Faced with the prospect of cutbacks to the mobile library service, which are a lifeline to the non-self-propelled, Stilton Parish Council has been lobbying the County Council:

‘Stilton Parish Council understands that the Libraries, Archives and Information Service will have to bear its share of the budget savings. It acknowledges that the proposals affect all aspects of the service and that there is a sincere effort to protect services as far as possible. However, slashing the mobile library service by 50% hits rural areas disproportionately. There has been massive spending on library facilities in urban areas of the County in recent years. It would seem only fair that villages who do not have easy access to these magnificent buildings should be the least effected by the cuts.

‘We had hoped that the County Council would look holistically at the totality of the necessary savings to ensure that rural areas, already relatively deprived, are not further disadvantaged. Cuts to the mobile libraries seem to be another example of how public spending is to be concentrated in the larger settlements if the proposed changes are implemented.

‘Stilton Parish Council is pleased to see some positive improvements, eg. the longer stop and that its timing coincides with the end of the primary school day.’

Over £2m will be lost from the next financial year - more than a quarter of the budget. After a review of the mobile library usage a new timetable has been drawn up. If finally agreed, from October Route M24 will stop at the Talbot, North St Stilton on the 4th Wednesday of every month, between 3:10pm and 4pm.

Meanwhile, until the cuts are implemented the mobile library Route H109/H121 (N) will call at the Talbot on alternate Wednesdays between 3:15 - 3:45 on Sept 8 & 22

Stilton Parish Council has responded to the proposals on behalf of the village and will continue to lobby. SCAN will keep you posted on any changes to the service as soon as they are confirmed.

September's Harvest
SOMETHING FOR THE BEAN COUNTERS!

Whether you grow your own or gratefully receive gifts from friends, now is the time that you are likely to be faced with a glut of beans. Not those in a tin of tomato sauce, but runner, green, or French beans. Not hard monsters with thick strings, but tender and tasty. If blanched, they freeze well or, topped, tailed and sliced, they can be boiled for about 5 minutes.

**HALF-CUT AND PICKLED**

But when you get fed up with boiled beans, or you’ve got so many you can’t use them all, why not make some into chutney?

You need:

- 2lb (900g) trimmed and sliced beans, boiled in salted water for 5 minutes, then strained.
- 1½ lbs (700g) chopped onions, simmered for about 20 minutes in 10fl oz (275ml) malt vinegar.
- 1 heaped tablespoon of mustard powder.
- 1 heaped tablespoon of turmeric
- 1½ oz (40g) cornflour mixed into a smooth paste with a little vinegar.
- 1 pint of malt vinegar
- 1½ lbs (675g) brown sugar

Add the cornflour paste to the onions and beans, pour in the vinegar and simmer for 10 minutes. Stir in the brown sugar until dissolved, and then simmer for 15 minutes. Put into six warm, sterilized pots and seal the lids.

This is best eaten after four weeks maturing in the cupboard. Ideal for those autumn lunches or with the Boxing Day turkey salad!
**Let’s Go Clubbing !**

**TELL STILTON ABOUT YOUR GROUP’S ACTIVITIES**

You only have to look at the table of activities we periodically print in **SCAN**, and how heavily booked our community facilities are, to appreciate just what a vibrant community Stilton is. But new residents might not know about some of the friendly groups, clubs and informal organisations there are here, or what they get up to, or indeed even about leisure and sporting facilities in the surrounding area.

So if you are a member of any club, organisation, or bunch of like-minded individuals who would like to welcome new members, why not tell **SCAN** all about yourselves?

We regularly print reports from Stilton’s football club and the local running club, and include as much information as we can find about everybody’s meeting arrangements and contact details. But how about telling us a bit more about what you do? What would a beginner need to know to decide if it’s for them?

In Stilton we’ve already got an Olympic gold medallist in air rifle, and football and indoor bowls players who regularly appear in the leader boards at local and national level. What else do we do that people don’t know about?

Come on; the front cover beckons!

North West Hunts Neighbourhood Forum Update

The last North West Hunts meeting took place on 19 April and provided information from the developers about the proposed Great Haddon development. Information was also provided to those who attended about the Neighbourhood Policing profile for the quarter. We hope to have an update on the process relating to Great Haddon at a future meeting.

These forums aim to bring you more information about your local area, help you to understand who does what and why and also, if you are interested, how you can get more involved. The meeting topics are agreed by you, the attendees. If there’s something happening in your area you’d like more information on, or you are involved in a group in the neighbourhood who might like to make contact with residents and other local groups through the forum, why not contact us?

Copies of agendas and minutes can be found at www.huntingdonshire.gov.uk or in your local library.

Can’t make it to the meeting?

Even if you are not able to join us on the evening, you can still raise you concerns in any of the following ways:

- By email to: Kirsty.Squires@huntsdc.gov.uk
- By post to: Kirsty Squires, Neighbourhood Coordinator, Huntingdonshire District Council, Pathfinder House, St Mary’s Street, Huntingdon, PE29 3TN
- Ask a friend to come along in your place, or contact your Parish Council or District Councillor who may be able to help solve the issue. If not, then they may have a representative who can bring your issue to the meeting.
