Proposed Changes to Election Boundaries

PARLIAMENTARY CONSTITUENCIES

A reduction in the number of MPs from 650 to 600, which involves changes to constituency boundaries to even out the number of eligible voters in each; roughly 74,800. With almost 90,000 voters our constituency, NW Cambridgeshire, is the second largest in England. It is proposed to move Earith into South Cambridgeshire and Fletton and Woodston into Peterborough.

DISTRICT COUNCIL BOUNDARIES

No change to the number of District Councillors, which will remain at 52. Changes to ward boundaries are designed to ensure that each councillor represents roughly the same number of electors. The new arrangements will be implemented in local elections in May 2018. This is one year earlier than previously planned.

We will be part of Stilton, Folksworth and Washingley Ward (which stretches from Gidding to Alwalton) and we will elect two District Councillors.

PARISH COUNCIL

There are no proposed changes except that the next election will be May 2018, one year earlier than expected.

Fireworks Season!

Overleaf, Cambs Fire & Rescue service offer timely advice on keeping safe on Guy Fawkes Night. The best advice is to attend an organized display, but if you decide to celebrate at home please follow the official advice and also warn your neighbours - or best of all invite them to join in.

Have the fireworks first and then the party. That way avoids disturbing other people with loud bangs late at night, and ensures you are still alert enough to act sensibly!

Remember the pets as well. Dogs and cats find fireworks scary so keep them indoors and draw the curtains to reduce the noise. Put on the TV or radio which is familiar noise. There is good advice on the RSPCA website www.rspca.org.uk

Firework Fun!
HOW TO ENJOY THE CELEBRATIONS SAFELY

An organised firework display can be a great family night out. But if you plan on having your own bonfire night celebration at home, please consider this sound advice from Cambridgeshire Fire and Rescue Service:

**FIREWORKS**

- **Only** buy fireworks marked BS 7114
- Light fireworks at arm’s length using a taper; stand well back and **never** go back to a lit firework
- **Never** throw fireworks or put them in your pockets or clothing
- **Light sparklers one at a time** wearing gloves, and place used sparklers in a bucket of water
- **Never** give sparklers to children under five
- It is illegal to sell fireworks to someone under the age of 18 or to light fireworks in a public place
- **Always** consider animals and wildlife nearby when holding a firework display
- **Always** consider the location of a bonfire or firework display; smoke drifting near or on to surrounding roads can have devastating consequences.

**BONFIRES**

- **Do not** light bonfires in unsuitable weather conditions, particularly if windy
- **Do not** leave bonfires unattended
- Keep a bucket of water or a hosepipe handy just in case
- Build bonfires well clear of buildings, garden sheds, fences and hedges
- **Never** use flammable liquids to start the fire
- **Never** burn dangerous rubbish such as aerosols, paint, foam furniture, rubber tyres, batteries, etc
- Before you light the bonfire, check that children or animals are not hiding inside and are a safe distance away.

For more information on firework safety, visit www.hse.gov.uk And have a good time!

Stilton School Improvement Plans

After a disappointing OFSTED inspection last July, which put the school into special measures, a great deal of hard work has gone into addressing the identified weaknesses. Opposite is the recent letter to parents from the new Chair of Governors, Stephen Bennett, which explains what is happening, including the move towards academisation.

The full OFSTED report is available for download from www.stiltonprimary.co.uk. While it has identified important deficiencies to be rectified, it rightly highlights the positive aspects of Stilton School and gives a ‘good’ verdict for the children's personal development which is grounds for congratulation.

To: Parents and Carers

The following is a precis of a letter to parents and carers from Chair of Governors Stephen Bennett. You can download the full text from the school website.

Let me begin by offering the apologies of your Governing Body for the outcome of the OFSTED report. Rest assured that I will be doing everything within my powers to help bring about the required improvements.

During the OFSTED report meeting it became apparent that parents wanted better communication between school and home, so I am writing to update you on some of the measures we have taken to get us moving on our improvement journey.

