Parish Council News

FROM THE APRIL MEETING

PARISH PRECEPT 2014/15
Eagle-eyed readers will have noticed that your Council Tax bills from HDC include a reduction in the Parish precept, the amount of money collected by HDC and paid over to the Parish Council for the costs incurred in providing local services. You might have had to look very closely – for a Band D property it amounts to a reduction of £2 per month.

OOPS!
Unfortunately this was a mistake, but it was not spotted before the Council Tax was confirmed. The Parish Council did not intend to reduce the precept for 2014/15 and must now tighten its belt to be able to meet its obligations in the year. The Council will have to cut back on its more discretionary spending in order to meet its contractual obligations, such as paying interest on its loans, and its contract with Fergusons.

It will also discuss with HDC whether the District Council is able to provide assistance in any way if this becomes necessary. In 2015/16 the precept will need to be returned to 2013/14 levels.

PLANNING
A revised plan for land adjacent to 9/10 Gala Close has been sent to Huntingdonshire District Council. The projected building is the same size with some minor modifications to the design. The inadequate access is unchanged. Stilton Parish Council still feels the plan is inappropriate for this site and will again oppose this development. A further issue is that of the footpath, which is still being considered by Cambs County Council.

VILLAGE SURVEY
On March 23 members of the Parish Council walked round the village noting where repairs were needed. In general, the village looks well-kept but a list of potholes both on roads and pavements will be sent to the relevant councils. Where repairs have already been made they are of a very poor quality; this will also be reported. The bus shelters will be repainted in the near future.

COST OF VANDALISM AND PETTY DAMAGE
The fence in Manor Road, destroyed by a small group of boys, cost over £1000 to reinstate. This is just one example of the cost of repairs. In future the Parish Council will take all possible steps to identify any offenders and will bill parents/guardians for the cost of the repairs.

MEETINGS MAY 13 2014
Both the Annual Parish Meeting and the Parish Council AGM will take place, starting at 7:30pm and followed by the regular meeting of Stilton Parish Council. Organizations are invited to submit their reports to the Clerk, (10 Caldecote Road) by May 10, for submission to the Annual Meeting.
PUBLIC CONSULTATION ON OLDER PEOPLE’S HEALTHCARE AND ADULT COMMUNITY SERVICES

The consultation document and questionnaire is available at the pharmacy and the doctors' surgeries, and online at www.cambridgeshireandpeterboroughccg.nhs.uk/. Public meetings are being held across the county; the nearest to Stilton are on Monday 2 June at the Fleet, High Street, Fletton PE2 8DL 1-2:30pm and 7-8:30pm.

We all know that current services do not always provide adequately for older people. This is an opportunity to influence changes in a climate of growing need and financial cutbacks.

SECONDARY SCHOOLS RESULTS IN CAMBRIDGESHIRE JANUARY 2014

Cambridgeshire is ranked a disappointing 73rd out of 152 local authorities. However, it is the worst funded county, getting £600 per pupil per year less than the average.

61% of students achieved at least 5 GCSE grades A*-C including English and Maths.

COME AND HAVE A GREAT DAY OUT AT CHEESE-ROLLING

We’ve got some great attractions cued up for May Day. New this year will be the real Anti-Pesto Austin A35 van used by Wallace & Gromit in the BAFTA and Oscar-winning animation *The Curse of the Were-Rabbit*.

Rick Landy told *SCAN*: The film took Aardman Animations five years to make; the van took 500 man-hours! It’s an exact replica of HOP 2IT, down to the last dent and scratch and has been voted one of the ten most iconic British film and television vehicles, alongside Dell Boy’s Reliant Regal and James Bond’s Aston Martin.

The van will be used to promote The Cracking Cheese Company Ltd, a new enterprise established to distribute and promote Stilton’s Village Blue (I can’t believe it’s not Stilton!) cheese and other fine English cheeses.

