A defibrillator is a machine that gives an electric shock to re-start the heart after a heart attack. Speed is of the essence, so it’s good to know where to find one. There are two types:

**PUBLIC ACCESS DEFIBRILLATOR (PAD)**

Front of Folksworth Village Hall opposite The Fox.

**STATIC DEFIBRILLATOR**

In Stilton Pavilion

**WHAT IS THE DIFFERENCE?**

A PAD is on an outside wall in a locked cabinet with an access code provided by a 999 call operator.

A STATIC one is inside a building and is available only while the building is open.

Halls the Chemist are coordinating the plan to install a PAD in Stilton. **SCAN** will keep you informed.

**HOW A PAD WORKS**

If you make a 999 call reporting a patient with symptoms such as chest pain or shortage of breath, you will be given the code needed to get access to the machine. This allows you to buy time until a First Responder arrives with a defibrillator.

If you use a static machine you will receive voice-guided instructions on how to use it.

On page 4 you can read the 2018 report of the Community First Responder.

The start of 2018 saw the East of England Ambulance Service’s fundraising appeal for a replacement Automated External Defibrillator (AED) achieve such positive support from the community that we were able to purchase not only the replacement AED but also an additional AED and another complete First Responder kit.

The group gave 7,577 hours of voluntary emergency 999 cover and attended 168 calls with 156 patients in the first vital minutes before the arrival of an ambulance crew.

More recently, we have had another volunteer join the team (who will now have completed their training and supervision calls) so as to offer even more emergency 999 cover for our community.

Continued fundraising pays for replacement equipment, our additional 999 responder kit, call-out mobile phone, and a winter coat and fleece for our new team member. With the possibility of the expense of upgrades for 999 callout equipment we are incredibly appreciative of the management, staff and customers of the businesses where our collection boxes are displayed:

- The Addison Arms in Glatton,
- The Bell Inn in Stilton,
- The Fox in Folksworth,
- The Fox & Hounds in Gt Gidding
- Nisa Local Store in Stilton and
- The Talbot in Stilton.

Even more thanks to The Fox and The Fox & Hounds for holding fundraising quiz nights, along with The Talbot who also held the Stilton Bike Show (with The Triumph Owners Motor Cycle Club) and named us as their chosen charity for the year.

All fundraising income and thanks are posted on Twitter: @FolksworthCFRs

Funds are banked and held centrally, as required by The East of England Ambulance Service NHS Trust.

Philip and Jackie Shailer would like to thank everyone who attended the Christmas lights switch-on on the 1st December in aid of MAGPAS Air Ambulance. An impressive £476 was raised on the night.

A huge thank you to all those from the village and surrounding areas who came to look at the lights throughout December and who generously put donations in the bucket, raising a further £175 to take the total to £651.

We would also like to thank the Yaxley Gazette for their mention of the lights on Facebook. Also MPJ Enterprises Ltd for providing the cups for the hot drinks. Final mentions go to Sarah Markwell Cook, close family member, who gave up her birthday club handbag money by donating it to the pot, and to Dave’s Handyman Services Ltd for his generous donation, plus the one received from Hi-lite.

Finally, we hope that everyone enjoyed the lights. We are planning to make it even bigger for 2019!

The Parish Council would welcome your views and suggestions for how and where we should place the memorial plaques which were removed from the Memorial Hall prior to its sale.

The plaques commemorate those brave residents of Stilton and surrounding district who gave their lives in the 1st and 2nd World Wars.

Residents are invited to write to the Clerk of Stilton Parish Council, Mrs Mary Croll at 10 Caldecote Road, Stilton, PE7 3RH, or to attend the next meeting of the Parish Council, to be held on Tuesday 12th February at Stilton Pavilion at 7:00pm, when the first half hour of the meeting will be devoted to a discussion about these important and historic plaques.

We look forward to hearing residents' views.
The day and night shelter for Peterborough’s homeless continues to grow from strength to strength, writes Chris Walford. The night shelter, for up to eight guests per night, has now been extended from 12 to 18 weeks, thanks to six new churches taking part. There are now 13 churches involved, with over 150 volunteers. The venues provide warmth, food, a bed, fellowship and love for guests. Stilton Church and its volunteers again play a big part.