We now have both the Head’s and the local authority’s improvement plans, which you can find on www.stiltonprimary.co.uk (go to School Information and then the School Improvement tab). We intend to closely monitor progress against these plans and the impact of the actions the school are taking. We have restructured our governor sub-committees to monitor the key areas of Teaching & Learning, Leadership and Management, and provision for vulnerable pupils. We have carried out skills audits to have the skills to monitor effectively and have also planned several training sessions, early next half term, focused on challenging the school and effective monitoring. I will report on our findings in my next update.

I have also met with members of our Local Authority Implementation Group (LAIG). We have our Primary Adviser visiting weekly and have had visits from the English and Early Years advisers. Our Senior Leadership Team report that the Local Authority (LA) support has been effective and helpful. Our LA team also reported that our Head has moved the school forward in a short space of time by putting in good systems and processes and addressing weaknesses. Our Deputy Head is contributing effectively to improvement. Reports from the advisers have expressed improvements in assessment and the differentiation of classroom teaching to cater for pupils of all abilities.

Our Year 6 and Special Educational Needs (SEN) teacher is now in post. She is working closely with parents and carers of our SEN children and has procedures and processes in place to support our SEN children. The LA SEN team are pleased by what has been achieved so far. We continue to work hard to fill our staffing gap in Year 1.

There is still a lot to do and changes to make. Assessments will have more rigour and expectations increased for staff, pupils and us as parents and carers. I urge you to join the parents’ forum that will begin after half term and please speak to your class teachers during the consultations to learn how you can help support your child’s learning.

Finally, I have asked our chosen multi-academy trust, DEMAT, to come to school to hold a parents’ information meeting where they can present their capabilities and we can ask questions. I will let you know once a firm date and time has been agreed.

From the Governors

REMEMBRANCE DAY IN STILTON

ARMISTICE DAY

Poppies will be laid on the graves of the Stilton men who lost their lives in the World Wars and are buried in their home village.

REMEMBRANCE DAY
Sunday November 12 at 10:50am at St. Mary Magdelene Church.

Remembrance Service with the laying of poppies on the altar and the recited names of the fallen of Stilton and Caldecote.

PEBBLES FOR REMEMBRANCE
Stilton Schools Art Club, led by Sara Dunleavy, are painting poppies on pebbles for Remembrance Weekend. The pebbles will be hidden around Stilton and Folksworth for people to find and keep, or to hide again for someone else to find.

If you find a pebble or want to leave a clue where to find one you can go to Facebook, love on the rocks Peterborough. If you don't want to use Facebook one idea is to put your 'find' round the Olive tree which is at the front of Stilton Church. This is the site of our Garden of Remembrance where individual crosses can be left.

Thank you!
The Macmillan Coffee Morning held in the Church Hall in the 29th September was a huge success. A heartfelt thank you to everyone who helped, baked, donated and came to enjoy a cuppa and a slice.

The *Stilton in Tune* programme is going well despite the holiday lull in attendances, writes *Tony Oliver*. But now this period is over I hope that the good people of Stilton and the surrounding area will give us a try so that ‘Your Kind of Music’ can donate more cash to this great venue. Many have already made this music and social event a regular date in their diaries, so why not join them for a fun afternoon!

Our last keyboard player was international organist Chris Powell, who entertained us with a mixture of music from show tunes, standards, rock ‘n’ roll, big band and even a little light classical. His finale was a rousing ‘Last Night of the Proms’ selection for which he received a standing ovation!

Remember that, although the word ‘organ’ appears occasionally, these modern electronic instruments produce sounds you would never have thought possible. They are not church or theatre organs (although they can replicate their sounds) but are multi-voiced musical masterpieces that can produce the sound of any instrument from an orchestra. They have to be heard to be believed!

Our next date is Sunday 12th November and stars one of the country’s younger (just!) top artistes, Brett Wales from Nottingham, whose musical programme is always varied and entertaining.

