We draw ever nearer to the day when we can boast that Stilton has some of the best community facilities in this area. It’s taken 50 years to get to this point; much hard work by people who are now long gone; the efforts of successive Parish Councils and, for the last five years, the immense push by the members of the Project Steering Group.

The work is not yet completed and volunteers are still needed, particularly to help develop governance and management systems. We need help with marketing, event management, catering, housekeeping, book-keeping, IT. If you can volunteer just a few hours a month then please get in touch with Olive Main (241206) in the first instance.

NEWS FROM THE PROJECT

Every day sees great progress towards the day when the first event will be held in the new building. There has already been some decorating of the changing rooms, thanks to a cheerful working party armed with rollers and litres of paint. Plans for fitting out the kitchen, changing rooms and office are well under way. How the facility will be managed is now under discussion. SCAN is carrying an advert for a Facilities Manager. We realize that a very special person is needed and that, as the project grows and develops, the published job description will most probably change. If you think it sounds interesting please talk to Chris Walford (241376) Olive Main (241206) or Dee Darnell (240250) in the first instance.

WHAT'S IN A NAME?

For a long time names for the new building have been bandied around. It has been decided that it will not be named after any one person. One suggestion is Stilton's Community Centre. This was favoured because it was felt to be inclusive; the building and field belong to everyone in Stilton and everyone will be able to use it for a wide range of activities. If you can think of something better, or if you like the suggested name let us know.

THE CROWNING GLORY

Thanks to Les Gajur (the designer) a resident of Church Close, and Darke Steel (the fabricators), a beautiful weather vane depicting a red kite will be fixed on top of the new hall. Thanks also to the children of Stilton School who submitted some excellent designs.

HEALTH & SAFETY EXPERT NEEDED

CONSULTATION ON THE FUTURE OF THE MEMORIAL HALL

When the new building is completed, groups who presently use the Memorial Hall will largely move up there. So there are decisions to be made about the future of the Memorial Hall. Stilton Parish Council appreciate the affection many feel for the Hall and also revere its War Memorial plaques, so we want to know the community's views.

If you would like to take part in this consultation, there will be a meeting in the Memorial Hall on a Saturday in September; date to be announced in August’s SCAN.

Is Your Vehicle Parked Safely?

Go to Cambs. Fire and Rescue tweet@Cambsfrs to see the growing problem caused by inconsiderately parked cars. Watch fire engines crawling down a street in Stanground trying to get to an emergency call.

The tweet points out that there is a £5000 fine for obstructing emergency vehicles. We'd all be supportive of any relevant prosecution. The film ends 'if in doubt find somewhere else to park'. A good motto for a sizeable number of people in Stilton.

Recycling Events

GOT AN OLD ELECTRICAL ITEM THAT HAS LOST ITS SPARK?

RECAP (Recycle for Cambridgeshire and Peterborough) are running six events where you can take your unwanted electrical items. Essentially, anything with a plug or a battery!

Six million waste electrical and electronic items are thrown away every year, yet half of these can be reused or recycled. As such products contain recoverable high-value materials such as gold plating, or materials such as rechargeable cells which shouldn’t be dumped in landfill, the economic and environmental benefits are considerable.

There may not be a special rubbish collection this year, so if you need to get rid of any waste electrical product - from a worn out washing machine to a dead pocket calculator - bring it along to one of these events:

- Saturday 2nd July
city Road car park, near the March Library, PE15 9LS
- Saturday 9th July
tesco Ely (TBD)
- Sunday 17th July
Trumpington Park & Ride, CB2 9FT
- Saturday 23rd July
St Ives Park & Ride, Meadow Lane, St. Ives, PE27 4LG
- Saturday 6th August

Stilton Parish Council

Appointment of Village Facilities Manager

The Parish Council is seeking to appoint a Village Facilities Manager. This appointment will coincide with the construction of the New Hall/Pavilion on the village field. The post will also include responsibility for managing other Parish Council properties: the Parish Room, Memorial Hall and SK8 Park; and coordinating with other facilities providers, the Church and the School.

The responsibilities will include to:

- coordinate all bookings for village facilities and to negotiate with groups and interested parties as appropriate.
- issue invoices to facilities users and chase up non-payment
- bank monies and undertake book-keeping
- report to the Stilton Facilities Development Management Committee (FDMC)
- ensure that the facilities are monitored regularly, particularly prior to and after a letting
- monitor grounds maintenance contracts and report to the FDMC
- monitor building maintenance work, as required
- ensure that Health & Safety/Child Protection regulations are complied with
- arrange appropriate caretaking/security at casual user events
- effect good customer care at all times
- ensure that appropriate cleaning is carried out by users and by the employed facilities cleaner
- ensure good security is carried out, including the bridleway
- maintain the weekly MUGA surface care arrangements., when the MUGA is constructed.