Last March, the Light Project Peterborough Trust learnt a lesson from the 'Beast from the East' when it had to quickly set up emergency daytime shelter provision in order to save lives. As a result, this year the Trust has leased the Garden House in the Cathedral Precincts. This is providing warmth, hope and targeted support for around 30 homeless visitors per day.

The centre is run by Trust staff and 18 volunteers. The Garden House provides GP medical support, hairdressing, chiropody services, CV writing support, benefit advice, and the City Council housing officers are based there. Other services can be arranged. There is even a gardening club, which is sorting out the acre of overgrown garden! Above all, guests who arrive are given warmth and something to eat and drink, and they are shown that they are valued as human beings and that there is hope in their future. The Trust is undertaking negotiations about a long-term lease of the Garden House as there seems little prospect that homeless numbers will reduce in the near future.

Establishing the Garden House was an act of faith, since annual costs are estimated to triple. So thank you, Stilton Churches, for the almost £3000 raised in collections over Christmas. And thank you to all who are volunteering to support this project to the benefit, welfare and good of some of the most needy amongst us.

Donations can be sent to Jan Armitage, 37 Old North Road, Wansford, Peterborough. PE8 6CB. Cheques made payable to Light Project Peterborough.

Chris Walford is a Trustee of the Light Project Peterborough
NEW PARISH COUNCIL WEBSITE

Stilton Parish Council continues to develop its new website to improve communications with village residents. There is a new section to enable residents to report village issues easily through a simple online form, as well as the latest edition of the Parish Council newsletter and submissions on the planning applications within the village.

It's also your first port of call for all Pavilion matters. There's a What's On guide as well as all the latest information on booking the venue. Have a look now at: www.stiltonparishcouncil.org

UPGRADED VILLAGE WEBSITE

For those of you who may have been grumbling that www.stilton.org didn’t work very well on your smartphone - grumble no more!

We routinely monitor the analytics to see how people interact with the website and have been watching the level of mobile device usage steadily increase. So we bit the bullet and rebuilt the site to a more contemporary, ‘responsive’ look & feel.

www.stilton.org is Stilton’s ‘brochure’, so it’s important that it meets visitors’ usability expectations as well as presenting the village as the great place to live that we all know it to be.

It also presents material of direct value to residents, such as details of village clubs and activities, village events, downloadable issues of SCAN - and even the local weather forecast. But we’re always keen to do more! So if your club wants to promote its activities in a professional and easily accessible manner, just get in touch! It’s free! And we can even provide you with your own login to post news items directly.

The Mairie at St Christol les Alès has presented the Twinning Association with a decorative barrel to commemorate 20 years of twinning between Stilton and St Christol, writes Chris Walford.

The barrel features an etched metal panel on the side, depicting our two countries and the top has three painted scenes from St Christol, the Chateaux at Montmoirac, the St Christol wine cave and the ancient pyramid monument. The paintings were done by Valerie Benezet, the Mayor’s wife.

This is a remarkable piece of furniture and will become, in time, another of Stilton’s treasured historical artefacts. The Bell Inn has kindly offered to give the barrel a home. It is placed at the end of the bar for all to see and admire.

It's hard to imagine a more appropriate symbol of our Twinning Association, eh Chris?

The children at Stilton C of E Primary Academy started the Spring Term with a 'Well Being' week. They have had a fabulous week taking part in a variety of activities to enhance their well being.

There were numerous active sessions, such as football, yoga, parachute games and Zumba. They have been cooking with Kura Kura and made healthy snacks, listened to stories and took part in art activities. The whole school even went on a walk across the fields and returned to hot chocolate and biscuits. What a way to start the year!

NEW TOPICS

The children are now busy working on their new Cornerstones topics. Our EYFS children are learning all about forces and Year 1 are getting their dancing shoes on as they take a trip (not literally!) to the colourful city of Rio de Janeiro.

Year 2 are having fun with 'Muck, Mess and Mixtures.' It is stepping back to the Stone Age for Year 3 in 'Tribal Tales' and back to when Britain was invaded by the Anglo-Saxons and Vikings for Year 4. Year 5 are also focusing on history in their topic called 'Peasants, Princes and Pestilence' and Year 6 will focus on 'The Frozen Kingdom' for their learning this half-term.