If you miss Cheese-Rolling, you’ll still be able to see the van at the Yaxley Festival and TruckFest.

ALL OUR FAVOURITES

Once again we welcome our regular entertainers: Magic Dave, Pig Dyke Molly, the Blue Vision Twirlers and our very own Helen Bloomfield. This year they’ll be joined by Stilton Judo Club, giving a demonstration, inviting youngsters to have a go, and explaining what Judo is all about.

The Blue Vision Twirlers come hot-foot from success at the UK Federation of Majorettes National Championships, where they twirled off with awards for Overall Troupe of the Cambridgeshire Region and Overall Military Troupe. If you’re an agile young person and want to join a winning team, they have a few openings for new members. Call the Troupe Leader, Jo Bathurst, on 01480 436516 or 07810 752457.

Refreshments will of course be abundant. If you fancy a few moments peace & quiet with a cuppa and a snack, the Cafe Royal will once again be in the Memorial Hall; proceeds to St Mary Magdalene Church.

Have a Go at Judo
FOR FUN AND FITNESS

It’s great to see youngsters like the Blue Vision team and Allan Jones’s Judo Club members discovering that there is a world beyond the X-Box and the smartphone. If twirling doesn’t appeal to you, why not have a go at Judo?

Allan writes: ‘I teach Judo at the Memorial Hall every Monday evening. Our younger group have progressed rapidly to the higher level group, so we are now able to welcome young beginners in the 4-8 yrs age range.

‘The club is very friendly and makes training great fun. Members train alone, with a partner and in a team, gaining valuable skills, self-confidence and physical fitness.’

The club has regular training days, competitions and gradings, and goes off to a summer camp in Norfolk every year.

Allan is a highly experienced Judo teacher who has been running classes in the area for over 30 years. He and some of his Stilton group will be displaying their skills in the arena at Cheese-Rolling this year, so why not come and watch? If you’re interested, you can even have a try to see what it’s like for yourself!

If can’t get to Cheese-Rolling, call Allan on 01733 325392 for more information.

On the Campaign Trail
LATEST ON THE STILTON CHEESE PROJECT

Stilton cheese is the only Protected Designation of Origin (PDO) food in the entire EU that cannot be made in the location it’s named after. How bizarre is that?

Having unearthed incontrovertible proof that Stilton cheese really did originate here, Rick Landy and a small team of like-minded people are lobbying hard to change that. But it’s a struggle against the inertia of officialdom. Good news however, is that the team have local MP Shailesh Vara fighting their corner and trying to steer the campaign through the inevitable obstacles to change.

The foundation of the original PDO is based on scant evidence, easily refuted, so the facts of history are on our side.

DEFRA rules on the matter are, needless to say, vague and inconsistent concerning who makes how much of what type of cheese and how they sell it, so the team have established the Original Cheese Company to make Stilton’s Village Blue cheese and The Cracking Cheese Company Ltd to distribute and promote it, along with other fine English cheeses.

Latest promotional initiative is the acquisition of the replica Austin A35 van that Wallace & Gromit used in the Curse of the Were-Rabbit movie. You will see this iconic vehicle at Cheese-Rolling and other local events, before it finally makes its home at the National Motor Museum in Beaulieu.

Pictured below with the van is Nick Park (on left), the Oscar-winning creator of Wallace & Gromit.
We have now finished our Spring term at Stilton Primary School. Recently, children across the whole school performed songs they have learnt in their music lessons, to their grown-ups. Owl, Robin and Otter class's performance included songs about fairy tales, such as Jack and the Beanstalk and Sleeping Beauty. Rabbit, Badger and Hedgehog Classes performed songs that linked to their Space topic.

We have also recently had a day in school dedicated to RE to celebrate Easter. Classes were mixed up and the children were split into small groups. The children took part in a range of activities, including making crosses out of different materials, acting out bible stories and using percussion instruments to learn about Christian music. Some children also planted new flowers in our Peace Garden.