The Pavilion needs your support so come along for an afternoon of live music and fun in a friendly and warm atmosphere. Cost of all this is just £7.50 per person (payable at the door) which includes interval refreshments of tea, coffee, soft drinks and cakes! The music starts at 2:30pm (doors open at 2pm) and finishes around 5pm.

My team of helpers look forward to greeting you.

Folksworth Primary School

Now that the clocks have changed it feels as though winter is just around the corner. But there will be no hibernating here! In fact, quite the opposite - our children have been very much out and about!

Maple Class were delighted to find that their topic this term was 'Scrumdiddlyumptious'. They have been busy finding out all about the way chocolate is grown, designed and made, including a chance to invent their own chocolate bars. The 'Gloriumptious' prototypes were then tasted and improved before the final results were revealed.

As a result of their hard work on this topic, all the children won a 'Golden Ticket' and went to Cadbury World to see how some of their favourite bars are actually made. It was wonderful to see the process through from start to finish, and I am delighted to say that all the children were returned home safely at the end of the day…without the aid of a single Oompa Loompa!

The Fox

We are proud to announce that The Fox has been listed in the coveted Michelin Guide for 2018. The Guide inspectors said: ‘The Fox's dining room is hung with chandeliers and its light, bright bar is filled with designer furniture and has sliding doors which open onto a huge terrace. Dine on pub favourites or more creative modern dishes.’ We would like to thank all of the locals from the nearby villages for their support and patience helping us to be successful. For up to date information please visit our website: www.foxatfolksworth.co.uk/

Folksworth PTA

The PTA are busy planning the Christmas Fayre which will be at the Folksworth C of E school on Apreece Road in Folksworth on Saturday 2nd December 1pm - 4pm. We warmly welcome ALL residents of Folksworth and the surrounding villages to come and join us, along with the friends and families of the school children.

There will be a great variety of stalls so you can treat yourself or buy some presents. Lots of craft activities for children to do in ‘Santa's workshop’, as well as a few traditional games; guess the weight of the Christmas cake, a festive food tombola and a raffle with some excellent prizes. We will be welcoming two very special guests, Peterborough Mayor John Fox will be stopping by and Father Christmas will be in his grotto ready to visit the children. The
grotto has kindly been sponsored by Ratcliffes Recovery with presents supplied by SIS Digital and Princebuild. Don't forget to bring your camera and take lots of photos!

The children will be adding to the festivities with some festive singing so please come along and get in the Christmas spirit; we're sure it's going to be fun.

Rainbows

Folksworth Rainbows have had a busy time so far this term - and it isn't even half term yet! We've had a games evening and a mask making evening during the first two weeks of term. To make up for not being able to go to The Fun Park in Folksworth before the end of the summer term because of the rain, we spent an evening there at the end of September. It was a bit chilly but, thankfully, dry and the girls enjoyed a fun time on the play equipment.

The following Tuesday, we met at Tescos at Serpentine Green and were treated to a session called From Farm to Fork, led by their Happy Project Leader who was brilliant! As the title suggests, we learnt where our food comes from and how it gets into the shops. We could see what went on and what was stored in the warehouse and also in the refrigerators. Brrrrr! But even more brrrrrr, we were allowed to go inside a freezer! Understandably, we didn't stay for long! However, I think it was the highlight of the visit for the Rainbows!

Having lost two Rainbows at the end of the summer term, we were very pleased to welcome two new girls on 10th October. We hope they enjoy their time with us.

We have just had our regular termly visit from our very own 'mad scientist.' We had an excellent time making slime, once we were togged up in aprons, gloves and goggles! The slime started its life as two liquids that when stirred together formed slime! The mad scientist explained all about the molecules combining to produce the slime. We popped the slime into plastic bags so that we could mould it into a shape then, still with our gloves on, we took it out and discovered that the slime could be bounced! We went off to play a game leaving the round balls of slime on the table, only to find on our return, that they were no longer ball shape but as flat as a pancake! More scientific explanation but I must admit I can't remember how they became flat!