During December, at every service including Carols in the Courtyard and the Carol Service, collections were made for the 'Garden House' which, alongside the Peterborough Winter Night Shelter, provides safety, warmth, food and support for the homeless. This project to reach out to the homeless of Peterborough has grown in effectiveness at the same time as the issue has grown. Further details of what the project provides can be found online at www.lightprojectpeterborough.org.uk/Groups/315956/garden_house.aspx

Many thanks to all who donated to this cause. Your generosity meant that over £1100 was given for the running of the Garden House.

ANNUAL 10% GIVING TO CHARITY

Each year Stilton Church gives 10% of its voluntary income to charities. This year £1600 was donated to Street Pastors, The Leprosy Mission, CROPS, Bible Society, and the Church Mission Society. In addition collections at special services and events were donated to the Children's Society and the Royal British Legion.

Together, we really can make a difference.......
FOLKSWORTH SCHOOL - GROWING IN TECHNOLOGY

The Folksworth School PTA did a fantastic job last year and, amongst other investments, raised enough money for the school to purchase 15 iPads for our children. These resources have been available since the beginning of term, and they are already making a terrific difference to the way classes approach their work and record their achievements. Our thanks go to the PTA team who made this possible, and to everyone who contributed to a PTA event during last year.

This technology is particularly relevant this month as we have Safer Internet Day at the beginning of February. The internet is such a rich and fantastic resource for learners, but we need to ensure it is also a safe place for children to explore and engage. This is so important to our school, that we have created a number of 'Digital Leaders' - children who are being trained up to become online safety champions for their peers.

The theme of Safer Internet Day this year is 'Together for a Better Internet' - and here at Folksworth we are certainly demonstrating that.
FOLKSWORTH PRE-SCHOOL

Being a small community pre-school, we are reliant on the generous support of the people and businesses in and around Folksworth. We would like to say thank you to everyone who joined us at our Santa Night. We had a great evening celebrating Christmas with friends, family and villagers, and also raised a fantastic £1,280! Thank you also to Princebuild, whose continued generosity and sponsorship allows us to hold such a great village event each year.

We would also like to say a huge thank you to NISA Stilton. They have very kindly chosen us as one of their local charities and awarded us an incredible £500! This, along with a grant that we have received from the Parish Council, will allow us to set up a much-needed science and technology area within the pre-school.

We are looking forward to an exciting 2019, so once again, thank you.

FOLKSWORTH, WASHINGLEY AND MORBORNE VILLAGE HALL

Thank you to everyone who supported our Burns Night Quiz and Supper. Many people played a part in making this event a success - THANK YOU. Details of amounts raised will appear next month.

Please join us for the 'Keeping your Community Safe Event' on Tuesday 12 February from 7:30 pm. We have speakers from Cambridgeshire Countryside Watch and NatWest Bank. This is a free of charge event for the community and we do hope you can support it by coming along on the night and bringing a friend or neighbour. Refreshments will be available.

Another date for your diary: we are again holding our successful Book Fayre and Art Exhibition on Saturday 22nd June. For further information watch out for next month's SCAN and on our Facebook page.

FOLKSWORTH LADIES CIRCLE

February’s meeting is the AGM, followed by a talk about nursery rhymes. We meet in the village hall on the fourth Tuesday of the month at 7:30pm. Ladies of all ages are welcome.

RESOLVING HGV PROBLEMS

As mentioned in last month's issue, our bid is with Highways for evaluation. I have not received any feedback/comments from residents, so assume all are happy with what could be happening (assuming our bid is successful).

To reiterate, the proposals are:
- **4 x Gates at the entrances**
- **Changing the junction priority and making vehicles give way from Washingley Road onto Manor Road.**
- **Remove existing markings and install new markings within the junction area**
- **Install 2 x Map type advance direction signs for the junction**
- **Install 1 x Give Way sign (illuminated)**
- **Install 1 x Flag type direction sign**

Entrances:
- **Dragons Teeth**
- **Install 2 x Informatory sign - Not suitable for HGVs**

Other:
- **SLOW markings**

Councillors accepted these proposals as a potential solution to the problems. The history and results from the traffic survey commissioned by the parish council earlier this year were presented to the panel on December 13th. We are waiting to hear whether the scheme has won the funding from the County.

