Ward Rounds - 2
REPORT TO PARISH COUNCILS FROM COUNTY COUNCILLOR SIMON BYWATER

As another financial year comes to an end, I thought it timely to give you a brief overview of what has been, for me, a very busy year. Most of you will have seen me around the ward tackling local issues that affect residents, such as pot holes, dangerous trees, road signs, fly tipping, liaising with Highways officers and assisting in the Local Highway initiatives.

I have spent many hours with residents and community groups helping to address concerns and anxieties over large-scale planning applications in Sawtry, Stilton, Holme and the two crematoria in Kings Ripton. I have attended many HDC District Planning committee meetings raising concerns over the impacts on our communities and in particular infrastructure pressures. I will continue to support Parish Councils and communities during this complex and very often frustrating process.

I have worked tirelessly to help many local residents with a variety of issues that are important to them, which includes health and social care issues, housing worries, school places, school transport, special education needs, care plan support and some very complex disputes involving a wide variety of agencies from Police, Environment Agency, Fire Service Planning and the Health and Safety Executive. One such issue has taken me to the highest level of Government and was duly supported by our MP Shailesh Vara for which I and the residents are very grateful.

My District Councillor colleagues, Cllr Tim Alban, Cllr Marge Beuttell and Cllr Dick Tuplin have supported me with many issues this year and continue to work for their communities, for which I am very grateful.

At Cambridgeshire County Council, as an elected member I hold additional roles and responsibilities:

Chairman of the Children and Young Peoples Committee (CYP). This is by far my biggest commitment at the County Council, for which I was selected by Full Council. It is a role I am very passionate about and take extremely seriously. It is a statutory and county-wide responsibility for Children's Social Services and Local Authority Education services. This involves meeting a wide variety of partners and stakeholders to ensure the CC are doing their very best for all young people in Cambridgeshire. You can see the work we have been doing in the committee here: https://cambridgeshire.cmis.uk.com/ccc_live/Committees/tabid/62/ctl/ViewCMIS_CommitteeDetail/s/mid/381/id/4/Default.aspx

During the past 12 months the CYP committee has looked at and made a huge number of decisions relating to policy and strategy. One such complex item was the way CCC delivers Children's Social Care, known as the Change for Children Programme, developed to address some longstanding challenges in delivering children's social care services in Cambridgeshire. Children's Social care is very expensive but also vital to those children requiring help. The change to a
district-based model was implemented in December 2018. A recent Ofsted report of children's Social Care found Cambridgeshire to have ‘good leadership’ but agreed that we required improvement in other areas which we had previously identified as part of the change programme. Following this report, and due to some great work by our officers, the Department for Education has awarded Trailblazer status to Cambridgeshire County Council. This will allow us to implement the Family Safeguarding model, which will allow us to share in a significant amount of additional funding to help us to implement the approach. This is fantastic news for the Council, our staff and, most importantly, for our most vulnerable children and young people. See more details on this website: www.fenews.co.uk/press-releases/28085-new-84-million-project-to-strengthen-familiesand-safely-reduce-the-number-of-children-entering-care

Board member on Shared Services Education Board. This board looks at how we can work more effectively and collaboratively in education with Peterborough City Council and thus recommend improvements and savings where appropriate.

Lead member on The Cambridgeshire and Peterborough Safeguarding Children Board (CPSCB) This is the key statutory body overseeing arrangements for safeguarding children and young people across the county. See this website: www.peterboroughlscb.org.uk/children-board/

A Member of Cambridgeshire Fire Authority The Fire Authority is responsible for delivering a fire & rescue service to the 805,000 people of Cambridgeshire and Peterborough.

www.cambsfire.gov.uk/about-us.aspx

In Feb 2019 Cambridgeshire full council set its budget. Members heard that despite investing in a range of innovative, ambitious, transformation and efficiency plans, the situation could have been much worse. The County Council was still projecting a budget gap for 2018/19 of £4.3m even after including a proposed 2% Adult Social Care Precept. Debate had seen unity from all parties about the increase in council tax, but divided opinions on how the money raised should be spent. The Adult Social Care Precept increase of 2% and the Council Tax increase of 2.99% will add £23.76 annually (46p weekly) and £35.64 annually (68p weekly) respectively to a Band D property, before other precepting authorities such as city and district councils, fire and police add their amounts.

