the French visit us.
Peterborough Sailability is a local charity, based at Ferry Meadows, that provides a sailing experience for the disabled, both for organisations such as Sue Ryder, Park House School etc and for individuals who are self-mobile or brought by a relative or friend.

Over 100 disabled people sail weekly on Tuesdays and Thursdays from April to October. Sailability has seven Challenger trimarans, taking a single sailor with a buddy sailor on an outboard seat, and a new Deben Lugger, which takes four sailors plus crew.

HRH Princess Anne is Sailability’s very valued patron and will be visiting Ferry Meadows on Tuesday 8th July to see at first hand the charity’s expanded facilities at the rebuilt Nene Park sailing centre and cafeteria.

Sailability is staffed entirely by volunteers, but needs more to meet growing demand. Stilton already provides three volunteer buddy sailors/shore crew: John Bentley, Alan Knight and Terry Sunshine.

Volunteers should be able to provide a few hours on either day to assist with shore crewing, buddy sailing or administrative tasks. Previous sailing experience is not required and full safety training is provided.

You can find out more about Sailability on peterboroughsailability.org.uk

If you’d like to contribute to this worthy and enjoyable enterprise, just call John Bentley on (01733) 245602 or James Hopgood on 07956 940981.
Encouragingly, police have had no crimes reported in Stilton since the 1st of June. *The villains must be on holiday!* But there has been a recent spike in burglary in the Northants/Cambs border, police have increased patrols in Stilton and the surrounding villages.

As always, readers should remain vigilant and report anything out of the ordinary.

- **Always lock your door and close the windows when you go out, even if you'll only be out for a short time.**
- **All external doors should have three locking points. Mortice locks will add considerable strength to your door.**
- **Use deadlocks if you have them.**
- **Patio doors should have special locks fitted to the top and bottom.**
- **Don't leave spare keys outside or in a garage or shed.**

- **Keep garden sheds and garages locked at all times.**
- **Think about using battery operated alarms.**
- **Always draw your curtains at night and make sure valuable items cannot be easily seen from outside.**
- **Mark your belongings with a property-marking product.**
- **Visible burglar alarms, good lighting and security lighting can be very good deterrents.**

You can e-mail the local police at HuntsCops@cambs.pnn.police.uk or call police on 101. You can contact Crimestoppers anonymously on 0800 555 111. As always, in an emergency call 999.
We've had lots going on in Stilton C of E Primary School this term. We had several special visitors in school for our Sports Week. Children took part in lots of different sports, including football, golf, dodgeball, obstacle courses, running, martial arts, ping-pong, skipping, dance and Zumba.

We also had our annual Sports Day. Children across the school were put into mixed-age groups and completed a circuit of different sporting activities, such as hurdles, sprinting and the egg & spoon race. Grown-ups then joined their children for a picnic on the school playground.

On Friday 6th June, we celebrated Pentecost in school with a party. We all dressed in red to symbolise fire and the joy of the Holy Spirit. Each class made their own Pentecost poster. Children in Owl Class made some model doves as a symbol of peace. In the afternoon, we invited the Stilton over 60's Club into school to show the children's work and sing some of our favourite hymns. We have now put each class's Pentecost poster on display in the school hall for all our visitors to see.

As part of their London topic, Otter class have been learning about the Great Fire of London. The children made model houses out of cardboard, and then attached straw to represent the thatched roofs. We then had our own Great Fire of London in the playground, burning the model houses to show how the fire spread.

Over-60’s Club

18 members joined Impression Holidays’ outing to Bakewell. Despite the rain, everyone had a good day with the market and shops.

Club members were invited to Stilton School for their Pentecost Service. It was good to see the children singing with such gusto. The club members joined in with the hymns and prayers. Before the service, the members were served with tea and tasty cakes.

The Club continues to meet on Friday afternoons from 2-4 in the Church Meeting Room.