The Parish Council has agreed to contribute £5000 to the cost. If successful, the scheme would commence in April and is expected to take up to 10 months to complete.

Obviously, even if the presentation to panel is successful and the funds are offered, Council does not have to accept the proposals. If any residents have any concerns about any of the above, please get in touch with me. If the bid is successful, we will ask for large-scale drawings of the plans so that these can be displayed/viewed in the village hall.

COMMUNITY FACEBOOK PAGE

The Facebook page is a huge success and is the very best way of distributing information quickly. All community and Parish Council information will be posted as soon as it is received.

WEBSITE

It is hoped that the new website will be up and running by early March. Your feedback would be appreciated.

POTHOLES AND STREET LIGHTS

I am happy to report any problems, but it is also quick and easy to report them directly to Cambs County Council via their website www.cambridgeshire.gov.uk and then 'Report a Fault'. The more reports there are the more likely we are to get the repairs done quickly.
Keeping You and Your Community Safe

Tuesday 12th February
Folksworth Village Hall
7:30 to 9pm

Come along to hear from informative, engaging and approachable speakers from Nat West Bank and Cambridgeshire Countryside Watch

Topics will include:

- Reducing crime in rural areas
- Avoiding financial scams
- How to keep your personal information safe

Learn, share information and your own experiences

Entrance is free

Refreshments will be available (suggested donation £1)

MEETINGS

The Parish Council meets on the third Tuesday of the month, except August, at 7:20 in the Village Hall, Manor Road, Folksworth. Planning meetings are scheduled as and when necessary. Agendas and Minutes can be found on the noticeboards and on Council's website. All meetings are open to the public and there is an opportunity at the start of each meeting for members of the public to speak.

If I can help with anything at all, please contact me.

I hope that you all had a great time over the festive period, writes Tony Oliver. Of course, by the time you read this it will be long forgotten, but perhaps not financially!

My wife and I had a good time with the family but slightly tempered by the news that the hire charges for the Stilton Pavilion have been more than doubled! Whilst being understandable to a certain level it has put a lot of pressure on me regarding the future of our charity events and how to keep them viable. I have been very pleased to make charitable donations to the Pavilion totalling some £840 over the past 21 months, over and above the hire fee.

So to carry on providing top quality multi-keyboard entertainment I have no alternative than to raise our admission charge to £10 as from our March concert. I hope this will not deter you from coming as it is still really quite cheap for the quality of live music provided. It is hoped that the continuing growth of our audience will be maintained so that the charity concerts will be able to continue beyond this year.

Remember that this year’s concerts will feature some of the best musicians from home and abroad. Our February and March events both feature some of the younger talent in the business; Ian House and, on Sunday 3rd March, the magic fingers of Mark Thompson from Durham will entertain us. Make sure you are at the Pavilion, details below, to hear some great music and enjoy an afternoon with like-minded people.

** Please note that the Claudia Hirschfeld concert will be slightly more expensive than the regular cost because of her star status in the world of music.

Concerts start at 2:30pm (doors open 2pm) and, with an interval for free refreshments and raffle, finish around 5pm. Do come and join our music-loving group; you will be welcomed by our friendly team of helpers. Oh, the cost? Now £10 per person and still very good value! We look forward to seeing you at The Pavilion.

Stilton Gardening & Natural History Club

Tuesday Feb 26th

Visit to Anglesey Abbey
Winter Garden and Snowdrops

Leaving Stilton at 10am, returning from Anglesey Abbey at approximately 3pm

Travel will be by minibus/small coach.

The cost will depend on numbers, but will not exceed £10.

Admission

National Trust members - free
Adults - £17

Anglesey Abbey has over 300 varieties of snowdrops in one of Britain's major displays. To see them, visitors walk through the amazing and colourful winter garden and past the Lode Mill, a historic watermill where flour is produced.

Coffee and lunch is available in the restaurant and from 'pop-up' stalls situated in the gardens.

Numbers are limited and priority will be given to Gardening Club members.

To book a place please ring Olive Main (241206). Leave a message on the answerphone if necessary.

A deposit of £10 will be needed.
**Stilton Parish Council**

The Parish Council Office is now open at Stilton Pavilion every Wednesday and Thursday from 9:30am to 12:30 am.