At the meeting the Council's bid to achieve a fairer funding deal from government was further discussed as, despite being the fastest growing county in the UK, Cambridgeshire is the third-lowest funded. Members heard that if the County Council was funded at the same rate as an average London Borough it would receive £75m a year more in Revenue Support Grant from central government, and if it was funded at the same rate as an average UK County Council it would be £13.7m a year better funded. So, needless to say, I will continue to do all I can to push Government for fairer funding for our Council and our schools in Cambridgeshire.
Finally, without the commitment of parish councillors it would be impossible for the local issues that are important to us all to get done. I really do appreciate this knowledge and support and on behalf of everyone in our community I wholeheartedly thank you. This is just a brief summary of the work I have been involved in this year but I hope you find it useful. As you can appreciate, it is also sometimes very difficult to get to every meeting given the time pressures, but please feel free to contact me should you need to discuss anything at a more specific local level.

Best wishes and hopefully see you soon

Let’s Make Dates
CAN YOU HELP US COMPILE THE 2020 SCAN CALENDAR?

The 2019 SCAN calendar project proved such a success that we’re looking to produce one for 2020. But several people commented that by Christmas they’d already bought calendars, so we’d like to get this next one out for you a bit earlier.

And, like last time, it will feature our readers’ magnificent photography, so get snapping!

The theme will be Local Beauty Spots. We’ve picked this because:

- There’s a limit to how many pictures of Stilton and Folksworth we can use without becoming repetitive.

- There are lots of attractive places within easy reach, which make our villages ideal centres for leisure activities.

- It gives a wider scope for a wide variety of attractive images.

So now that summer’s here and you’re all getting out and about in the sunshine, take lots of pictures and send us your best ones.

By Local, we mean within, say, 30 minutes drive, which gives you a lot of scope for all sorts of scenes: pleasant riversides, picturesque villages, wildlife, sports - let your imagination run wild. And when you see something/somewhere photogenic take a photo!

PICTURE GUIDELINES

Colour images (photos or paintings) in landscape orientation. But feel free to include a few portrait images as that might give us some more options when designing the layout.

Photos should be high-resolution; at least 2400 x 1800 pixels. If you want to submit a painting, please do so as a scanned image at 300 dpi, NOT a blurry picture taken with your phone!

Do NOT crop or Photoshop the images; if necessary we’ll do that during production.

Include a brief description of what the picture is about, where taken etc. This is so we can add captions.

Note that you can submit pictures you may already have, so you’re not limited to just what you can take over the summer.

DEADLINE

Please send your images by 31st August to scan1@stilton.org. Large images may be sent via a Cloud service such as Dropbox.

Send us your full name, address, phone and email, so we can get back to the winners with their FREE calendars.
Stilton Church Heritage Project

In April’s SCAN we introduced and explained this ambitious, exciting community project which is going to need the skills and expertise of many people. You don't have to be a churchgoer, or 'religious' to be part of this, just keen to help maintain and develop the oldest building and community organisation in Stilton.

An important element of this project is the compilation of an updated and extended guidebook to St Mary Magdalene church. This is putting out roots and branches into many aspects of Stilton’s history. We’re already discovering interesting material from archival sources but we don’t know what we don’t know! So if any readers have historical material that we could draw on - perhaps old family wedding photos at the church; old news clippings, letters, books, documents, or even just verbal recollections - that would be much appreciated.

It’s already been suggested that there’s scope for a companion volume describing Stilton’s wider history and often it’s the apparently insignificant items that shed the most light. Naturally, any physical material loaned will be treated with the utmost care and returned promptly.

If you would like to know more about the project, or can contribute any historical material, or want to become involved in any way, contact Chris Walford (241376) Pat Maltman (242229) or Olive Main (241206).

We expect to include a regular monthly bulletin to keep residents informed of progress.

England’s Lost Lake

Readers with an interest in local history - or who perhaps have friends or family with an interest - may like to buy a copy of England’s Lost Lake - The Story of Whittlesea Mere.

This engaging book captures the history of what was, in its time, an important feature of the local landscape and, indeed, the local economy. Today’s flat fen landscape gives little evidence of its remarkable history so you need to know what to look for. This book is a great place to start.

Olive Main has a small quantity of these books, which sell for the bargain price of £8.50 each. Just call Olive on (01733) 241206 to get your copy - or even a few as Christmas gifts!

Did You Know?

Two of the inns and much of the land in and around Stilton once belonged to the Church. But perhaps more than you thought!

Prior to the Dissolution, in 1535 Stilton accounted for a quarter of all the assets of Bushmead Priory in Bedfordshire.
Stilton Parish Council
District of Huntingdonshire

STAFF VACANCY

Parish Clerk & Responsible Finance Officer

The Parish of Stilton has a village population of about 2,500. The precept for 2019/2020 is approximately £90,000. There are to be three part-time staff who, together with volunteers, look after the Stilton Pavilion, the Parish Room, village amenities and the graveyard.