We rounded off our term with our Easter Service in the church. It was wonderful to see so many of the children's grown-ups there too! Children representing each class took part in the service, including reading bible stories, showing their art work and talking about the meaning of Easter.

Later in the day, FoSS (Friends of Stilton School) organised our annual Easter Egg Hunt. The children were split into small groups, with each Year 6 child being a team leader. The children had to work together to find letters around the playground that spelt out a secret message. We had a special visit from the Easter bunny as well!
Summer really is on its way, but first of all we need to clear up after Spring. 2014 has been a great year for the spring-flowering bulbs, but now they are looking sad.

To ensure a good display next year, chop off the dead flower heads but don’t remove the leaves because they give back energy to the bulb as they wither naturally. Don’t bunch the leaves either; they need to get the sun. Leave for 6-8 weeks, when they will be about dead and can trimmed off. They may look unsightly but it is vital to leave them. They still need moisture so water if necessary. Take particular care of bulbs in containers; they will benefit from feeding with a general-purpose fertilizer.

If the clumps have become too large you should lift and divide them so you have more next year. Otherwise leave them in the garden to flower again next year.

GREAT NEWS! NO PRICE RISES FOR THE FOURTH YEAR RUNNING!

Despite increasing cost pressures - particularly heating charges - the Management Committee has decided to continue to hold letting charges for our local community at 2010 rates. Please continue to support and enjoy your Memorial Hall. With seasons greetings and very best wishes for 2014 to all the users of the Memorial Hall.

To book the Hall, please contact the Booking Secretary:
Jade Smith  15 Woodward Close  (01733) 735001

If leaving a message, please provide a LANDLINE PHONE NUMBER and you will be contacted promptly. (It’s very expensive having to reply to lots of mobiles!)

Parish Meeting Room

The Parish Room will be open from 10am to 11am immediately following Parish Council meetings, which are on the Wednesday following the second Tuesday in the month. If you want to speak with the Clerk at any other time, please make an appointment. Planning applications can be viewed by appointment; telephone (01733) 229130.

HIRING THE ROOM

The Meeting Room is available for hire between 9am and 10:30pm Monday to Saturday; Sunday hours by arrangement. A booking form and conditions of hire are available from the Clerk to Stilton Parish Council.

The Room seats up to 20 people, ideal for small clubs or committee meetings. It has broadband, a kitchen area and toilet suitable for use by disabled people. Users should note that smoking is not permitted in any part of the building or in the surrounding cemetery.

Spring’s Here - Lock Your Car!
AND WATCH OUT FOR DODGY COLD-CALLERS TOO

THEFTS FROM VEHICLES AT BEAUTY SPOTS

With the improving weather and lighter evenings, we all want to get out and enjoy it; whether it be a walk in the open air with the dog, bird watching, or other recreational activities. Recently police have received a number of reports of vehicles being broken into after being left locked and secure by their owners. Two of these reports were on Saturday 29th March, at Holme Fen Woods. Vehicles were broken into between the hours of 13:45 and 15:30, by the rear window being smashed and items taken from both the back seat and the boot. In one case, the items were not visible from outside, which suggests this was an opportunist.

We are asking all members of the local community to be vigilant when out and about and to report anything suspicious by dialling 101. If the crime is actually in progress, then dial 999 so that officers can be immediately dispatched.

Particularly when leaving your car at beauty spots or other recreational areas, please ensure that all valuables are kept on your person, or left at home if you don't really need to take them with you. As always, our message is to ensure that nothing is left on show that would tempt would-be thieves.

ARE YOU PROTECTED FROM COLD CALLING IN YOUR STREET?

Whilst investigating burglaries, it has often come to light that neighbours have reported cold callers knocking at doors prior to the offence occurring. There is no evidence to prove that these cold callers are responsible for the burglaries, but a link has been made.