You are welcome to drop in for a chat with either the Clerk or Responsible Financial Officer (RFO) if there is any information you need about our services.

As we also show families round the Pavilion and meet them to discuss bookings, if you have an urgent or important issue you wish to discuss then it is best to make a booking with either:

Mary Croll - Parish Clerk - stiltonpc@yahoo.co.uk (Thursdays)
Kate Waller - RFO - stiltonparishcouncil@gmail.com (Wednesdays)

Residents are invited to attend all Parish Council and Parish Council Committee meetings. Meetings are normally held in the Parish Rooms commencing at 7:30pm on the second Tuesday of each month.

There is a 15 minute Public Forum at the start of each meeting, so feel free to come along and have your say on local issues.

Agendas and minutes for recent meetings together with the Audit Report for 2018/2019 can be downloaded from the website: www.stiltonparishcouncil.org

Details of any change in time/date or venue for meetings are detailed on the agenda.

**Stilton Pavilion**

For information on the availability for hire, times of regular classes or rates of hire please contact the Clerk or RFO as above, or visit the Stilton Parish Council website at www.stiltonparishcouncil.org/stilton-pavilion

**Special rates for Stilton residents!**

Proof of address and identity are required for all bookings and a deposit is held until completion of the booking. No smoking is permitted in any part of the building or within 10 metres of the building.
The Food of Love
FEBRUARY’S RECIPE FOR ST VALENTINE’S DAY

For someone special, why not invest in heart-shaped baking tins - available from e-Bay, Amazon, Lakeland, Tesco, Dunelm, Argos, Wilko - and make a cake or biscuits that you know you can guarantee a success? Or make a tempting dessert, such as panna cotta, brownies, or tiramisu.

EASY TIRAMISU

Beat together one tub of mascarpone cheese, 85gm of condensed milk and a teaspoon of vanilla extract.

Mix three teaspoons of instant coffee with two teaspoons boiling water, then add three teaspoons of coffee liqueur and 75ml of cold water.

Pour into a shallow dish and leave to cool.

Soak six sponge fingers in the coffee mixture and arrange in the base of a decorative glass dish, or break up the sponges and divide between two sundae dishes. Grate over a thin layer of chocolate, then pour over the cream mixture.

Finally, sift over cocoa powder or more grated chocolate.

Gardening in February
GET OUT THERE AND GET ON WITH IT!

It goes without saying that it all depends on the weather, but if possible get out and get started. By the end of the month the early flowering shrubs such as forsythia, flowering currant and weigela will have finished flowering and can be pruned. They usually flower on last year's growth. Cut out any damaged or dead shoots to ground level. If the bush is congested, open it up by taking out stems to ground level. Any weak or thin shoots should also be cut out.

After pruning mulch and feed. Cornus and salix, grown for winter colour, can also be cut down to their base. Winter-flowering jasmine should have the previous year's growth cut back to 5cm from the old wood. Snowdrops 'in the green' can be lifted and divided. Keep dead-heading the winter pansies so they continue to flower as the weather warms up.

And don't forget the birds still need feeding! By attracting them into the garden they will eat the pests.

Unearthing The Past
HOW THE A14 PROJECT TELLS US ABOUT OUR HISTORY

The A14 project has revealed the astonishing richness of Cambridgeshire’s archaeology. Two years of excavations, covering some 350 hectares, have unearthed:

- Three Neolithic henges, between 4000 and 5000 years old, and seven prehistoric burial grounds, most from the Bronze Age.
- 15 Iron Age and Roman settlements, three Anglo-Saxon settlements and one deserted medieval village.
- Around 8,000 objects such as coins, brooches and ironwork, 375 human burials and cremations, more than six tonnes of pottery and almost five tonnes of animal bone.

These are helping archaeologists to understand how people lived, how their societies worked, their spiritual lives and the impact of major events such as the start and ultimate collapse of Roman rule.

A 30-strong expert team is now embarking on several years of work to tell the story of thousands of years of human occupation. One exciting story is the discovery of the earliest beer in Britain on an Iron Age site.
The ubiquitous household internet router has become a popular target for scammers. **SCAN** has been receiving these scam telephone calls every day recently.