This is a new post and offers the appointed person the opportunity to be involved in village activities and to make a difference in the future planning and organisation of the village's new facilities. It is expected that the post will initially be paid at £10 per hour.

Further details can be obtained from the Parish Clerk. Letters of application, including a CV, should be received by the Parish Clerk by Monday 11 July 2016.

July 16th 2016
10am - noon

(Third Saturday in every month)
A group of children took part in the May Day celebrations at the Stilton Cheese-Rolling; they did a great job and worked very hard, giving up some time during their lunch breaks to practise and ensure they put on a great show. Well done dancers!

This year the May Queen, King and one attendant were from our school - they looked the part arriving in style!

The school ran a games stall to raise money towards the new school library; thank you to everyone who supported us.

Throughout this term the children have been looking at the environment and plants. Robin class went over to the Balancing Lagoon to explore and make notes on what types of plants and insects they found.

Owl class held an Art afternoon where children were able to display their sculptures and art work for their families to see.

Friends of Stilton School held a Movie Night for the children. It was well attended, enjoyed by all and raised over £200. The money raised will be going towards the school library. We are continuing to raise money to pay for our new-look library and we have a totaliser on display in the school noticeboard if you would like to follow our progress.

On the 14th June, 64 children attended the Royal Albert Hall in London as part of a choir performance evening; this was an amazing evening which the children were able to be a part of.

Leading up to the event children had the opportunity of practising with the A C Academy, who gave pointers and tips on their performance - a terrific experience and a wonderful night!
On the 14th May, four days after being licensed as the Priest-in-Charge for the Stilton Group of Churches, Revd Richard Gibbs led a pilgrimage across all seven parishes for which he is now responsible. Starting at Elton, 20 ‘pilgrims’ covered the full 10 miles, visiting Haddon, Morborne, Folksworth, Caldecote and Denton, with another 10 joining the walk at various points along the way. A well-earned tea awaited their arrival at Stilton - The Celestial City, evidently!
Accessing Adult Social Care

Social care is provided to people who have been assessed as having substantial or critical support needs with personal care, getting meals, managing medication and staying safe.

Social care is personal and practical support to help people live their lives by supporting them to maintain their independence and dignity and ensuring they have choice and control over the support they receive. Many people don’t think about social care until they or someone they know need support, and then find they are unsure about where to find information or how to access the services they need.

Adult social care customer services are the initial point of contact for all social care enquiries. The trained staff know about the services available and can offer advice on who else may be able to help. Call them on 0345 045 5202. You can also find out more about adult social care in Cambridgeshire on the website below.

If you think you may need help with mental health issues you should contact your GP in the first instance.

Free Shopping Bus

TRY A FOOD SHOP IN OUNDLE FOR A CHANGE

Readers who fancy a change from food shopping at Tesco or Nisa may welcome a new shuttle bus service operated for the Co-op at Oundle.

Decker Bus will stop in Stilton every Thursday morning as follows:

09:45  Church Close bus stop
09:47  Colbrook Garage
09:50  Opposite Stilton Cheese
09:52  Mill Road bus stop

Apparently it will even stop if you hail it, so don’t run to the bus stop!

The bus arrives in Oundle for 10:45 and departs at 12:15pm. Plenty of time for some shopping at the Co-op or a browse around the Thursday Farmers’ Market!

Even better, the service is FREE! If you have any queries, call (01733) 351694.
When 20-year old tank driver Lionel White set out from these shores in 1944, with many thousands of his comrades-in-arms, little could he have foreseen that 70 years later he would receive one of France's highest honours.

A short time ago Lionel, who has lived in Elm Road for the last 12 years, received notification that he was to be created a Chevalier of the Ordre Nationale de la Legion d'Honneur, one of France's - and the world’s - most prestigious honours.

Lionel's medal was accompanied by a letter from the French ambassador in London praising the bravery of those who risked their all in the D-Day landings to liberate his country, and ultimately the rest of Europe, and so end the Second World War.

Lionel's younger daughter, Sandra, who lives with husband David Woollard in Washington Road, says her father has always shied away from talking about his wartime experiences and was reluctant to have his honour publicised. Nevertheless she and all Lionel's family are immensely proud that he has been recognised in this way.