Cold calling is not illegal. However, any trader who ignores a sticker or notice on your door stating that you do not wish to receive cold calls may be committing a criminal offence. Likewise, any trader who ignores any requests by you to leave and not return is committing a criminal offence.

If you do see cold callers in your street and you feel that they may be suspicious, please call 101 so that police can come out and obtain their details. If they are genuine then they should have no problem being stopped by police and if they are not then we will have their details and hopefully will have prevented any offences occurring. Either way, a win-win situation.
With the Easter holidays approaching and people going away for periods of time we often see a rise in burglary offences. Police are putting out additional patrols and will be out and about in your neighbourhood but they are asking for you to look at how secure your home is to assist us in stopping thieves.

The checklist below gives security measures that make it as difficult as possible for offenders to target your home. Top marks if you can say yes to most of them!

**HOME SECURITY SELF-ASSESSMENT**

Most burglars are opportunists and will break into homes that are easy i.e with no security, look unoccupied or think they will not be seen. Good security and basic precautions will reduce the chance of your home being burgled. Assess the security of your property by using this checklist:

- **Outside Security**
  - Are your boundary fences / walls / hedges in good condition?
  - Are they high enough at the rear to prevent climbing and low enough at the front to provide good visibility to surrounding houses (witnesses)?
  - Do you have locks on side gates?
  - Do you have outside security lighting?

- **Sheds/Outbuildings/Garages**
  - Do you have strong locks fitted?
  - Are hinges exposed?
  - Are windows secure and the view obscured?
  - Are tools and ladders put away?
  - Is your garage integral to the house? Yes? treat the integral door as if it were an external door.

- **Internal Security**
  - Is your valuable property marked / registered / photographed?
  - Do you have a safe?
  - Are valuable items away from windows?
  - Do you have a burglar alarm?
  - Have you got lighting timers?
  - Thieves can hook keys through letterboxes or cat flaps; are house and car keys kept away from doors / windows?
  - Are you a member of Neighbourhood Watch or Countryside Watch?
  - If you are looking to improve your security always look for installers who are members of a recognised inspecting body, obtain references and recommendations where possible.

For more security advice please go to www.cambs-police.co.uk

FANCY BEING A VOLUNTEER READER?

STORYTIME VOLUNTEER NEEDED!
If you enjoy reading stories and could spare an hour on a Tuesday morning you may be interested in joining us as a Storytime volunteer. Please call in to Yaxley Library for more information.

RHYMETIME & STORYTIME
Rhymetime, aimed at children aged 0-18 months, continues every Friday morning from 10:30-11am during term time. Storytime, aimed at children from 18 months to 5 years, continues on alternate Tuesdays from 10:30am-11am; dates in May are the 6th and 20th.

SUMMER READING CHALLENGE
Are you aged 12-16 years with a few hours to spare over the long summer holidays? If so you may like to join us in Yaxley Library helping younger children through the Summer Reading Challenge. This is a fun role that involves talking to children about their reading and helping with preparation and craft activities. Call in to Yaxley Library to register your interest today!

EngAge
The next EngAge event is Colour in Your Life with Jill Waddell on Wednesday 21st May at 2pm. Free tickets for this event are available in Yaxley Library from 1st April, but hurry; numbers are limited.

KNITTING GROUP
Our popular knitting group will be meeting in the library on alternate Thursday afternoons. New members are always welcome.

ANYONE FOR SCRABBLE?
Do you fancy a game of Scrabble? Come and join in a game or two on a Monday afternoon from 3pm.

HIGHWAYS INFORMATION DROP-IN SESSION
Local Highways Officer Les Middleton will be in Yaxley Library on alternate Thursday mornings from 10am to 1pm to discuss any issues or concerns that you may have relating to public highways.

YAXLEY FESTIVAL COMPETITION
Yaxley Library will be running a report-writing competition in conjunction with FOYL - Friends of Yaxley Library.

The competition is open to all primary school-aged children and will be judged in two age categories: 4-7 years and 8-11 years.