Applications are invited for the post of Parish Clerk & Responsible Finance Officer. We are looking for someone with the ability to manage staff, maintenance contracts and facilities. Ideally, they should have experience of financial systems and procedures, including those for VAT, and the preparation of financial reports as appropriate for Parish Councils. They need an ability to work with the public, including residents, contractors, councillors and external agencies. Some experience of preparing agendas, minutes and reports within required timescales is important. There needs to be a flexible approach to working patterns; evening working is required particularly for meetings of Council and its committees. An understanding of legal, statutory and other provisions (including risk assessment) governing or affecting the running of a Parish Council is welcomed, as well as some experience in dealing with correspondence and complaints.

The ideal candidate will be a CILCA qualified Clerk/RFO or someone willing to work towards this qualification. The Parish Council will support training of a suitably enthusiastic candidate. Five GCSE grade A*-C to include English and Maths (or equivalent qualification) are required.

This is a home-based, part-time vacancy

MEETINGS

Stilton Parish Council holds meetings on the second Tuesday of the month at 7:30pm at the Pavilion. There is a 15 minute Public Forum at the start of each meeting, and we would welcome your views and comments on local issues, so please do come along and meet your Councillors. Agendas can be viewed on our website and also on the village notice boards outside the shop and in the cemetery.

STILTON PAVILION

Procedures for viewing and booking the Pavilion have now changed.

To contact the Pavilion for booking or viewing enquiries, please either:

Email: pavilion@stiltonparishcouncil.org
Or call the enquiry line on 07484 746894

We would be happy to arrange an appointment for you to view the Pavilion and discuss your needs. Booking forms and prices can also be found on our website.
Packing the House
STILTON IN TUNE’S STAR PERFORMER PLAYS TO A CAPACITY CROWD

With top German multi-keyboard player Claudia Hirschfeld arriving at the Pavilion with her Wersi Orchestra organ I was expecting a good turnout but was completely delighted when our total audience was 114 people! A great success for both Stilton in Tune and the Pavilion, with people coming from far and wide, including Bury St Edmunds, Felixstowe, Ely and Harrow. Many said that they will return because of the shows and the venue! Claudia’s concert, one of just 15 in her UK tour, was a huge success with our almost capacity crowd giving her a standing ovation at the end. I was so lucky to obtain her services.

With such a large audience, the money raised for our new beneficiary, Magpas Air Ambulance, saw things off to a flying start! I anticipate that some £300 will be donated to the good cause. Many thanks to all who attended and for the many quality raffle prizes.

The 2nd June sees our next artiste, super musician Rod Pooley from the south coast, making an appearance at the Pavilion. Another player with his own distinctive style and musical programme, with a wicked sense of humour partly because of his poor eyesight. He was originally scheduled to play in April but the death of his driver’s mother postponed the trip. For a real mixture of music he is highly recommended – from jazz to classics.

I hope to start booking next year’s artistes shortly once the Pavilion management have confirmed my requested dates.

All concerts start at 2:30pm (doors open 1:45pm) and, with interval for free refreshments and raffle, finish around 5pm. Do come and join our ever-increasing, music-loving group of friends; you will be welcomed by our friendly team of helpers. We all look forward to seeing you at The Pavilion, High Street, Stilton, PE7 3RA.

Mrs Shirley has now worked at Stilton C of E Primary Academy for 25 years, writes Head Teacher Helen Smallman.

She has been a wonderful Teaching Assistant and Midday Supervisor, working with a range of teachers and year groups over the time she has worked here.

She always puts the needs of the children first and works tirelessly to ensure that they are happy and ready to learn. She has high expectations and always gets the best out of the children. She is extremely well loved by the pupils and the staff at our school, past and present.

Mrs Shirley loves working at the school and says, 'Being part of a great team, seeing children develop academically, having opportunities to learn real life skills and to be independent, continues to be a real privilege for me'.

We would like to say a huge thank you to Mrs Shirley for her dedication and commitment over the years.

What an achievement!

Desperately Seeking...

Former villager Steve is writing his memoirs and contacted SCAN to see if anybody can help him with any reminiscences of his schooldays.

He’d particularly like to hear from anyone who started Sawtry Village College 1980-1981 or who still has a copy of their 1980/81 timetable for Mrs Allnut/Mrs Thompson's class.

