VILLAGE SURVEY
Members of the Parish Council will walk round the village on Sunday April 29 starting at 9:30am in Caldecote Road to check what needs doing so that the relevant authorities can be contacted.

NORMAN CROSS ACTION GROUP
In the light of the disappointing report from the Inspector, Stilton Parish Council has written to Peterborough City Council asking that meaningful discussions are held with local Parish Councils and the Norman Cross Action Group. The Parish Council is still concerned about traffic issues and the absence of substantial landscaped 'green wedges' separating Great Haddon from Yaxley.

AMENITIES STEERING GROUP
The amended Terms of Reference were approved so that the Group could move onto the development phase of the project. It was agreed that more research was needed on the provision of playing surfaces.

VILLAGE SIGNS
These have been removed for refurbishment and will be back in time for Cheese Rolling.

TREE PLANTING
Stilton Parish Council hopes to plant some Jubilee Oaks on the approach to the village from Folksworth.

GARDEN OF REMEMBRANCE
An area for the scattering of ashes is to be provided.
The existing garden has been cleaned and renovated and the Council thanked Mr Walford, Mr Warner, Mr Shailer and Mrs Croll for the hard work they had all put into providing a dignified and quiet area. Several compliments have been received from members of the public.

Dogs Not Welcome
Dogs are not allowed on Stilton Playing Field, but the Junior Football Club has to clear the playing surface of dog mess before every game or practice. This is not only a filthy job, but also a serious health hazard. Last year SCAN reported the case of a young girl permanently blinded after contracting toxicariasis traced to dog waste. There are several other nasty diseases spread by dogs so please do not take your dog to the field. The CCTV is to be monitored to see if any offenders can be identified.

DOG BAGS
These are available, free, from the Stilton Parish Council Office which is open the day after Parish Council Meetings from 10am to noon. In April it is open on April 11.
To mark the 60th anniversary of Queen Elizabeth's accession in 1952 there will be celebrations all over the country and Commonwealth. The late May bank holiday has been moved to June 4 and an extra Jubilee bank holiday declared for Tuesday June 5th.

Egging Them On
EASTER TRADITIONS TO ENJOY

Easter marks the end of the Lean Lenten fast when eggs were forbidden. But, not being devout Christians, the hens went on laying just the same, so the eggs were boiled to be preserved to become prized gifts for children and servants.

Many traditions have grown up around Easter eggs: colouring, decorating, or painting eggs and then hiding them to be found in holiday games. These traditions live on in Easter egg hunts, egg rolling and in the giving of chocolate eggs.

COLOURING EGGS

Hard boil light coloured eggs. Find some suitable old mugs or deep basins, and half fill with water. (Don't fill too deep or the water will overflow when you put the eggs in.)

Add 1 teaspoon of vinegar to every cup of water, and then a few drops of food colouring. When you like the colour, add a few more drops.

Put the eggs carefully in the cups, using a tablespoon (or you will find you have coloured hands!) Leave the eggs for a few minutes to absorb the colour into the shells. When you take the eggs out, let them dry, then wipe them with vegetable oil to give them a gloss.

Quails eggs are particularly pretty.

(Before you start this, don’t forget to cover all surfaces with newspaper and wrap children in pinafores. Wipe up all spills immediately.)

Happy Easter egging!

Say Cheese!
CELEBRATING NATIONAL STILTON WEEK

The Stilton Cheese Makers are promoting a National Stilton Week from 15 to 21 April. This unmissable event celebrates the versatility, heritage and - of course - the great taste credentials of Britain’s favourite blue cheese.

Needless to say, Stilton appears not to be featured. Probably something to do with our proposal to submit that week an application for a variation to the EU PDO relating to the manufacture of Stilton Cheese in Stilton! More on this exciting project soon, we hope.

The village signs will be reinstated in time for this event, together with the new plaque proclaiming the ‘Original Home of Stilton Cheese’.

Stroll On!
JOIN THE LIONS’ ANNUAL CHARITY SAFARI WALK

Every year, on the third Sunday in May, the local Lions Club organises a charity Safari Walk. Last year, they raised almost £10,000 for local good causes, including Macmillan Cancer Support and Help for Heroes.