After you have enjoyed the festival weekend, write a short report (approx. 250 words) on anything you enjoyed or observed at the festival; you may include a small picture too. The reports should be dropped in to Yaxley Library by Saturday 31st May. Please include your name, address and age on the back of your report.
Fancy a different read? Not sure what to try?

We now have a regular visiting collection of books on a different theme. Come in and have a browse! Themes to date have been Mediaeval Crime and Chocolate!

DO YOU NEED SOME BASIC COMPUTER HELP?
Our computer buddy volunteers are available (by appointment) to offer free basic help to beginners. Mouse practice, keyboard skills, word processing, emailing and internet searching help is available. If you would like to make an appointment, please speak to a member of the library staff.

Group Visit to St Christol

27 - 31 May 2014

The St Christol Twinning Association has kindly invited a group of up to 25 from Stilton and District to visit St Christol. The group will be a mix of adults and young people.

Whilst there we will enjoy a great programme. The main feature will be to experience the Alès Fêria, an annual fête and festival unique to this area of France. You will be wonderfully hosted including, of course, excellent wine and food.

If you are interested contact, asap, Chris and Linda on 241376 or email: clstilton@btinternet.com

St Christol les Alès is in the department of Gard on the edge of the beautiful hills of the Cevennes. It is situated 30 km NE of the Roman town of Nîmes and 4km from Alès, the capital of the Cevennes region.

The flight will be from Luton to Nîmes with Ryanair to be booked personally once your being part of the group is confirmed. Participants can make their own travel arrangements by train or car if they wish.

Those taking part will be hosted by St Christol families. The only cost will be the return journey. Flights from Luton to Nîmes on these dates are currently £48. A travel grant, of up to 50% of flight costs, is available to young people in full-time education.

RePaint – Recycle – Reuse
VALUABLE SCHEME FOR RESCUING SURPLUS PAINT

The Cambridgeshire Community RePaint scheme was launched in 2011 and involves the collection of paint from household recycling centres. It is then sorted and any reusable paint is offered for sale at low cost (significantly less than it would cost from a DIY retail supplier). For example, the RRP of 2.5 litres of Crown or Dulux coloured emulsion is currently £17.99 whereas the CCORRN* price for the same product is just £4.00.

There are many benefits of the Community RePaint scheme including:

- It prevents reusable paint from having to be disposed of (which is expensive and not very environmentally friendly)
- Low cost paint is made available to all and particularly benefits community groups and those on low incomes
- It provides employment and volunteering opportunities at CCORRN, developing real work-related skills and boosting the confidence of the volunteers, making them more employable.
- Community groups, charities and schools can apply for the monthly 'Get Painted' award, which gifts up to 240 litres of paint to improvement projects, breathing new life into tired buildings (which often enables them to increase participation in and usage of the community's facilities).

Accessing Adult Social Care

Social care is provided to people who have been assessed as having substantial or critical support needs with personal care, getting meals, managing medication and staying safe.

Social care is personal and practical support to help people live their lives by supporting them to maintain their independence and dignity and ensuring they have choice and control over the support they receive. Many people don't think about social care until they or someone they know need support, and then find they are unsure about where to find information or how to access the services they need.

Adult social care customer services are the initial point of contact for all social care enquiries. The trained staff know about the services available and can offer advice on who else may be able to help. Call them on 0345 045 5202. You can also find out more about adult social care in Cambridgeshire on the website below.

If you think you may need help with mental health issues you should contact your GP in the first instance.

In the U.S. almost every day is a Food Holiday when the focus is on some particular food or another. **SCAN** hoped to find May 5’s celebratory grub would link with Cheese Rolling, but the best we found is National Herb Week and National Raisin week both occurring from 4 to 10 May. The day itself, May 5, is dedicated to both Chocolate Custard and Hoagies!

