The Parish Council and the Amenities Steering Group met to look at the way forward, now that the first plans have been presented to the village. Everyone is keen to press on and keep the momentum going.

It was decided:

1. To seek a meeting with Hunts District Council planners to put our ideas to them to ensure that these are broadly acceptable.

2. To produce a Business Plan. This will be essential when we come to look for funding. The Parish Council stressed that it must cover the sustainability of the project in the future, particularly running costs and maintenance.

3. To look for sources of funding.

4. To set up a sub-group to organise fund raising events.

5. To consider the plans already produced to start work on the playing surface.

This is going to take years rather than months and will be very costly. It may need to become a separate project in terms of fund raising.

National Libraries Day
SATURDAY, FEBRUARY 4th

This is an initiative to promote the use of our priceless library assets. There will be many events and activities across the country; in Cambridgeshire there is to be a campaign to recruit new members.

Existing borrowers are encouraged to take a friend, neighbour or relative to the library and show them what is on offer, in the hope that they will want to join. They may not know that modern libraries offer much more than just books; these days magazines, DVDs, audio books and computers are all readily available.

As you can see from Yaxley Library's monthly article in SCAN, there is a wide variety of events organised for all ages.

Another example of use it or lose it!

In the Memorial Hall are two prints of a Spitfire and a Hurricane that were donated by Mr & Mrs R Childs, previous residents of Stilton. When the hall was refurbished, Dave Worsley kindly volunteered to re-frame them and did an excellent job. They now are hanging in the Memorial Hall for all to see.

Dave knows a great deal about historical aircraft and has also offered to provide some information to put with them for those who are interested in knowing more.

But imagine his surprise when, on dismantling the original frames, he found hidden behind them a set of prints of some of the warships which fought in the Falklands war, together with a beautiful print of a steam engine on Lickey incline near Bromsgrove, which also has interesting snippets of historical information.

Dave has made a beautiful job of framing this and it is on display temporarily in a central place along the window side wall.

The Memorial Hall Committee would like to thank Dave for his generosity, time and excellent craftsmanship.

If you would like to see any of the prints, please borrow a key from the booking clerk or a member of management committee.

**Cheese Rolling**

**MONDAY, MAY 7th 2012**

This year’s theme will be celebrating 2012. Support our campaign to make Cheese Rolling an Olympic Sport! (You think that’s crazy? What about Synchronised Swimming then?)

Team entries to Olive Main (241206) and all enquiries about stalls and sideshows to Carol Warren (0750 850 2534) please.

Reasons to celebrate 2012 include:

- *The Olympics*
- *The Queen’s Diamond Jubilee*
- *Centenary of Scott’s Antarctic expedition*
- *200 years of the 1812 Overture (boom, boom)*
- *Mayan Calendar predicts the end of the world (doom, doom)*
A ‘Mugs’ Game
COMPETITION TO DESIGN STILTON’S JUBILEE MUG

2012 is an extraordinary year. Not only are we hosting the Olympics, it’s also the Diamond Jubilee of Queen Elizabeth. For that matter, it’s also the centenary of Scott’s heroic but doomed expedition to the South Pole and the bicentenary of the battle of Borodino (1812 Overture, remember?) that put an end to Napoleon’s plans to establish a European Union of his own.

So plenty of reasons to celebrate and Stilton Parish Council will produce a '2012 Celebration Mug' to commemorate the Queen's Diamond Jubilee and the Olympics. All children attending Stilton School and those below school age will each be presented with a mug. The school has agreed that all the children can enter a competition to design the features on the mug. There will be three designs, two for the sides and one for the oval base. The three design winners will each receive £15 vouchers and the school will receive £125 to help towards any costs involved in celebrating the Jubilee. The competition ends on 1st February.

The Parish Council intends to commission 1000 mugs from Rick Landy, our village ceramicist and historian, who has once again agreed to produce the mugs. If his previous Millennium mugs are anything to go by, the 2021 celebration mugs will be much in demand.

There will be about 700 mugs available to purchase. As before, they will make excellent keepsakes, or gifts to expatriate Stiltonians who want to keep in touch with their home village.

Here is the mug without its designs. A striking shape and one which we’re sure our talented schoolchildren can do justice to!

To misquote Mark Twain: 'the reports of the death of Stilton Church are greatly exaggerated.' We are very much alive! We may not have a new Rector yet - more on progress in the near future - but we continue to hold our regular worship, led by enthusiastic priests from outside our parish. Our congregation continue to hold prayer and discussion meetings; January’s Mens’ Breakfast attracted a record attendance.

February contains two well-known festivals. St Valentine’s Day is an opportunity to express our love to our nearest and dearest. We are celebrating God's love at the LinCup service on Sunday 12th February at 11.00am. Everyone, whatever age, is invited to join in this fun, inter-active, family service. The theme is: 'All you need is Love: If Love is the answer, what is the question?'

Later in the month we begin the fasting period of Lent with Holy Communion on Ash Wednesday at 8pm in the evening. Although it is a time for giving up something - chocolate? - it is also a time when we can commit ourselves to showing love and kindness to those around us.

Booksale

We will be holding our popular booksale event in the Library from Monday 27th February until Saturday 3rd March.

Come along and grab yourself a bargain!
At last the days are getting longer, bulbs are blooming in the garden and there are plenty of excellent excuses to celebrate; St Valentine’s Day on the 14th, Pancake Day on the 21st. and Leap Day on the 29th.