Just contact SCAN and we’ll put you in touch.
Frank Coles
18th April 1932 - 21st March 2019
THE LIFE OF A COUNTRYMAN

Frank Coles was born at 5 Washingley Road, Folksworth on the 18th April 1932, the fourth child of Albert and Barbara Coles and youngest brother to Blanche, Edward and Lillian.

He went to school in Folksworth and then Stilton, leaving when he was 14 years old. He recalled catching rabbits before school and selling them to villagers and grazing a local farmer's cows along the hedgerows.

In true countryman style his first job was on the land, working for the Cheney family of Morborne. After that he tried working in the local brickyards, where his father worked but that did not last long. Frank's love of the countryside drew him to Washingley, working for the Scrimshaw family. This is when Frank met the love of his life, Jean King. Jean's father had a small herd of milking cows where they lived on Bullock Road and it was not long before Frank was helping out.

Jean and Frank were married on 22nd March 1958 in Folksworth Church and afterwards celebrated in Folksworth Village Hall. His twin children Susan and Richard were born in 1968. Initially he and Jean lived with Frank's Mum and Dad but it was not long before a tied cottage was available with a post for Frank as a land hand and Jean as housemaid, with the Roam family of Morborne. Frank stayed for many years, covering everything from land work, lambing and gamekeeping.

In the early 1980's Frank became self-employed and started grass cutting and odd jobs for locals and Parish Councils, including Folksworth and Washingley. In the latter years he was joined by Richard. Frank retired when he was 83, though perhaps 'retiring' is not the right word as he still continued to help Richard in the Parish and also with the Folksworth Shoot. Folksworth and Washingley Parish Council is greatly indebted to all that Frank did in maintaining the Parish over so many years.

Frank was a great family man, helping to care for his and Jean's parents and later taking great pride in his own children's and grandchildren's achievements. He rarely ventured far from the locality, but enjoyed his weekly trips to Peterborough Speedway. He enjoyed Country & Western music and was quite a dash at ballroom dancing. He recalled lots of fun dancing, including at Washingley Hall.

Sadly Jean died last year, a great loss to Frank, his family and all who knew Jean.

Frank saw many changes in Folksworth over his life. He moved with those changes but also gave us a wonderful link to a past age more in tune with the local environment. He will live on in the many reminiscences he so freely and generously shared.
The School

TOP MARKINGS!

Our children have been really enjoying the new additions to the playground this year. Probably the most popular are some fantastic scooters which can also transform into balance bikes for the children. These have now been given their own area of the playground for use, which we have had marked out with roads and junctions to aid the children's creativity and learning.

Indoors, the auditions have just taken place for our end of term production. This year the children in Oak and Elm classes will be performing 'Bugsy Malone' for us. It was thrilling to see the confidence of the children as they put themselves forward to be involved, even singing solos in some cases. These songs are already becoming a familiar part of our days, as are terms like 'hoodlums' and 'splurgings', to say nothing of the Brooklyn accents!

If you would like your child to become part of the rich learning opportunities we provide at Folksworth, please contact office@folksworth.cambs.sch.uk or visit our website to see which years have any spaces left for 2019-20.

Folksworth Pre-School

The children of Folksworth Pre-School have been looking at how the seasons change and what changes happen. Our own plants have started to germinate and reports so far from the children's home learning project suggests the sunflowers are growing well. We have been watching the changes to some of our local trees as the blossoms and leaves arrive. Our radishes have been the first to appear and we look forward to continuing learning about where food comes from.

We still have a few remaining places left for September and are now taking bookings up to Easter 2020. For more information please look at our website on www.folksworthpreschool.co.uk and call Niki on 07542 172075 to arrange a visit.

We hope to see you at our Summer Fete and Car Boot Sale on Sunday 7th July, 12 - 3pm on the Folksworth Playing Field. See our advert in this issue.

Paul Daly

Pauline Daly would like to thank all the friends and neighbours of 50 Townsend Way for their kindness and for the flowers for her husband Paul's funeral on 16th May. Thank you all so much.

Be sure to tell our advertisers you found them in SCAN!
Ladies Circle

In April, Mark Egerton told us about paranormal experiences which have occurred in old buildings in the villages in Huntingdon. He has written a book about these ghostly sightings and has learnt a great deal of local history through his research. In May we had a talk about the "Bobby Scheme" which involves the police helping people who have been burgled. This month we have a games evening.

We meet in the village hall on the 4th Tuesday of the month at 7:30pm. All ladies welcome.