**WHAT, YOU ASK, IS A HOAGIE?**

It's a regional name for a sandwich made out of a long roll of French bread, split lengthwise and filled. It’s also called a submarine, a hero or a grinder. It seems to have originated in the north east among the Italian American community as a light snack; here it would feed a family for a week!

Use whatever filling you like - cheese, meat, salad, fish - as long as the roll is first buttered and then filled generously.

**COWARDLY CUSTARD**

Chocolate custard can be made with good old Bird's Custard Powder, by adding one tablespoon of cocoa powder before making the paste. Our Editor is of the opinion that the only real custard is that made by Bird's, but if you don't want to cheat then melt 80g plain chocolate in 500ml milk, 150g caster sugar and a little vanilla extract. Simmer, but **don't let it boil**. Remove from the heat, slowly add five beaten egg yolks, whisking vigorously. It will thicken.

If you worry what all this would do for your waistline, we recommend joining the Stilton Stumblers on one of their outings to burn off a few of the excess calories!

What do we get up to at YGP?

I have seen many changes in the 20 years since I started at the surgery, writes Dr Alison Graham. One thing for certain is we are much busier!

WHAT HAS CHANGED IN 20 YEARS?

- We have grown from 11,856 to 15,341 patients
- We have increased from 59 doctor surgeries and no Nurse Practitioners to 48 doctor surgeries plus 10 Nurse Practitioner/Emergency Care practitioner sessions (not including our registrars)
- We are contacted more often by each patient than we ever were, up from 3.87 to 6.89 - almost double.
- We are now dealing with more complex patients who remain under our care when historically they would have been looked after by the hospital, for example, enabling terminally ill patients to die comfortably at home if that is their wish.
- We are able to do more for each patient now which has resulted in better health for patients but generates more work for our team; e.g. heart failure used to be treated with one drug, one blood test and perhaps one check up a year. Now it can involve over 60 contacts with the surgery in the first year after diagnosis alone in order to stabilise a patient on all the recommended drugs.
- More drugs means more prescriptions - we currently write 258,907 items per year
- More referrals means we type 6718 letters a year
- More drugs means more blood tests - 9894 blood samples have been taken at the practice last year
- More conditions, such as suspected deep vein thrombosis, can be treated in the community, avoiding hospital admission. This is tested for at YGP with a blood test followed by a scan (also at YGP). Medication is then started by the GP and all monitoring done by us as well. 20 years ago a suspected DVT meant a week-long admission and blood tests at the hospital for six months.
- Our turnover of patients is higher due to a more transient population and every time a patient registers this generates a lot of administrative work in order to ensure our computerised record is of a high quality.
- We do more minor operations, more coils, more contraceptive implants and deal with more minor injuries than ever before.
- We have over 12,000 attempted calls per month (it was almost 30,000 before Dr First) and a busy Monday can generate up to 800 alone.

We constantly have to develop ways to cope with the rising demand and it is our aim to provide the highest quality of care at all times. It is a shame that NHS funding has not followed the move of work into primary care or we could do even more!
Dr First
SECOND BIRTHDAY

It is now two years since we changed to the Dr First appointment system, which overall has been a great success, writes Dr Alison Graham. It has meant that we have been able to offer same-day appointments to any patient who requests one and allow 100% of patients to speak to a doctor on the day they call. We are able to help 25% more people with the same staffing levels (or, put another way, the traditional way of seeing patients was 25% less efficient.)

Continuity of care is much better, which means as a doctor I am seeing more of my own patients and am better able to follow them through a particular episode of illness. This is safer and a more satisfying experience for both doctor and patient. The positive feedback has far outweighed the negative and we feel the service is safer. There is however still room for improvement and no system will ever suit all patients all the time.

What I have found though is that if I discuss any difficulties with a patient and explain how we can adjust the system to suit the issues they face, I have yet to find a problem we cannot resolve. Some of these solutions can be found on the web site or ask reception for a paper copy of our Dr First Fact Sheet.