This will be the Lions 33rd sponsored walk and they hope for plenty of interest from local charities and clubs trying to raise money for their own worthy causes.

This year’s walk will take place on Sunday 20th May. Walkers retain 90% of the money raised and 10% is donated to the Lions Club’s chosen charity, which this year is CARESCO, at Sawtry.

The Lions Club deals with all of the organisation required for a successful day. All participants need do is to obtain sponsors, do the walk and collect the money. Any groups or individuals interested in taking part should contact Lions Bernard Dable on 01480 810704, or Dave Marshall 01480 811357.

ABOUT CARESCO
As regular readers will know, CARESCO is a village charity providing day care for the elderly in the community, a print shop, a drop-in coffee shop, a ‘nearly new’ clothes shop and the Sawtry Eye magazine, all with the help of volunteers. For more about CARESCO, visit www.caresco.org.uk or call 01487 832105.
Despite decades of public awareness campaigns, rocketing energy costs and promotions by the DIY chains, almost half of Britain's homes still do not have adequate insulation. Insulating your home is one of the best property investments you can make - just insulating your loft can save you up to £175 a year. And even if your home is fairly new, the chances are that it’s still under-insulated; standards have increased significantly in the last twenty years.

Many people are eligible for free loft and cavity wall insulation: if you are over 70, have an income of less than £16,190, or receive pension credit, child tax credit or some other income-related benefits. This scheme ends in October so it is worth getting organized now. Don’t put it off!

British Gas are offering some attractive inducements as well. If you can refer an eligible person to British Gas you will receive a £50 bounty once the installation has been carried out.

You don't have to get your gas or electricity from British Gas to qualify, but if you are a British Gas customer you can get free insulation whatever your age or status.

And if you want to do it for yourself, summertime usually brings discounted prices for roof insulation, and warmer weather for rummaging about in your loft! Just remember to leave some insulation out underneath your water tank.

In today’s tough economic climate, you can probably also negotiate a good deal on replacement windows and doors too. Get rid of those icy draughts!

Keen to make it as easy as possible for citizens to report crime or suspicious activity, Cambs police have introduced an online reporting facility. This is part of Operation Twist, a crackdown on rural burglaries in Huntingdonshire and South Cambs.

Residents of these districts can now report suspicious activity through the force website or via email.

Det Insp Jon McAdam, who is leading Operation Twist, said: ‘Offenders will often visit an area in the days leading up to a burglary to scope out potential targets. It's at this point that people are most likely to notice something unusual but may not think it is worth reporting. We want descriptions of these people and details of any vehicles that may be linked to them.

‘Not everyone may want to telephone this type of information and we hope this new online facility will provide an effective alternative.’ DI McAdam explained.

Anyone wishing to report suspicious activity, or with information about burglary or other crime, can now use the 'Operation Twist' online facility at www.cambs.police.uk, call the police on 101, email to: burglarycrackdown@cambs.pnn.police.uk or contact Crimestoppers, anonymously, on 0800 555 111.

If you suspect there is a burglary actually in progress then you should always dial 999.

The police have continued to increase patrols in rural villages, as well as their investigative and forensic work to target those responsible.

**Car Thefts**

At the time of writing, there have already been 25 thefts from motor vehicles in this area during March. A variety of items have been stolen, including Sat-Navs, iPods and mobile phones.

Many of the thefts have been from insecure vehicles. Police remind readers to remove all valuables from their vehicle while it is unattended, and to ensure that it is locked and secure.

As always, keen vigilance works, so please report any suspicious activity to the police, either by phone to 101, or to Crimestoppers on 0800 555 111.

Patient Reference Group

Thank you to all those patients who have already signed up to join our Patient Reference Group. The idea is to open a channel of communication which will enable us to consult with patients regarding the range and quality of the services we provide. The group will communicate mostly via email, although alternative arrangements will be made available for any patient who wishes to be involved but does not have access to a computer.

We are still actively trying to encourage more people to join in order for it to be truly representative of our patients. If you would like to be involved, please let me know via email (claire.wright2@nhs.net) or use the form available from our Reception Desk and in the waiting room to provide alternative contact details.