CHAIRMAN'S REPORT

Another busy year has passed, writes Mark Randall, and we now have a full council after several years of being below strength. There were no nominations at the election in May 2018 and all previous councillors were elected unopposed. I am pleased to welcome Cllrs Rodgers and Goodfellow to the council, who have been co-opted to the council during the year and I am sure they will be a real asset to us over the term of the current council.

Sadly, we also suffered losses. Although David Bache was not a councillor for very long, he had a big impact, especially regarding issues affecting elderly residents which was his area of expertise. The entire village mourned Frank Coles who passed away a short time after his wife. Frank did so much for the village throughout his life. Council's thoughts are with the families of David and Frank.

I would like once again to thank all the Councillors for their committed hard work and attendance at meetings over the last four years. It should be remembered that councillors give up their own time on a purely voluntary basis and should be commended for their dedication. Many thanks also to Jackie Stanbridge, our Parish Clerk for her sterling work for the council.

The council would like to remind parishioners that the recreation ground is not available for use by dog walkers and that all dogs must be kept in close control on the public footpaths, especially at this time of year when young livestock is grazing.

The play park facility continues to be a well-used local amenity. Issues with vandalism have been fair reduced this year.

2018/19 has been quiet on the planning front, with a limited number of planning applications being discussed by the council. The council continues to discuss any planning applications submitted in the council and our views on planning are recorded in minutes of our meetings.

At the annual budget meeting in November the Parish Council decided not to increase the precept this year. Should there be any shortfall in the budget this would be met from Parish Council reserves.

The past year has seen, several projects undertaken around the village. The Pocket Park near the village pond has continued to flourish and be developed, with several councillors and volunteers from the village taking a keen role in this project.

A traffic survey was commissioned during the year by the council to assess the volume of HGVs coming through the village. This information has formed a vital part in our successful LHI bid for funding to introduce traffic management improvements to Folksworth which will be implemented during this financial year.
COMMUNICATIONS - LISA BLACKMAN, VICE CHAIR

Over the last year, social media has been increasingly used by the Parish Council, both to relay information and to answer concerns and queries of residents. It works well as a very immediate type of communication and allows us to get messages out to a lot of people quickly. This has been utilised for advertising meetings and village events as well as forwarding parishioners' questions and notices. It's even been used for helping locate missing pets. We understand not everyone uses social media and it is just one of the communication methods we use alongside our noticeboards and the new website which has just been launched: www.folksworthwashingley-pc.org.uk

PARISH MAINTENANCE - ALISON BROWN

The Parish Council continue to help maintain and monitor the state of the Parish. Over the last 12 months we have undertaken this in the following ways:

Richard and Frank Coles continued to cut the grass around the village and the playing field and empty the Parish bins, under the contract that they have with the Parish Council. They have also carried out additional work as required eg tidying the tree belt on the Playing Field. So it was with great sadness that we learned of Frank's recent death. His advice and support will be greatly missed

ROSPA inspect the Play Equipment annually in April and we undertake repairs of the equipment in line with their report and other issues as they arise

The Council has reported issues e.g. potholes, water leaks etc. to the relevant authorities as required over the year.

The Parish Council have removed two of their bins recently - one by the seat near the Fox and one by the pond - as they were in a poor state of repair. There are council bins in the near vicinity, so we are not going to replace them unless it appears necessary.

On the 14th April Yasmin Rogers organised a litter pick around the Playing Field and on Apreece Road, as part of an initiative organised by Keep Britain Tidy. 18 people helped on the day and 25 bags of rubbish were collected. Thank you very much to everyone helping to keep the Parish tidy. Hopefully we shall repeat this event again next year.

COMMUNITY MEMORIAL ORCHARD - ALISON BROWN

Work started this year to develop the overgrown space behind the pond into a Community Orchard. The aims for doing this are:

1. To provide a lovely and interesting area for the Parish to enjoy
2. To provide a good habitat for wildlife
3. To add to the existing apple trees to provide more fruit trees of different types
4. To encourage parishioners, particularly those without direct access to their own fruit trees, to use the fruit produced.
5. To use the area as a living memorial to the men in the Parish who fought in WW1, particularly those who did not return.
We have obtained advice and help from HDC, Orchards East and Haydens Arboricultural consultants in this project. A number of diseased ash trees had to be felled before much work could start. The wood was then offered to parishioners for their own fires; a small amount has been mulched for use on the site.

Since then a small working party has met every Wednesday (weather permitting) to:

1. Work on clearing the site of debris, unwanted weeds e.g. nettles and ivy etc.

2. Build a Fence/bug hotel from branches and twigs from the trees in cut back

3. Prepare the boundary area with the school and flats for hedge planting.

Thank you to all those who have helped.