And so say all the residents of Folksworth, we don't doubt.
Tour of Cambridge

On Sunday 5th June, 8000 cyclists sped up Washingley Lane. The weather was kind and it was a spectacular sight. The fastest rider completed the 80.2 miles in 3 hours 15 minutes and 28 seconds. Next year's event is on 3rd and 4th June.

New Hairdressers

Welcome to Heidi Elizabeth Birdi who has opened Salon Balayage on Elm Road.

Carpet Bowls

Folksworth Carpet Bowls Club have put their bowls away for the summer and are enjoying the great British weather. Our friends Gill and Eugene from Stilton Bowls recently went to Durham, where they came 4th in the pairs and helped the Cambridgeshire squad come second overall out of nine counties.

Folksworth Pre-School

As our term has almost come to a close we want to update you with our recent activities. This half term we have been nurturing our freshly planted flowers and beans. Unfortunately someone has been a little hungry and started to snack on some of the leaves. After investigation we have decided that it may be some very Hungry Caterpillars.

Our pre-schoolers have their very own pet caterpillars to take home and watch grow. Look out for the updates on our Folksworth Pre-School Facebook page. So far they are behaving but you never know!

All of the children will bring them back in to pre-school just before we break for the summer. Hopefully they will have turned into beautiful butterflies just in time, so keep your eyes open for them in your gardens as we release them.

Please remember the 16th July for our village fete and pop down to support us. We will have lots of entertainment and stalls as well as a bar - see advert on p20. We look forward to seeing you there.
The last report from Folksworth Rainbows took us up to the February half term. The week we returned had been looked forward to for many weeks, as we were off to spend an evening at Activity World! We joined with other guiding groups from our area, including Stilton Rainbows and Folksworth Brownies. All the girls had a great evening and thanks must go to Carol Warren for organising the trip.

The following week saw the Rainbows thinking of their mums and everything they do for them. They planted some colourful primulas in jumbo pink tea cups and wrapped them in cellophane tied with pretty ribbon. The mums were delighted when their daughters came out with them at the end of the meeting. One mum said that it had made her day! We were very pleased that they were enjoyed and hope that they will continue to provide pleasure in the garden for next spring.

Our 'mad scientist' joined us for our next meeting. The Rainbows were provided with safety goggles as we proceeded to make volcanoes! Using baking powder, vinegar, washing-up liquid and food colouring we had some spectacular displays.

We ended the term with an Easter Party. We played traditional party games and enjoyed crisps, chocolate and squash. Not a healthy menu but it was a special occasion!

In the first few weeks of the Summer Term we have coloured in farmyard finger puppets and talked about the animals and the work that is done on a farm. We have had a Bingo evening - no prizes though, it was just for fun - and had a games evening which involved lots of running around and then a quiet game to finish off with.

I'm sorry but I'm going to mention chocolate again but it is for a good cause! We have given all the Rainbows a tube of Smarties and said they could eat them when they were allowed to at home. Once the tube is empty we have asked them to fill it with coins for charity. We plan to donate it to a children's charity but we are discussing, as a group, which one we would like to give to.

Our 'mad scientist' returned just before the May half-term and we enjoyed an evening of making rockets. We then launched them to see how far they would go, which was quite a way in the village hall car park!

On a nice warm June evening we went outside again and blew bubbles! A simple activity but the Rainbows seemed to have fun. Some of the challenges included seeing if they could catch them, how small/big they could blow them, how high they could go and if they could see a rainbow in them, which they could.

As I write, we are thinking about Father's Day gifts and looking forward to our end of term 'party' which will be on the recreational ground in Folksworth. All we need is the sunshine!
**Did You Know?**

Washingley and Folksworth were originally small Anglo-Saxon farming villages, centred around the stream and surrounded by woodland. With the passage of time, a motte and bailey castle was constructed to house the local 'Lord', his family and servants, and a mediaeval moated manor house was built in Biglins Wood.

Washingley was abandoned during the 15th century, possibly due to the black death, whilst Folksworth continued to develop.

**News From St Helen's**

May was a busy month for St Helen’s as we welcomed out new Reverend, Richard Gibbs. Many attended a walk across all of the Stilton parishes with refreshments at each church. A barbecue was held at the Rectory, the rain held off and a great afternoon was had, including a game of Viking chess. It was wonderful to see so many of our congregation there.