Patient Survey

Many thanks to those patients who took the time to complete the surveys, that we ran earlier this year, regarding GP appointments and Repeat Prescriptions. We are now agreeing subsequent actions to be taken with the PRG. A full report will then be published on our website.

Training Afternoons

Please be aware that we may be either closed, or providing a reduced service, from 1pm on the dates listed below, to facilitate staff training and to allow GPs to attend important meetings to discuss local health service commissioning. During these afternoons emergency GP cover will be provided by the out of hours service.

- Thursday 19th April
- Tuesday 12th June
- Tuesday 11th September

Travel Vaccinations

As the holiday season approaches, please remember to give consideration to whether or not you need any travel vaccinations. Please collect a Travel Form (available from our Reception Desk) and make an appointment to see one of our Practice Nurses. The nurse will then advise you on your requirements.

We can provide a full range of vaccinations and we are also a registered Yellow Fever vaccination centre. Please remember to allow plenty of time between seeing the nurse and your date of travel, as several vaccinations require a course of injections to be administered over a number of weeks.

### Worshipping God at Easter

Easter is the most important Christian festival. The Easter story is at the heart of Christianity. On Palm Sunday we celebrate the triumphant coming of Jesus into Jerusalem, but our palm leaves are in the shape of crosses, reminding us of Jesus' death on the cross - Good Friday. It's 'Good' Friday because it's not the end. As Christians, we believe that three days later God raised Jesus from the dead. There is life after death - so Easter Sunday is a day of great joy.

Join us at St Mary Magdalene Church in our worship celebrating these wonderful moments of Jesus' life.

On the 26th February, members of the Stilton Judo Club took part in an area competition in Godmanchester, returning triumphant with well-deserved medals. Everyone who took part tried very hard and did the club proud.

Competition is an important element of judo and the Stilton club encourages the children to take part and do their best. The club emphasises the development of good technique and discourages a ‘win at any cost’ mentality. Good behaviour, fair play, having fun and building confidence are as important as winning medals - if not more so.

The club is growing steadily and has a good attendance record among its enthusiastic young members. The adult classes are also becoming increasingly popular.

If you would like to give judo a try, then give Simon Trowbridge a call on 07894 552198; you will be made most welcome!

Research at Yaxley Group Practice

Some of our patients may recall that the surgery has been involved in medical research and clinical trials in the past but that this involvement has reduced in recent years.

I am pleased to inform you that the surgery is again taking part in research as part of a role that I have recently accepted as Research Advocate for the East of England Primary Care Network (EoE PCRN). This role will involve increased awareness and uptake of Primary Care research in the Peterborough area, as well as establishing a research portfolio at Yaxley.

We are just beginning to recruit to a study - known as 3C - which is looking at Cough, Antibiotics and Complications. Look out for further information around the surgery over the coming weeks. We will share more information about each new study that we agree to take part in as it becomes available.

Staff News

We are pleased to welcome a new member of staff to our Nursing Team. Health Care Assistant Michelle Goodliffe started on the 12th March. We hope she enjoys working with us all at YGP.

Anticoagulation and INR monitoring

Drugs such as Warfarin to 'thin the blood' (anticoagulation) are a treatment for several different conditions. Their use is increasing and we currently have about 200 patients on treatment at any one time.

This treatment needs to be monitored using regular blood tests for International Normalised Ratio (INR). Traditionally, this had been done at the local hospital but, in recent years, some of the monitoring has transferred to GP surgeries. The increasing numbers of patients on this treatment meant that more and more INR appointments were required and these patients made frequent trips to the surgery.

Last year the decision was taken to try a new method of monitoring INR blood tests using an electronic system known as INR Star. Yaxley Patients’ Association kindly contributed to the purchase and set-up of the new system.

We are pleased to report that an audit of the new system has shown a significant reduction in the number of tests and appointments required by patients. Each patient on long-term anticoagulation would require about six fewer appointments per year and this would mean 8-15 less INR appointments at the surgery each week. This reduces pressure on appointments, means that patients do not have to interrupt their days so often to attend for appointments, and has reduced the overall cost of testing equipment used.

We are most grateful to the Patients’ Association for helping us to implement these improvements and to all the team at the surgery who have helped make our new anticoagulation service such a success.