In October Andy Goodfellow took samples of the two apple trees to the Apple Day in Stamford to identify the fruit, which we now know are Bramley Apples (very good for cooking). Patrick Clarke obtained some free nest boxes and these have been sited.

Over the next year we intend to:

1. Continue clearing and developing the site

2. Plant some more fruit trees in the autumn, thanks to Orchard East.

3. Plant some hedging along the school boundary, thanks to the Conservation Volunteers

4. Plant some bulbs and spring flowers

5. Design and produce an information board

6. Replace two of the felled trees with native trees as directed by HDC- Oak or Field Maple

7. Have our own Apple Day in conjunction with the Village Hall in the Autumn

If anyone would like to join us, please get in touch via the Clerk. If you can’t help in the week, we are happy to organise some weekend events, particularly when we come to planting the trees, hedging and bulbs.

WASHINGLEY BROADBAND UPDATE - GORDON FENWICK

In March 2018, Connecting Cambridgeshire held an information evening in Stilton Primary School to a small number of representatives to discuss the local area and villages' access to fast, reliable broadband.

Connecting Cambridgeshire is part of a government initiative rolling out superfast broadband to thousands of homes and businesses across Cambridgeshire and Peterborough that would not otherwise be able to receive it.

The Connecting Cambridgeshire Partnership is led by Cambridgeshire County Council, working with: local councils in Cambridgeshire and Peterborough, BT, the Government's Broadband Delivery programme (BDUK) and partners in business, health and education to achieve its aim of becoming the best-connected county in the country.

The programme aims to bring superfast broadband to 99% of the homes across Cambridgeshire by the end of 2020.
The fibre broadband roll-out is being covered in four phases:

Phase 1 and 2 are complete.
Phase 3: (2017 - 2019) has Planning and surveys underway.
Phase 4: (2018 to 2020) is in the planning stage.

As far as we are aware, the Washingley area is currently planned for this year and the Parish Council will keep you posted as the developments occur.

**SYNOPSIS OF ACCOUNTS 2018-19**

Staff costs for the year were £6191 and running costs for items such as insurance, subscriptions, hall hire, play inspections, audit, office expenses, communications etc totalled just under £4000.

Parish maintenance and projects including grass cutting, provision of a new noticeboard for the Village Hall and commissioning a traffic survey amounted to just over £13,000 and Section 137 and Community Grants totalled £4300.00

The balance at March 31st 2019 was £15,282.00

The Precept for this financial year has remained the same. The budget for the new Financial Year is £38,055 which includes a £5000 contribution towards the HGV traffic measures. Council again received a clear audit and Council's reserve remains at £12,132.00.

Stilton Indoor Carpet Bowls Club has spent most of its 40-odd years in Division One of the North Cambs Carpet Bowls League. That’s quite a track record! And even when it does have a rare off-season it quickly bounces back, as it did this season after a brief relegation, winning Division Two with an unbeaten run: Played 12; Won 12, with a margin of 21 points. An outstanding effort by the players, pictured here receiving the trophy and their mementos at the League Presentation Evening.

The Club always welcomes new members, whether you’re a complete beginner to the game or an experienced bowler; if you just wish to play socially or to play competitive league bowls.

There are many reasons to give Carpet Bowls a go; for example:

- No financial outlay for equipment. The Club provides all the equipment required
- No discrimination. Male, female, young, old or less able-bodied, all can play on an equal footing
- It combines good gentle exercise with mental stimulation

And many reasons to try the Stilton Club:

- It’s a welcoming and friendly club. Sessions include a break for a cuppa and a biscuit and a good chat
- Your first three sessions are completely FREE to see whether you like the game. Thereafter it’s just £3 a session. We also pay an Annual Membership Fee of £10 after the taster sessions.
- If you are a complete beginner, guidance and advice will be given - we all started sometime!

Club sessions are held all year round at The Pavilion on Monday afternoons 2 - 4 pm. It also has a Thursday evening Club Night from 7:30 - 9:30 pm during the season, which this year will run from Thursday 12th September through to the last Thursday in April 2020.

Do it today and get involved!
Stilton golfer Sam Young is going the extra mile - in fact a lot of extra miles - to raise funds for Macmillan Cancer Support.

If the essence of a sponsored challenge is that it should really be challenging, Sam’s target is well worthy of support. On 21st June, he and a group of friends will be playing FOUR CONSECUTIVE ROUNDS OF GOLF - the equivalent of walking a marathon whilst playing golf. Makes you feel tired just to think about it!