We have more things planned for the second half of the autumn term which we hope the Rainbows will enjoy. Watch this space!
Folksworth, Washingley & Morborne Village Hall

We continue to get great feedback from users on the improved village hall. There's lots more we want do, including installation of storage cupboards to give groups a safe and secure place to keep their records and the village archives.

Our ambitious plans for the second phase of development will include a new toilet block as well as an additional meeting/community room which can be used even if the main hall is occupied. We do need planning permission for the next stage and once received we will be able to apply for grants to help fund the costs of the extension.

A programme of fund raising is under way including a ‘Bingo and Bar’ night on Friday 1st December. (See ad in this issue.) Do please support your Village Hall by attending as many events as you can.

For hall bookings please contact Mrs. Joy Blythe on 01733 241938.

News from St Helen's

A big thank you to Sara, our head chef, Hege and her team of very willing helpers, to John and Elizabeth for cooking the potatoes and to all who donated food and made desserts for our Harvest Supper - and thank you for supporting us and making our evening so successful. £236 was given to the school for a charity of their choice with a similar amount being sent to charity by St Helen's. Your generosity is very much appreciated.

Thank you to the Folksworth Pre-school for decorating the hall and to the school PTA for their support.

We are holding a ‘Nordic Style Christmas Charity Event’ on Saturday 9th of December from 4 until 6 pm. Everyone welcome and all profits go towards the upkeep of our historic church.

We're also taking pre-orders for decorative Christmas tins of Scandinavia's most popular gingerbread biscuits (from a well-known Scandinavian stockist) for just £4 per tin. Tins can be reserved in advance and collected and paid at the event. Please email hegemmg@gmail.com to place your order.

FOLKSWORTH & WASHINGLEY PARISH COUNCIL REPORT

Dog Walking

People are still walking their dogs across farmers' fields. It is important to keep to the marked public footpaths with dogs under close control. Dogs are NOT allowed on the Recreation Ground at the bottom of Townsend Way and when walked in the village MUST be on a lead and any waste collected and deposited in one of the many bins.

Works to Trees

During the next few weeks work will be starting on various trees in the parish. If you have a problem tree near you please get in touch with me.

HGVs

The Parish Council is still pursuing the implementation of a width limit for the village, due to the increase in number and frequency of HGVs in the parish. This is not an easy task and evidence is needed. Residents have started to send me photos of instances, particularly around the area of the double bends in Manor Road, and I need as many different ones as possible to build our case. An independent traffic survey will also be undertaken. Any information or documentation would be appreciated.

The Parish Council meets on the third Tuesday of the month at 7:20 in the Village Hall, Manor Road. Agendas and Minutes can be found on the noticeboards and on Council's website. ALL PROFIT WILL GO TOWARDS FURTHER IMPROVEMENTS TO THE VILLAGE HALL
Winter weather can be seriously bad for our health. Being cold can aggravate existing conditions and raise the risk of increased blood pressure, heart attacks and strokes. However, there are lots of things you can do to stay well this winter.

- **Get expert advice from your pharmacist**
  If you start to feel unwell, even if it's a cough or a cold, don't wait until it gets more serious. Seek advice on the best treatment from your local pharmacist.

- **Make sure you get your free flu jab**
  Flu is a highly contagious and can cause serious complications for at risk groups. Adults over 65; those with long-term health conditions; children aged two to eight; carers and pregnant women may all be eligible for a free flu vaccination - ask your GP practice today.

- **Stock up your medicine cabinet**
  A well-stocked medicine cabinet can help you treat common winter ailments such as coughs, colds, sore throats and sickness bugs at home and will save you going out if you feel unwell. Ask your pharmacist about essential medicines to keep at home.