HAVE A CHARITY STILTON FONDUE PARTY

EACH 25 Years
1989-2014

EACH may be better known in Stilton as the Children's Hospice for East Anglia at Milton, near Cambridge. This year it is celebrating being open for 25 years, supported largely by the people of Cambridgeshire. Most of its funds come from donations so there is a special appeal this year - supporters are asked to donate a sum containing 2 or 5 (e.g. £25, £2 etc)

The address is EACH House, 42 The High Street, Milton, Cambs CB24 6DF

FOOD FOR FUNDS

SCAN is publishing this appeal because 25 years ago a group of Stilton ladies, led by Sheena Longfoot, pledged to raise £1000 for the original appeal. This large sum was achieved partly by publishing The Stilton Cheese Recipe Book. If you lived in Stilton in 1989 you might still have a slim green-backed and excellent recipe book. It’s long out of print, so treasure it!

This month’s recipe comes from the Stilton Cheese Recipe book, chosen because it is now back in fashion, as it was 25 years ago.

Stilton Cheese Fondue

Rub one clove of garlic round the inside of a flameproof dish (or find your old fondue set from the back of the cupboard!) Heat gently ¾ pint beer, gradually add 2oz crumbled Stilton cheese, 12oz crumbled cheddar cheese and one level tablespoon of cornflour.

Stir over the heat continuously until the cheese has melted and the mixture is thick and creamy.

Serve with cubes of crusty bread.

Why not have a charity fondue party and raise some more money for EACH?

Social care is provided to people who have been assessed as having substantial or critical support needs with personal care, getting meals, managing medication and staying safe.

Social care is personal and practical support to help people live their lives by supporting them to maintain their independence and dignity and ensuring they have choice and control over the support they receive. Many people don’t think about social care until they or someone they know need support, and then find they are unsure about where to find information or how to access the services they need.

Adult social care customer services are the initial point of contact for all social care enquiries. The trained staff know about the services available and can offer advice on who else may be able to help. Call them on 0345 045 5202. You can also find out more about adult social care in Cambridgeshire on the website below.

If you think you may need help with mental health issues you should contact your GP in the first instance.

Are you caring for someone?

You may say 'I'm just being their husband, partner, daughter or friend...' but the support you provide is vital to them; helping with shopping, dressing or being there when they need to talk. This can have a big impact on your life.

Who cares about you?

Come along and meet a local carers support worker to find out about the support you could receive as a family carer.

FRIENDS OF NORMAN CROSS

Norman Cross Prison Depot Memorial
1797 – 1814

Sunday 27th July 2014

Bicentenary Commemoration Service
1814-2014

Invitation to the Bicentenary commemoration and Service of the closure of the Norman Cross Napoleonic Prison Depot, Norman Cross, Peterborough.

Event takes place at the Eagle Memorial at 2.00pm Sunday 27th July 2014

THE FRIENDS OF NORMAN CROSS SOCIETY
London Road, Norman Cross
Peterborough PE7 3TB
https://sites.google.com/site/friendsofnormancross/

Bicentenary Commemorative Service

The event is to honour the prisoners of war who spent many years of their lives at Norman Cross.

We will remember the 1,770 prisoners of war who remain buried on the site and whose last resting place was discovered by Time Team in 2009. The last prisoners left the depot in July 1814.

On 28th July 1914, on the eve of the Great War, the Norman Cross Eagle Memorial was unveiled.

Fund Raising Drive
FOR TWO NEW ECG MACHINES

YGP currently has three electrocardiogram (ECG) machines, that are used regularly by the Practice Nurses and the District Nurses every week. We have been notified by the company that these machines are coming towards the end of their life and, as a result, Numed Healthcare will be unable to support, service and repair them.

The Patients’ Association are keen to support and fund-raise in an attempt to raise funds to purchase two new models which can be used by both the Practice and District Nurses. The model that would be most suitable for us would be the Mac600, which would cost £3,100.00 for two.

Dr Nanda Bhat explains what an ECG is, why it is useful and when we use ECGs in primary care:

**WHAT IS AN ECG?**
An ECG is an electrical tracing of the heart. An ECG machine has ten electrodes which are applied to the chest and limbs. When activated, this captures a snapshot of the electrical activity of the heart at that point in time. ECG machines can be free standing or connected to a computer; manual, providing only a paper printout, or integrated to software systems which enable a tracing to be downloaded directly into a patient’s notes as well as providing a paper printout if necessary.