YOU CAN HELP!

Sam’s team aims to raise £1500 for Macmillan but they obviously deserve to beat that target and we’re sure SCAN readers will help them do so. Naturally, they’ve set up a Just Giving webpage, so whip out your credit card and make your donation at: www.justgiving.com/teamflake

And we’re sure they’d appreciate some moral support as well, so why not go along to Peterborough Milton Golf Club on 21st June? They plan to tee-off at 4:15 am - yes, AM, it’s a marathon remember!

Sam explains: ‘With 72 holes of golf to play and 20 miles to walk, we will need every last ray of daylight, so we have chosen the longest day of the year, 21st June, to do this. We have completed the Milton course many times, but doing it four times in one day is going to be a challenge for our backs and knees, and mostly likely a test of our patience too!

‘We chose Macmillan because, like many, we have all lost close friends and family to cancer.

‘We will be contributing to our donation target throughout the day as we carry out challenges between ourselves, with the losers donating their stake to the cause. But we’ll appreciate any additional donations, big or small.’

So come on Stilton; dig deep and help Sam blitz his target. We’ll get him to report back - once he’s recovered!
READ A LITTLE ALOUD

Would you be interested in attending an adult shared reading group in your library? This is a FREE open adult group for people who enjoy listening to a range of stories and poems being read aloud. Each month has a different theme. You can sit back, relax and listen, or join in with discussions. Maybe you'll meet new friends and learn something new along the way. If you're interested in this, or would like to become a volunteer reader, please enquire at Yaxley Library.

SUMMER READING CHALLENGE 2019

Celebrating 20 years!

Preparations are well under way for the LAUNCH of this year's Summer Reading Challenge. If we said 'watch this SPACE' you might have an idea of the theme…. The COUNTDOWN has begun… we will BLAST OFF on 13th July. More details to come in next month's SCAN!

FALLING IN LOVE WITH READING

A short two-course session for parents and carers of children aged between 3 & 7 years. Discover the joy of telling stories, interacting with your child, bringing words and pictures to life. If you are interested in attending please register your interest at Yaxley Library or by email to: huntingdon.referrals@cambridgeshire.gov.uk

NEED THE ESSENTIALS?

‘Essentials by Sue’ provides everyday basics, such as toiletries, sanitary products and underwear, for young people who struggle to afford such items. Yaxley Library has become one of the new local collection / drop-off points for this project and we have a donations box just inside the front of the library. Young people can come in during library opening hours to discreetly select items that they may need. If you, or your business/organisation, would like to donate items, please hand these in to a member of staff. We welcome donations of the following NEW items: sanitary products, toothbrushes, toothpaste, shampoo, shower gel, deodorant, male/female underwear and socks.

VOLUNTEERING

Do you have a few hours to spare? Why not consider volunteering at Yaxley Library as an EngAge/Library Supporter helper? If you would like more information please contact Yaxley Library or email to: huntingdon.referrals@cambridgeshire.gov.uk

Let’s Get Pickled
TIME TO START ON THOSE EARLY PRESERVES

Don’t wait until late summer to start making jam, chutney etc. Lutton farm shop provides cheap, superb strawberries from early May so get started with the jam making! Elderflowers have a short season so need to be picked and used now. And if you like to have mint sauce or jelly in the winter, the plant is at its best in late spring.

Mint Sauce

This keeps through the winter. And it’s much better than the fluorescent green commercial variety.

1. Boil together ½ pint vinegar and 6oz of demerara sugar for a minute, making sure all the sugar is dissolved.

2. Add ¼ pint measure of finely chopped fresh mint.

3. Stir well to distribute the mint and leave to go cold.

4. Put into sterilised jars and cover.

When serving place a tablespoon of the mint in a bowl, add a little of the liquid and top up with fresh vinegar.

If you like mint jelly this can be made now using gooseberries instead of the traditional apple.

Middle Nene Archaeological Group

Diggers Wanted

NO EXPERIENCE NECESSARY
We will teach you! Bring a friend!

If you are aged 16 or over, friendly, fit or not so fit, come along and enjoy all aspects of archaeological excavation and have a good time as well. Not everyone has to dig; there are lots of other jobs. We provide equipment, but bring your hat and sun cream.

This excavation of a Roman site at Nassington, near Peterborough, will run from 17th - 31st August 2019. Come for the whole time or just a couple of days.