- **Keep warm**
  Keeping warm, both inside and outdoors, over the winter months can help to prevent colds, flu and more serious health problems such as heart attacks, strokes, pneumonia and depression.

- **Get the right help**
  Make sure you're receiving all the help you are entitled to. Learn how to make your home more energy efficient and take advantage of financial schemes to keep up with energy bills.

Saturday, November 25th at 7:30 pm in Stilton Church

Ball & Socket have been entertaining discerning audiences for over thirty years and are pleased to offer their services for a fund-raising event.

The audience can look forward to a programme that is a varied and humorous musical evening with attempts at local and topical relevance, updating words as appropriate, including some opportunities to join in.

Gardening in November
HOW TO GET SOME WINTER COLOUR

With some planning and preparation, it is possible to keep colour and growth going over the winter.

Winter-flowering pansies will give a lovely show in pots or hanging baskets until next spring if dead headed regularly (and watered if necessary). Paperwhite narcissi are indoor bulbs that can be planted now in time for Christmas flowering, but there is still time to plant outdoor bulbs, particularly narcissi and daffodils, to flower early in the winter. This is the best month to plant tulips; they will look stunning if planted among wallflowers.

Cut back old hellebore leaves, being careful not to damage any small flower buds.

Of course, rake up fallen leaves on lawns. Composted, they make excellent material for sowing seeds in. You can leave them as a mulch on flowerbeds as long as they are not too deep and are not covering herbs and perennials.

For more advice there are many good websites, including www.which.co.uk and www.gardenersworld.com.

DECEMBER 19

Christmas party and Quiz

(A ‘Bring & Share’ supper)
Parsnip and Carrot Soup

Not too spicy and sweet as well. Serve with crusty bread.

Peel and chop three large carrots and two large parsnips; cook in boiling water for 10-15 minutes.

Fry one diced onion in melted butter until soft. Add the vegetables and cover with the water so just covered. Crumble in a vegetable stock cube or a Knorr sachet. Simmer for about 8 minutes. You might also like to put in mixed herbs. At the end a splash of cream or milk will add to it.

You can serve it with the vegetables in chunks, or mash with a potato masher if you want some lumps. For a smooth soup, liquidize and serve with a swirl of cream and a sprinkle of chopped parsley or chives.

A new campaign has been launched to encourage more people to donate their time and expertise as unpaid volunteers to support local policing.

The ‘Step Up’ campaign aims to raise awareness of the hundreds of volunteering roles available and the valuable work of existing volunteers.

Supported by videos featuring volunteers talking about why they volunteer and what they love about their roles, a new ‘Citizens in Policing’ website has been created to highlight the many roles available and make it easier than ever for people to apply.

Currently more than 38,000 people work in over 200 different volunteering roles across the 43 police forces. In 2016, volunteers across England and Wales are estimated to have donated over five million hours.

Dave Jones, the Chief Constable of North Yorkshire Police, explained: ‘We’re hugely grateful to the thousands of people who donate their time and expertise to support local policing and help to better safeguard communities. But it appears that many people are simply unaware of the numerous and exciting volunteering opportunities that exist, which range from cyber-related and hostage negotiation roles through to animal welfare and victim support posts. With over 200 different roles, there’s something for everyone, regardless of your age, gender or skills set.’

Rod Winter, who volunteers as a Special Constable for North Yorkshire Police, and features in the campaign said: ‘I love being a volunteer. Although I have my day-to-day job, my role as a volunteer with the police gives me an opportunity to make a difference, help to save lives and keep our community safe. My message to anyone considering becoming a volunteer would be to just do it, you will not regret it.’

All volunteers are given extensive training to prepare them for the role they are fulfilling. For roles such as Special Constable, volunteers are given training over five months, working closely with colleagues in their local force before they start carrying out the role.

The positions that most members of the public volunteer for are Special Constables and Police Cadets.

For information about the volunteering opportunities available, a good place to start is www.citizensinpolicing.net/