Reverend Richard held his first Family Service with St Helen’s which is on the fourth Sunday of each month; please come and join us for this and all our services.

Our July Family Folkus is set to be a special one; we will be having a Christening as part of the service, which will be followed by our annual picnic. Family Folkus is our 'café style' of worship on the first Sunday of the month in the school hall. It is very popular with Folksworth families and we welcome new faces, why not come along and join us on the 3rd July?

Celebrity Gardener
COME AND LEARN ABOUT ‘CAPABILITY’ BROWN

On July 1 at the Norman Cross Gallery, Stilton Gardening and Natural History Club are joining with the Friends of Norman Cross to celebrate the 300th anniversary of Lancelot 'Capability' Brown.

Gardening writer and broadcaster Dr. Twigs Way, who lives locally, has agreed to come and talk about this fascinating character who transformed the English landscape. He got his nickname through telling potential clients that their land had 'great capability for improvement.'

Brown came from humble beginnings, starting as an apprentice gardener but moving up and arriving at Stowe. He was soon popular with the aristocracy and transformed over 170 gardens, including Hampton Court. He bought his own estate at Fenstanton and was High Sheriff of Huntingdonshire in 1770.

He replaced formal gardens with more natural landscapes, vast grassy areas running from the great house, belts and clusters of trees, and winding lakes.

According to the Daily Telegraph you can be sure you are in a Brown park if there is a ha-ha ditch separating the garden from the farming land. You can also expect an expanse of water, probably with bridges. There would be 'eye catchers' or follies, grottos, temples.

The nearest example is Burghley Park, Stamford, modernized in 1754.

Come along to the Norman Cross Gallery on July 1 to learn more about perhaps the greatest single influence on English gardens from renowned expert, Twigs Way.

Group Visit to St Christol

22 - 26 October 2016

Invitation

The St Christol Twinning Association has kindly invited a group of up to 25 from Stilton and District to visit St Christol. The group will be a mix of adults and young people.

Whilst there we will enjoy a great programme. You will be wonderfully hosted, including, of course, excellent wine and food.

The flight will be from Luton to Nîmes with Ryanair to be booked personally once your being part of the group is confirmed. Participants can make their own travel arrangements by train or car if they wish.

Those taking part will be hosted by St Christol families. The only cost will be the return journey. Flights from Luton to Nîmes on these dates are currently £110. A travel grant, of up to 50% of flight costs, is available to young people in full-time education. There are local hotels, if you prefer, at your personal cost.

If you are interested contact Chris on 241376 or email: clstilton@btinternet.com

We look forward to hearing from you.

St Christol les Alès is in the department of Gard on the edge of the beautiful hills of the Cevennes. It is situated 30 km NE of the Roman town of Nîmes and 4km from Alès, the capital of the Cevennes region. You can see more details on the Twinning link on the Stilton village web site www.stilton.org.
Every Thursday • 9.30am to 12.00pm
Every Saturday • 8.30am to 11.30am

Sociable indoor soft play session for parents and under 6’s.

There will be a variety of soft play equipment, bouncy castle and a ball pool for children to play in a safe environment.

Tea, coffee and a variety of treats also available.

A Pudding For Summer
SUMMER PUDDING - WHAT ELSE?

There is so much to choose from this month; strawberries and raspberries, lots of other soft fruits, peaches, apricots, cherries. Vegetables and salads are in abundance, beef and lamb are at their best.

But the obvious seasonal treat to go with a barbecue or Sunday lunch is Summer Pudding. This is easy to make, but impressive, and uses a great variety of fruits - whatever you like, any soft fruit, including blueberries, currants, even gooseberries or rhubarb.

Put 800gms of soft fruit in a pan with 150gms of sugar and 75ml of water. Heat gently, making sure the sugar has dissolved and the juices are running. At this point posh cooks add some Crème de Cassis or Framboise but it is not essential.

Meanwhile, take the crusts off eight slices of (preferably day-old) white bread. Snugly line a buttered two-pint pudding basin, cutting the slices to fit and even overlapping slightly; there must be no gaps. Keep two slices for the top. Put the fruit and most of the juice in the bowl, cover with the remaining bread. Put a saucer on top and a weight. Leave in the fridge overnight.

When ready to serve, place a serving plate on top then turn upside down. If there are white patches then spoon over the reserved juice.

Summer is here and the police have seen a slight increase in shed/garage burglaries across the district, writes Lee Hurley, PCSO, Huntingdonshire.

There have not been significant numbers of offences but it is clear that offenders target gardening equipment and power tools stored in outbuildings, sheds or garages.