New Equipment

Thanks to many generous donations, we are delighted to say that we have been able to purchase three new pieces of medical equipment:

**NEW AUTOMATIC BLOOD PRESSURE MACHINE**

This replaces our old machine, which was 12 years old and had taken over 140,000 BP readings. The BP machine is located, as before, in waiting room D. If you require any assistance in using it a member of staff will be pleased to help you.

**CoaguChek Pro II MACHINE**

This machine is used to check INR (International Normalised Ratio) levels for patients taking the anticoagulant drug Warfarin.

We have clinics available daily, with our Healthcare Assistants offering patients a choice of when is suitable for them to attend to monitor their INR levels.

**MINOR OP COUCH**

A well-needed new minor op couch for our treatment room. This again can be used daily to carry out minor operations.

Many thanks again for the generous donations that we receive, they are greatly appreciated.

Hay Fever

You do not need to see the doctor for hay fever symptoms! Hay fever and seasonal allergy treatments such as tablets, eye drops and nasal sprays are all easily available at low cost from your local pharmacy or supermarket - no prescription required!

Pharmacists can advise on how to avoid triggers and how to treat your hay fever.

Some self-help tips which may help you are:

- Wear wraparound sunglasses to stop pollen getting into your eyes.
- Keep windows and doors shut, especially in the evening.
- Don't dry clothes outside - they can catch pollen.
- Staying indoors when the pollen count is high.
- Avoid cut grass/grass areas.

Staff

We are pleased to welcome two new members of staff:

Gemma Whittaker - Clinical Administrator
Helen Bigginton - Healthcare Assistant
Monthly Closure

The Practice will be closed between 12:30pm and 4pm for staff training on the following Wednesdays:

19th June 2019
17th July 2019

Emergency Telephone (01733) 240478.

LATE SUMMER HOLIDAY CLOSURE

We will be closed for the Late Summer Holiday on Monday 26th August 2019.

The surgery will be open on Saturday 24th August in the morning only.

Please make sure you have sufficient medication to cover over the holiday period.

The Nursing Team at Lakeside Healthcare Yaxley is highly skilled and experienced in managing a wide range of conditions. The Team consists of Nurse Practitioners, Emergency Care Practitioners, Practice Nurses and Healthcare Assistants.

Citizens Advice Peterborough (CAP)

We're here to help, whatever the problem!

If you need advice with your Benefits, Debts, Loss of Job; have Housing issues or any other problem, then Citizens Advice Peterborough can offer free, independent, confidential and impartial advice, available by appointment only.

Appointments are now available at Lakeside Healthcare at Yaxley on Wednesday mornings: 9:30am and 11am

Ask at Reception for an appointment in the Citizens Advice Clinic.
Out of Hours Appointments

The local Extended Access service has been up and running for some time now and provides patients with seven-day access to appointments with a GP / Nurse or Healthcare Assistant. Run by the West Cambs Federation, this service enables us to offer evening and weekend appointments to all of our patients. Sessions are run at the following four clinics:

- Acorn Surgery, Huntingdon
- Buckden Surgery, Buckden
- Cromwell Place Surgery, St Ives
- Cornerstone Surgery, March

Patients can choose to attend any of these surgeries, not just the one closest to their home, depending on what is best suited to them in terms of date/time/location.

Appointments in the Extended Access clinics can be booked via our reception team on 01487 830340.

GP Advice Line

I would like to remind patients about the GP Advice Line which we run Mon-Fri from 8am-8:25am. The Advice Line offers patients direct access over the telephone to a member of the GP team. If you have a problem that you need to speak to a GP about, but don't think that you need to book a face-to-face appointment, then please call the Advice Line on 01487 831587.

Telephone Appointments

In addition to the morning Advice Line, telephone consultations with our GPs and nurses are available during surgery times for any problems that don't require a face-to-face consultation. You can book a telephone consultation by contacting our Reception Team on 01487 830340. The clinician will then call you back at (or as near as possible to) your scheduled appointment time.

Gardening in June
TIME TO START ENJOYING THE GARDEN

As the garden suddenly seems to explode into life we need to work to keep up with nature. The grass will need mowing weekly; weeds kept in check by hoeing; water as needed, keeping a beady eye on tubs and containers. Now is also the time to prune spring-flowering shrubs. Best of all, those scruffy daffodil stems can now be cut back.

But it shouldn’t all be frantic activity! Set aside some time for the more pleasurable tasks. Summer bedding can now safely be planted out; early crops of lettuce, radishes, and early potatoes can be harvested and more tender vegetables - such as courgettes, tomatoes and sweetcorn - planted.

And then sit back in a deck chair with a long cool drink and just enjoy your garden!