**WHY IS IT USEFUL?**
An ECG enables a doctor or specially trained nurse to be able to interpret certain things about the heart's functioning: the heart rate, the heart rhythm, any disturbances to the heart’s electrical conducting system, any abnormal thickening of the heart muscle (often a result of long-standing high blood pressure) and the presence of ischaemic heart disease (angina and heart attacks).

**WHEN DO WE USE ECGS IN PRIMARY CARE?**
We sometimes use them routinely - to aid a review of patients with known cardiac disease. We also use them in a more acute scenario, to investigate individuals with possible cardiac symptoms such as chest pain. It greatly helps us to exclude heart disease as a possible cause, or to confirm it and guide further tests, treatment or referral.

Last year we did 740 ECG recordings.

**HOW MANY AND WHAT TYPE OF ECG MACHINES DO WE NEED?**
We currently have three machines, two that are semi-integrated with Vision (the clinical software system that we use) and are used by the practice nurses, and one that is used by the district nursing team. These will no longer be able to be serviced and therefore not be suitable for use in 12-18 months’ time. We propose to acquire two new machines.
The Mac 600 is an ECG machine that can be fully integrated with Vision but is still mobile and portable. Integration with clinical software enables the nurses to perform the ECGs in a very timely manner, the IT department to load them onto the computer in a far easier and quicker way, and the doctors to review present and past ECGs easily. The quality of ECG recordings downloaded directly to the patient notes in this manner is far better than photocopied and scanned recordings. The overall process is much more efficient that a manual machine which provides a paper printout only.

The practice ideally needs two machines to cater for the volume of ECGs we do. Having two machines enables both routine and urgent ECGs to be performed easily without patients being made to wait for significant periods of time. It also enables housebound patients to have ECGs done at home in a timely manner as these machines can be used in the community. These particular machines have a five-year manufacturer's warranty.

**Doctors**

We would like in the coming months to let you know some of the interests and specialities of our doctors.

This month it is Dr. Chris Grant, whose special interests are Ear Nose and Throat problems, musculoskeletal problems and joint injections.

**DR HAMMERSLEY ON SABBATICAL**

I am away from the practice on sabbatical for three months from the beginning of July. During that time I am attending a History of Art course in London and visiting several galleries and exhibitions.

We are having a couple of short trips abroad as well as attending our son's graduation in Cardiff. I will also be spending some time with my parents and extended family. I shall look forward to returning and seeing everyone again in October.

With best wishes to all
Daphne Hammersley
**Thank You**

Once again another year of fund raising is over. I have not raised quite as much as in 2012/13 but I wasn't able to do quite so many car boot sales. The total for Boot Sales 2013/2014 was £318.50 and Cards & Calendar £334.50, making a total of £653.00 Thank you all for supporting me by buying or donating; it is greatly appreciated. I shall continue this year with the boot sales, so if you have any goods to donate just give me a call on 01733 687495 and I will be pleased to collect them. I can make any cards that you would like at any time; just give me a phone call and I will be pleased to do them for you. Thanks once again for all your support

**Carer Support Group Meeting**

The next meeting of the Carer Support Group will be on Wednesday 2nd July between 2pm-4pm in the Health Education Room. If you care for a family member or friend you would be welcome to join our small but friendly group.

For more information please speak to Linda in the Patients' Library.

---

**Parish Meeting Room**

The Parish Room will be open from 10am to 11am immediately following Parish Council meetings, which are on the **Wednesday following the second Tuesday in the month**. If you want to speak with the Clerk at any other time, please make an appointment. Planning applications can be viewed by appointment; telephone (01733) 229130.

**HIRING THE ROOM**

The Meeting Room is available for hire between 9am and 10:30pm Monday to Saturday; Sunday hours by arrangement. A booking form and conditions of hire are available from the Clerk to Stilton Parish Council.

The Room seats up to 20 people, ideal for small clubs or committee meetings. It has broadband, a kitchen area and toilet suitable for use by disabled people. Users should note that smoking is not permitted in any part of the building or in the surrounding cemetery.