If you have valuable items stored in such places, please consider the following crime prevention tips:-

1. Make your items difficult to steal. Fit added security on doors and windows, security lights in rear gardens, and alarms. Store high-value items within secure cabinets or chained to a fixed point on the ground.

2. Make your items unique. Mark up valuable items with your name or postcode using permanent markers or by etching into the metal/plastic.

3. Photograph or record serial numbers of high-value items. These things can make it easier for police to trace stolen items if sold secondhand.

Taking just a few simple steps can make a big difference in keeping your home safe from burglary this summer. Homes with no security measures are five times more likely to be burgled than those with even simple ones. Here are a few tips:

- Lock your doors and windows every time you leave the house - even when you're just out in the garden. Remember to double-lock UPVC doors (lift the handle and turn the key.)

- Hide all keys, including car keys, out of sight and away from the letterbox (remember a device could be used to hook keys through the letterbox.)

- Install a visible burglar alarm.

- Install good outside lighting.

- Get a trusted neighbour to keep an eye on your property.

- Leave radios or lights in your house on a timer to make the property appear occupied.

- Make sure the fences around your garden are in good condition, especially rear fences.
- Secure bikes at home by locking them to an immovable object inside a locked shed or garage.

- Keep ladders and tools stored away; don't leave them outside where they could be used to break into your home.

- Ensure side gates are locked to prevent access to the rear of the property.

- Improve natural surveillance at the front of your property, e.g. trim high hedges.

- Mark your property with postcode and house number and register your property for free with Immobilise.

- Consider joining or forming a Neighbourhood Watch scheme.

- Remove valuables from view through ground floor windows.

- Store any high-value items (jewellery, passports, etc) in a properly secured safe or a bank vault.

**Don’t Have a Scorcher!**

**TIMELY ADVICE FOR THE BARBECUE SEASON**

Cambridgeshire Fire and Rescue Service provide some top tips for staying fire safe with your summer outdoor activities:

When out camping or using a tent, never use candles or any naked flames inside or nearby. Always discourage smoking nearby, and never cook inside a tent either.

When cooking outdoors, keep the barbecue on level ground, **never** pour accelerator (e.g. petrol, paraffin, diesel etc) on it and use it well away from fences, sheds and foliage.

If you have a bonfire, build it well away from buildings, tents or other flammable objects and make sure it is properly out before you leave.

When out in the countryside, extinguish cigarettes properly and dispose of them responsibly – never throw a lit cigarette into a field or wooded area.

And don’t forget to stay safe around our county’s waterways. If you see someone in trouble in water, call 999 immediately with clear details of your location.

For the latest news, incidents and safety advice, or to contact CFRS, log on to www.cambsfire.gov.uk or call 01480 444500. Sign up to email alerts and find CFRS on Twitter, Instagram, YouTube and Facebook.

YGP Is On Facebook Now!

We are new to Facebook so bear with us while we update and tweak the information. Our intention is mainly to share practice-related information and news. It will not be regularly monitored and therefore you cannot make/cancel appointments or request prescriptions here. Please visit our website or call us to do this. We welcome feedback and are always looking for new ideas to improve our services.

We take patient confidentiality very seriously. Please note that it is a public page and comments posted will be visible to all. Please do not put any confidential or personal information on this page. We also reserve the right to delete any comments that are deemed offensive.

Patient Survey 2016

As part of our efforts to improve our services to patients, the Patients Association is encouraging patients to give their views about how the practice is doing. We would like to be able to ask the opinions of as many patients as possible.

We would be very grateful if you would be willing to complete one of our Patient Surveys. Completed surveys may be returned to Reception; alternatively you can complete the survey online at: www.yaxleygp.nhs.uk

We will keep your answers completely confidential.

Thank you.

Yaxley Foodbank Centre

A big thank you to all from Yaxley Foodbank Centre. We are approaching our first anniversary and are very grateful for the support from volunteers in the community who have regularly given their time to help those in difficult circumstances who need emergency food supplies.

We are also indebted to those who have given food so generously at the various collection points in the village and also in Farcet and Stilton. As of 12th June we have received donations of 367kg of food through the surgery collection point alone. This is a tremendous effort by all concerned and is much appreciated.

We have been invited by Yaxley Co-op to take part in a promotional weekend event on 15th and 16th July. Our volunteers would be delighted to talk to you about the foodbank if you are coming in to the store on those days. Many thanks once again for your generosity in helping those in need.