COMMON MISCONCEPTIONS
• A telephone consultation is compulsory before an appointment is granted - not true. The doctors do need to speak to everyone but sometimes that may be simply to arrange an appointment if it is not possible to speak freely e.g. from an open-plan office.

• There is no point in giving any information to reception - not true. If you are willing to share a simple outline of the reason for the call it helps the doctor to prioritise the calls and you may be contacted sooner as a result.

• It is necessary to be available 'all day' to take a call back - not true. It is actually helpful to have a preferred call-back time. We want the call to be successful and knowing when you are available to answer the phone is key to achieving that.

• It is necessary to call first thing in the morning or we will be full - not true. We continue working each day until we have finished. The phones are still busy between 8 and 9, especially on a Monday. If your call is not medically urgent then call at other times and you should find it easier to get through.

How can YOU help to make the system work even better?
1. Unless medically urgent, avoid calling between 8-9 am
2. Avoid calling Monday morning if possible
3. Tell reception when you can take a call back
4. Tell reception if you are certain an appointment will be required and when you could come in (just in case we get your answerphone)

WHAT STILL NEEDS TO IMPROVE?
We are aware that we haven't yet got the staffing levels right at peak times in reception and we are reviewing this so as to improve further the telephone answering times. These are better than they were before but are still not as good as we want them to be.
NICE Email Scam
(NATIONAL INSTITUTE FOR HEALTH AND CARE EXCELLENCE)

Can we please ask you to be aware of an email scam which is currently doing the rounds, purporting to be from NICE entitled ‘IMPORTANT: Blood Analysis’ and suggesting the recipient has a low white blood count and may have cancer, asking them to print out attached CBC test results and take them to their family doctor.

This email is not from NICE and they advise patients to ignore the message and not to open the attachment or click on any links. They also advise that the email should be deleted and definitely don't reply.

RCGP Campaign
PUT PATIENTS FIRST - BACK GENERAL PRACTICE

The number of patients needing to see their GP is increasing, yet funding for general practice is falling year on year. This means that millions of patients are waiting a week or more to see their GP and the amount spent per patient is in decline. To protect high quality services for all patients, the Royal College of GPs and the National Association for Patient Participation are campaigning for the governments of the UK to increase funding for general practice from 8.39% to 11% for the NHS budget by 2017.

To find out more about this campaign and give it your support visit www.putpatientsfirst.rcgp.org.uk

Diary Dates
BANK HOLIDAY CLOSURES

The surgery will be closed for the Early Spring Bank Holiday, Monday 5th May and the Spring Bank Holiday Monday 26th May.

The practice will be open on Saturdays 3rd and 24th May in the morning only.

Please ensure you have sufficient medication for that period. Orders for necessary repeat prescriptions should be made as early as possible in advance.

CARER SUPPORT GROUP MEETING

The next meeting of the Carer Support Group will be on Wednesday 7th May between 2pm - 4pm in the Health Education Room.

Peter Wetherell from Disability Cambridgeshire will be attending this meeting.

We are always keen to welcome any carer to our small but friendly group. For more information please speak to Linda in the Patients’ Library.

All carers are most welcome to attend.

The Fire Service Needs Volunteers
CAN YOU HELP SPREAD GOOD ADVICE?

The fire service needs volunteers in Stilton! The Cambridgeshire Fire and Rescue Service Community Champions scheme has been running for two years and now more volunteers are being recruited. The Champions promote fire safety in their communities by attending local events to promote fire safety, talk to local groups and organisations, and also refer vulnerable people to CFRS for home fire safety visits.

So could you help your community stay fire safe? Find out more by contacting Rachael Brown on 01353 865037 or email Rachael.brown@cambsacre.org.uk.

Make sure fire safety still stays at the forefront of your mind in May - and don't forget to test your smoke alarm and the smoke alarms of the vulnerable and elderly in your neighbourhood.