But we bet you never thought that the perfect food for celebrating February with is rhubarb! It’s now the first harvest of the year, it’s a versatile fruit, colourful, and not too expensive. It’s also a good source of fibre, vitamin C and calcium, and is claimed to help reduce cholesterol levels.

**St Valentine’s Day Bellini**

Simmer 300gm of rhubarb with 75gm of sugar and 2 tablespoons of water until soft. Puree in a blender and then sieve. Divide the cooled and chilled syrup between six champagne glasses and pour over a chilled bottle of prosecco, stirring all the time. (or you can use champagne; go on - really celebrate!)

**Rhubarb & Banana Pancakes**

Make 4 pancakes and keep them warm. Gently poach 450 gm of rhubarb with 2 tablespoons of water and 100 gms of sugar. Drain and keep the syrup. Melt 1 tablespoon of butter and slice 1 banana into the pan with 1 tablespoon of sugar. Cook until the banana starts to soften. Add the rhubarb and stir gently. Divide the fruit between the pancakes. Serve with whipped cream or ice cream. The rhubarb juice also makes a good Bellini!

Help the Rainbows
CAN YOU BE A RAINBOW LEADER?

Rainbows are the youngest group in the Guiding family, taking girls between 5 and 7 years old. Locally, the Folksworth Rainbows meet on Wednesdays between 5:15 and 6:15pm at Folksworth School. For the last 12 years Sue Ayres and Sara Bailey have been running the Unit, but now both have greater family and work commitments and are seeking to retire. They are looking for volunteers from Stilton, Folksworth or area to take over. You don't need experience as full training is given and the present leaders would continue to run the unit for another term to be there to give assistance and guidance.

If you would like to discuss this please contact Sara (243150) or Sue (242351)
Planning your summer holiday?

Why not visit our twin village of St Christol les Ales? There is so much to see and do.

- Amazing scenery in the hills and gorges of the Cevennes, or the plains of the Camargue
- The historic cities of Nîmes, Avignon, Arles and Montpellier
- The world heritage site, the Roman aqueduct at the Pont du Gard
- The amazing Norman Foster viaduct at Millau
- The spectacular Tarn and Ardèche gorges. Canoeing available!
- Donkey trek the Stevenson Way through the Cevennes
- The beaches and warm waters of the Mediterranean (about one hour’s drive)
- Fantastic wines of the Rhone, Languedoc and Roussillon
- The wonderful hospitality of French families in St Christol

Fly to Nîmes from Stansted / Luton / East Midlands airports or travel in style by Eurostar/TGV train all the way to Nîmes

St Christol is 30 mins drive from Nîmes airport. Or to drive - motorway from Calais via Reims and Dijon to within 60 miles of St Christol.

St Christol families are really keen to host, particularly our young people over the summer.

Patient Reference Group

Thank you to all those patients who have already signed up to join our Patient Reference Group. We are still actively trying to encourage more people to join in order for it to be truly representative of our patients.

The idea is to open a channel of communication which will enable us to consult with patients regarding the range and quality of the services we provide. The group will communicate mostly via email, although alternative arrangements will be made available for any patient who wishes to be involved but does not have access to a computer.

If you would like to be involved, please let me know via email (claire.wright2@nhs.net) or use the form available from our Reception Desk and in the waiting room to provide alternative contact details.

Afternoon Closures 2012

Please be aware that we will be closed from 1pm on the dates listed below, to facilitate staff training and allow GPs to attend important meetings to discuss local health service commissioning.

During afternoon closures emergency GP cover will be provided by the out of hours service.

New Leaflet

We have a new leaflet, available from the Patients Library, entitled 'When should I worry? - Your guide to Coughs, Colds, Earache & Sore Throats’. This booklet is for parents/carers and deals with common infections in children who are normally healthy. It is not meant for children who have ongoing health problems such as asthma, heart or kidney problems. You should not rely on the advice in this leaflet for children who are less than 6 months old.

Congratulations

We send our warmest congratulations to practice nurse Caroline Brear and her husband Tim on the birth of their son Archie George. Archie arrived on the 30th December, weighed 9lb 8oz and is a welcome brother for Lily, Jack and Harry. Mum and baby are doing very well.

Registrar

We were pleased to welcome Dr. Kieran Campbell who joined us in December and will be with us for ten months.

District Nursing Team

Jackie Blackwood left us on 6th January to take up her new post in Paston. We all wish her well for the future.

We were delighted to welcome back Hilary Philips, who returned to YGP on 9th January.

Ambulatory (24hr) Blood Pressure Monitors

In 2011, NICE (The National Institute of Clinical Excellence) issued new guidance on diagnosing, monitoring and managing high blood pressure.

As a result, this will change the way in which we diagnose people with high blood pressure from now on. It will not affect most people who have already been diagnosed with this condition.

A diagnosis of high blood pressure will be made on the basis of an ‘ambulatory’ blood pressure reading (an average of blood pressure readings taken throughout the day) whereas, up until now, for most people a diagnosis has been based solely on readings taken at the surgery. An ambulatory reading will give a more accurate blood pressure for the individual. This is because more people than previously realised may suffer from 'white coat syndrome' i.e. have a higher blood pressure at the surgery than at home.

Having your ambulatory blood pressure recorded will involve being fitted with a monitor by 9am at the surgery and wearing it for the day. It will record your blood pressure periodically over the day. These readings will then be reviewed by your doctor.

The Patients Association has recently purchased two ambulatory blood pressure monitors at a cost of £800 each and these are now in use.