In a typical version of the scam, someone calls you ostensibly from the technical support team of internet service providers, BT, Sky or TalkTalk. The caller - which may just be an automated recording - advises you that there’s a problem with your router, for example that it’s been ‘compromised in foreign countries’ or that it just isn’t working properly. Either way, they claim it has to be changed. In the automated version, the recording may ask you to press a particular button on your phone. **DON’T**!

To create a sense of urgency, they may claim that your internet will have to be shut down within 24 hours unless you take action.

The scammers ultimate aim is to trick you into making a payment, giving them your bank details, or gaining access to your online bank account.

**HOW NOT TO BE A VICTIM**

- Treat ALL unsolicited phone calls with caution. If you have any doubt, just hang up and call your internet provider directly. Ensure you only get the number from their official website or their account statements and **DON’T** call any number given by the fraudsters.

- If they say there’s a problem with your router, go check for yourself. If you don’t have any internet problems, hang up.

- **DON’T EVER** give someone access to your computer. You wouldn’t let just anyone into your home, would you?

- **DON’T** give your bank details over the phone. Your internet provider would have these details already, so there’s no reason why they would want them again.

- Warn others, especially the more vulnerable.

- If you use social media **DON’T** reveal too much personal information; that's often where scammers get their information from.

Note that you can use the BT Call Protect (1572) function to block undesirable callers, but this won’t be 100% effective in these instances, as the scammers routinely ‘spoof’ innocent-looking numbers and change them frequently. There is no substitute for a healthy suspicious nature!
NHS Health Checks

If you are aged 40-74 years, don't have a long-term condition and have not already had one in the last five years, you might be eligible for a free NHS Health Check.

We know that your risks of developing heart disease, stroke, Type 2 diabetes, kidney disease and dementia increase with age. There are also certain things that will put you at greater risk such as:

- Being Overweight
- Drinking too much alcohol
- Being physically inactive
- Not eating healthily
- High Blood pressure
- High cholesterol
- Smoking

The good news is that these conditions can often be prevented, even with a history of them in your family. NHS Health Checks are available to anyone aged between 40-74 and they are completely FREE OF CHARGE! Appointments are available throughout the week and can be booked via Reception.

Monthly Closure Date

The Practice will be closed on Wednesday 20th February, between 12:30pm and 4pm for staff training.
Emergency Telephone (01733) 240478.
Pharmacy Technician

We are pleased to welcome Pharmacy Technician Gemma McNulty to the team here at Yaxley. This is a new role and Gemma will work alongside the Practice's Prescribing Pharmacist, Arvind Thandi, to provide safe and effective use of medicines for all patients.

Her work will involve Repeat Medication Assessments, which constitute 80% of all prescribing in general practice. It is vital that effective systems and procedures are in place to ensure that this process is effective, safe and efficient. She will be involved in day-to-day management of this, with regular and thorough reviews of all medications. The process also ensures that patients receive the appropriate monitoring necessary for the medication they are prescribed.

We wish Gemma well and hope she enjoys working with the team here in Yaxley.

Missed GP Appointments

You may have seen in the news recently an article discussing how much missed GP appointments are costing the NHS.

(BBC News 02.01.19 www.bbc.co.uk/news/health-46732626). Officials have stated that missed appointments are costing £216 million which equates to 15 million appointments per year. Of those 15 million appointments which patients missed last year, 1150 of them were here at Wellside Surgery. That's over 249 hours of clinical time which was wasted when we could have been seeing other patients in need of an appointment. Missed appointments waste time and money, and ultimately have an impact on patient waiting times. If you have booked an appointment which, for whatever reason, you will no longer be attending then please contact us to let us know so that we can offer that consultation to another patient.

Practice Premises

Taking into account recent and likely future expansion of the village, we are currently exploring the possibility of extending the surgery to provide additional patient consulting rooms. This will be the subject of our forthcoming patient survey and we would encourage as many patients as possible to complete the survey for us.

The survey will automatically be sent out to patients who have signed up to be part of our Patient Reference Group or to automatically receive our newsletters electronically. (If you have not done so already, details of how to join both of these groups are on our website.) The survey will also be available via our website and hard copies will be located in the waiting room.

Best Regards,
Mrs Claire Wright
Practice Manager
